School Volunteer and Visitor's Policy

School Volunteer Policy

Stege School encourages parents and community members to play an active role in school. We appreciate when families take on an active role in our academic and social programs. However, for the safety of our students and our school community, we must have each volunteer registered with the school district. **If you would like to volunteer in your child's class or attend a class study trip, please fill out a volunteer application on BeAMentor.org.** Fingerprint Clearance and photo ID is required of all volunteers. Accelerated Reader at Stege!

Accelerated Reader, or AR, is a reading program for students in grade 2-6 that promotes reading practice and measures comprehension skills using computerized quizzes.

Please support this program by having your student read **at least 20 minutes each night** at home. Students can then quiz at school to earn AR points. Awards are given to students based upon AR points.

Each student knows their AR reading level. Parents may log on to ARBOOKFIND.COM to find out if the book your student is reading is appropriate for their reading level.
