

The Tournament

Math 24 School Tournament

Congratulations, your student has been selected to participate in a special math tournament called **Math 24**. math 24 is a game increases mental math skills and speed of computations.

The tournament will be held at **Pinole Middle School on May 28th** and is sponsored by Chevron Corp. Please arrive by **3:45PM** to check in, meet other students, and get assigned to their tables. Be prepared to see some **amazing math skills** and your child had a chance to **win great prizes** sponsored by Suntex Inc.

If you or your student would like to see how the game works or just check out the Math Club, come by Thursday 3:30PM in computer room B. Please direct any questions to Coach Youyou Li or Coach Nate Quan at pinolemathclub@gmail.com.

This is a Math 24 card! Find a way to make 24!
Use only: plus, minus, times, divide.
Use each number once.

Solution: $2 \times 4 = 8$
 $8 \times 3 = 24$
 $24 \times 1 = 24$

Please return this portion to Ms. Robinson OR submit electronically at <http://goo.gl/forms/Rk8RQcmLXw>. You will receive an email confirmation upon receipt of this page or the electronic form.
