# Sheldon Elementary School School Accountability Report Card Reported Using Data from the 2015-16 School Year Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

# **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

# **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-17)

Sheldon Elementary School believes that every child can and will succeed in ways that reflect his or her own unique aptitude and interests. We believe that student achievement is attained through challenging, rigorous standards based instruction. With the belief that education is a life-long process that begins in early childhood and proceeds through adulthood, all stake holders are invested in the advancement of all children. Academic achievement is acknowledged and celebrated as our core group of teachers set the bar high and are tireless in providing explicit direct instruction. We incorporate a myriad of strategies to activate student knowledge through culturally responsive and pedagogically sound practices with fidelity.

# **B. Pupil Outcomes**

# State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### School Safety Plan (School Year 2016-17)

Approved January 2015 by Elizabeth MontesNation - Coordinator, Disaster Preparedness and Safety

Monthly fire drills are conducted. Emergency folders are placed near classroom exits. The folders contain maps of designated emergency locations, student contact information, procedural information, and lists of teacher responsibilities. Each teacher and a designated back-up student are responsible for taking the folder in an emergency.

PlayWorks and grade level recess duty provides student activities before class as well as our lunch program; the school does not provide supervision after school. Prior to school the primary students wait in a designated area for their teachers to arrive. The teachers pick up the students at 8:30 am. There is a 5 minute warning bell at 8:25 am. The upper-grade students all meet in the multi-purpose room if there are unfavorable weather conditions.

Sheldon has a Disaster and Safety Committee. This is comprised of teachers who have designated jobs in case of a disaster. Each classroom is equipped with an Emergency Backpack that provides food, water and other emergency including toiletries. Each teacher is also equipped with a purple envelop with student information. There are additional supplies in case of evacuation.

Sheldon staff has developed a school-wide discipline policy that all use. Students are informed of the rules and consequences through classroom discussions and grade level assemblies. It is also outlined in the Sheldon Student Handbook that goes home each September or when a new student enrolls. Sheldon also uses school wide strategies for BEST to promote and model positive behavior in all students. Sheldon motto for SHARKS: Show respect. Help others. Accept others. Responsibility. Kind words. Self-motivated....GO SHARKS!

#### **Professional Development (Most Recent Three Years)**

Quality instruction and instructional leadership are at the heart of the district's achievement efforts. To ensure this, the Academic Support Division engages teachers, administrators and other personnel in ongoing professional development focused on improving teaching and learning. Training is provided to principals and other administrators to improve their ability to provide strong instructional leadership and guide teaching and learning at school sites. The principals, in turn, provide support to teachers through staff conferences, opportunities for collaborative study and planning, and individual coaching based on ongoing classroom observations. Teachers and other staff are provided with both on and off-site professional development in all standards based curriculum content areas. Beyond the content areas, professional development is provided in English Language Development, Gifted and Talented Education (GATE), differentiated instruction and educational technology. In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of the professional development program is ensuring that all students are served by skilled, highly qualified teachers and that teachers are supported by strong, knowledgeable instructional leaders.

Teachers are informed of the various opportunities for professional development and encouraged to attend. Many at Sheldon have taken additional classes. Some of the topics have been: Math with Phil and Drew, Differentiation with Ed Services; Whole Brain Teaching strategies; in addition to district provided professional development, Sheldon teachers take the lead in providing staff development in areas that support our CCSS focus and from disaggregated student data. Teachers collaborate on a regular basis and discuss teaching techniques. A major focus is on Language Arts and coordinating ELD strategies into the curriculum. They also meet to review testing and develop pacing in both ELA and Math.
