**Subject:** Initial Public Hearing for Summit Schools

**Background Information:**

On Tuesday, April 21, a team member from Summit Public Schools submitted a Charter Petition for a school that will serve 608 students from 7<sup>th</sup> through 12<sup>th</sup> grades in the West Contra Costa Unified School District. The Charter Petition describes an enrollment plan that begins with 105 students in 2016-17, and expands over the following years to reach capacity at 2021-22.

The purpose of this hearing is to gauge the level of public and teacher support for this Charter petition.

The Board has been provided the full petition under separate cover. The full petition will be available at the District Office for public review.

**Recommendation:** For Information Only

**Fiscal Impact:** None at this time, yet will, if approved represent ongoing loss of student average daily attendance as a result of WCCUSD students attending the charter school.
