To all Parents and Staff:

What is the School Site Council?

The School Site Council (SSC) is composed of ten members, representing all segments of the school community (5 community & 5 school personnel) for the common goal of supporting student success. Led by the SSC chair the SSC develops and monitors the implementation of the school’s plan known as the **Single Plan for Student Achievement**.

The SSC members are the principal; 3 teacher representatives; other staff representatives; 5 parents/other community representatives, (and student representatives at the secondary level) with each group selected by their peers and members may serve consecutive terms (each of two years duration).
