Let's take another look at a set of short videos that give a look at all the Academies in our district!

Deepening our work right now

LCAP and Community Input. We are beginning our work to gather input from multiple stakeholders across the district to inform our LCAP process.

Labor Management Solutions Team. Leaders from all of our bargaining units come together once a month to “solve” mutual issues and build new and better forms of communication.

English Learners. We are starting a deeper exploration of our current model and examining possible alternatives including SEAL, GLAD and Dual Immersion to support English Learners.
