# Deepening our work right now

**1:1 Device Rollout.** Our rollout continues including deeper partnership with UTR and more training sessions for teachers

**Staff Recruitment Pipelines.** We are currently in conversation to build new pipeline programs for classified, certificated and administrative staff for the 17-18 school year.

**Teacher Housing.** We are forming a working group with Supervisor John Gioia, Assemblymember Tony Thurmond and UTR leadership to explore teacher housing possibilities in our district.
