Recent Events

- LCAP Town Hall Meeting
- Housing Task Force and Teach Richmond Housing group
- Secondary Class Size work with UTR
- El Cerrito MLK Day Celebration
- Pinole City Council
- Special Ed. CAC

Deepening our work right now

Master Scheduling and Reducing Class Size. Master scheduling has started and we are working with Principals, teachers and the UTR team to work diligently to create schedules with lower class sizes in 2017-2018..

End of the year Employee Recognition. We have set June 2nd at 3:30 for a first annual End of the Year Employee and Parent Celebration. Mark your calendar!

Governor's January Budget. We are working to run a set of simulations based on the latest news out of Sacramento to get a better picture of our budget forecast over the coming years.

DLCAP and first set of recommendations for 17-18. Our DLCAP meeting is coming up where we will unpack stakeholder priorities and also bring a first set of recommendations to the Board at the February 1st Board meeting.

Closing the Loop

Charter Partnership:

- During the Richmond College Prep charter renewal, there was talk of potential collaboration. Last week, we held a meeting with the leadership team at Richmond College Prep to talk about ways Nystrom and RCP could work together and learn from one another in the future. We identified certain areas and have set a next meeting.

Data Focus

Tonight we will discuss LCAP Goals 2, 3, and 4. As the Board has expressed interest in taking a deeper dive into our actions, as well as our AMOs and our next steps, an LCAP study session is in order.

While tonight we will look at the current successes and challenges overall, a regular Board meeting does not afford us all the time we might want to examine the data.

Starting next month, I will also use this report to talk about different data points that are timely and informative for the organization

Upcoming

DLCAP Meeting January 26th

Linked Learning Conference site visit at DeAnza January 23rd

Wilson and Fairmont Community Meetings
