

Sylvester Greenwood Academy

School-Based Health Center

► School-Based Health Center: Who We Are

Our Mission is to develop a coordinated system of support services for all students in order to foster well-being and academic achievement.

The Sylvester Greenwood School-Based Health Center was founded during the 2015—16 school year as part of West Contra Costa Unified School District's Full Service Community School initiative. The health center supports students to meet the challenges in their lives and also works closely with faculty and administrators campus-wide to build a strong and positive culture to support school success for all students.

The SBHC's Youth Advisory Board members run a Kick Butt's Day event in March 2017.

► Services Provided

Counseling & Crisis Support: Individual and group counseling, crisis assessment, are provided by the Y-Team (YMCA), the Wright Institute, and Catholic Charities of the East Bay.

Health Education: Pregnancy prevention, HIV/STI prevention, human sexuality, and alcohol and other drug education.

Medical Services: Currently being provided by Kaiser Permanente.

Youth Development: The Sylvester Greenwood SBHC recruits and trains a group of students to serve as Youth Advisory Board members (YAB). The YABs provide peer health education, participate in Research-Action projects in the community and lead health events on campus. Additionally, the RJ Peace Academy meetings weekly to discuss community trauma and how to support elementary school students with RJ circles.

SBHC Visits Provided (n=3,176)

► Medical Services: Kaiser Permanente

Medical services are being provided on-site through a fully operational clinic. We anticipate medical clinic numbers in 2017/18.

► Student Impact: Meaningful Opportunities for Participation

SBHC Youth Services & Events Provided to Students On Campus

"Knowing that we have the opportunity to have a place to go to when we are going through something and someone is always there to talk too makes me feel happy."

-Sylvester Greenwood Academy Student
