Reclassification

What is it?
Reclassification

What is it?

Reclassification means a student who classified as an English Language Learner on the Initial CELDT test becomes Reclassified Fluent English Proficient (RFEP) as measured by the following criteria:

- CELDT: Standardized interim assessment
- Parent opinion and consultation
- Teacher evaluation
- Writing/ELD Level (secondary only)
- Grade Level Work (secondary only)

Where Are We Headed?

Three Key Strategies
Reclassification

Where are we headed?

Our overall target is 1300 reclassified students. A 2% increase from last year.

All students with us from K/1 will reclass by 6th grade, and all other students will reclassify within 5-6 years.
Reclassification
Where are we headed?

Disseminate school reclassification data that is accurate, timely, & actionable

Implement Integrated & Designated English Language Development (ELD) Standards across the District

Family and Community based organization partnership, awareness, advocacy, and action regarding the classification process
