

About English Learner Advisory Committee (ELAC)

Each California Public School from Kindergarten through grade 12, with 21 or more English learners must form a functional English Learner Advisory Committee (ELAC). The ELAC is a committee for parents or other community members who want to advocate for English Learners. ELAC provides parents with a forum to express their thoughts and concerns about their children's education at the site and district level.

Mission

ELAC will advise the principal and school staff on programs and services for English learners and the School Site Council on the distribution of LCAP funds.
