~Mrs. Williams, 6<sup>th</sup> grade

**Philip Ozuna**

~Ms. Anderson, 6<sup>th</sup> grade

*As we welcome* in February, we are also looking forward to the second half of the school year. It's amazing that the year is more than half over. More importantly, February is National African American History Month. We will honor Black history with a variety of classroom activities and projects to emphasize the rich history and amazing achievements of African Americans.

**Friday, March 9<sup>th</sup>:** Save the date! We will host our annual Wax Museum where students will showcase their research projects of a prominent African American.

**KEEP OUR CHILDREN HEALTHY!**

Please **DO NOT** send sugary beverages to school with your child. \*\*\*The following are not allowed at school: soda, slurpee, energy drinks, shakes, and coffee blended drinks. Thank you for your support.
