15	16	17	18	19	20	21
22	23	24	25	26	27	28

District-wide Practice Test!

The SBAC practice test for WCCUSD schools will be administered the week of 1/26- 1/30

Our goals for administering the test include: 1) to give staff and students practice with testing interface and technology, 2) to practice scheduling students through labs, and 3) to test our technology.

Students and staff will have a chance to experience the technology components and testing formats. Although the operational assessment system will be computer adaptive, the Practice Tests follow a fixed-form model. Students and teachers will not receive reports or scores from the Practice Tests.

Instructions for administering the practice test were sent to Principals and Test Site Coordinators to share with Test Administrators.

ReadiStep, PSAT, and SAT Results

The College Board mailed the Readiness and PSAT Student Reports to schools in December.

Readiness and PSAT Student Reports include a breakdown of student's scores, including score ranges, correct and incorrect answers, and level of difficulty for each question. Sites should distribute Readiness and PSAT results to students no later than **January 16**.

SAT School Day results can only be viewed online.

For **SAT results**, students can now log into their existing College Board account and view their scores. Students will automatically get their SAT scores through My SAT Online Score Report. A brief overview of the Online Score Report is available at: <http://www.collegeboard.com/sat/scorereport/index.html>. For more information, please contact Finy Prak 510.231-1429 ext. 25167.

CAHSEE Coordinator Training

Please ensure that all coordinators attend. This is for the February, March and May Administrations.

January 15, 2015 Serra Adult School, Room 5 3:00—4:30 pm

CAHSEE Results

The November CAHSEE results are expected to arrive in the district the second week in January.

Please contact the Assessment Department with any questions (510.307.4515). Thank you!
