AP Online Results

Please do not forget to remind students they can access their AP scores online in July!

All students must have an online College Board account to access their scores. Students will be able to view and download their cumulative Score Report, which will contain their 2015-16 AP scores, plus any previous years' AP scores.

Student and Staff Satisfaction Surveys!

Our Local Control Accountability Plan requires student and staff surveys, in order to gauge satisfaction.

Students in grades 4, 6, and 8 will take the online survey during the survey window: May 15-May 26

All Classified and Certificated staff will take the online survey during the survey window: May 15-May 26

CAASPP /SBAC Information

Please ensure that all students have completed testing and make-ups for computer-based assessments by May 26. The district window will close and no additional tests can be given.
