Highlights!

NEW! STAR Reading and Math for High Schools (9-11)

The high schools will be joining the elementary and middle schools in taking the STAR assessments! There will be PD available for those who wish to learn more about the process. This [document](#) will give test administrators and all school staff the information needed to administer the STAR tests.

NEW! Tools for Teachers resources

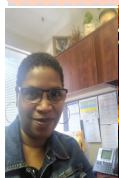

Tools for Teachers is an easy-to-use website featuring lessons, activities, and more that incorporate the formative assessment process and accessibility strategies. This website is meant to support teachers daily during their instruction to help educators reflect on their students' knowledge and take action on next steps to meet learning goals.
