Board Policy

Nondiscrimination, Harassment, Intimidation, & Bullying

BP 5145.3

Students

The West Contra Costa Unified School District Board of Education, hereinafter referred to as the Board, is committed to equal opportunity for all individuals in education within a safe school environment that allows all students equal access and opportunities to all of the district's programs and activities, including academic programs, educational supports, services, and enrichment activities.

The Board is committed to providing a safe educational environment and positive school climate to all students. In the West Contra Costa Unified School District, all students have the right to be educated in a positive and safe environment that is free from harassment and discrimination.

The Board is committed to providing a safe school environment that allows all students equal access and opportunities in the district's academic and other educational support programs, services, and activities. The Board prohibits, at any district school, school activity, or attendance within a school under the jurisdiction of the superintendent of the school district, unlawful discrimination, harassment, intimidation, and bullying of any student based on the student's actual race, color, ancestry, national origin, immigration status, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or gender expression; the perception of one or more of such characteristics, or association with a person or group with one or more of these actual or perceived characteristics. Gender identity is a person's personal sense of gender (e.g., being a boy or a girl), which may or may not be the same as their biological sex at birth. For transgender persons, the sex at birth (i.e., male or female) does not match their own internal sense of their gender identity. Since gender identity is internal, it isn't necessarily visible to others. Gender expression is a person's external manifestation of their gender identity. Gender expression is visible to others - it's the way a person expresses their gender identity through clothing, behavior, posture, mannerisms, speech patterns, activities and more.

The Board prohibits discrimination or harassment of any student by any employee, student or other person in the district. Staff shall be alert and immediately responsive to conduct that interferes with student's ability to participate in or benefit from school services, activities or privileges.

The Board hereby designates the following person as Compliance Officer to handle complaints regarding discrimination and inquiries regarding the district's nondiscrimination policies:

Rhonda Haney
Director, Title IX Educational Equity
1108 Bissell Avenue, Room 215
Richmond, CA 94801
(510) 307-4538

Any student who feels they are being or have been harassed while on school grounds, while going to or coming from school, while at school activities on or off school grounds, while on district transportation, or while otherwise in a district program or activity is encouraged to immediately contact a teacher or any other employee. Any student who observes an incident of harassment should report the harassment to a school employee, whether or not the victim files a complaint.

An employee who receives such a complaint, otherwise becomes aware, or personally observes possible harassment shall intervene when it is safe to do so and immediately report it to the District's Compliance Officer or the principal or vice principal of the relevant school site. Such reports will be processed in accordance with Administrative Regulation 5145.7.
