

What Is Renaissance Home Connect™?

Renaissance Home Connect is connecting parents and extending practice

Renaissance Home Connect improves the school-to-home connection by allowing parents and students to log in to a website and view the student's reading and math practice and progress towards goals. Access to online results promotes discussion between parents and students, which motivates students and can make reading and math practice even more effective. In addition, parents can specify up to six email addresses to receive automatic updates in English or Spanish on their student's math and reading progress.

Two steps are required to get Renaissance Home Connect up and running:

1. On the Home page, a district administrator or district staff member clicks **Renaissance Home Connect**, then **Manage Availability** and follows the instructions.
2. Once Renaissance Home Connect is available on the Home page, teachers click **Renaissance Home Connect**, then **Reports** and print the Informational Letter in English or Spanish to be sent home with the student. If you are a teacher reading this, your administrator has already made Renaissance Home Connect available.

Renaissance Home Connect is accessible to Accelerated Reader, Accelerated Math Live, Accelerated Math 2.0, and MathFacts in a Flash customers.

My Overall Progress

Renaissance Home Connect gives parents and students get a snapshot of the student's AR progress, including average percent correct in quizzes, number of points earned, and ATOS book level.

My Overall Progress
3/16/2012 - 6/15/2012 (14% Complete)

Quizzes 95%
average % correct

Points 37.7
68.5% of goal

ATOS Book Level 5.1
average level

Quizzes Passed/Taken: 8/9 Word Count: 256,046

Reader Certifications
Only passed quizzes count toward certification.

Last Achieved: Advanced Reader
Achieved 10/3/2011
Read: 3 books independently
ATOS BL: 3.0 or higher
Worth: 2 points or more per book

Current Goal: Star Reader
Read: 3 books independently
ATOS BL: 4.0 or higher
Worth: 4 points or more per book

My Last Quiz
Taken 3/28/2012

The Beaded Moccasins: The Story of Mary Campbell
By Lynda Durrant
ATOS Book Level: 4.7
Interest Level: 4.7

9 of 10 Correct **90%**
5.4 of 6.0 Points **5.4**

Practices and Exercises

If teachers have the scoring preference turned on, students can score practices and exercises from home when they open Accelerated Math Live. Students can also search or browse for math terms and see a definition and example for each. Sample problems for each objective are provided to help students with their homework.

My Overall Progress
3/18/2013 - 6/7/2013 (77% Complete)

MathFacts in a Flash

If students use MathFacts in a Flash, they can practice from home and parents and students can view the student's progress.

The screenshot shows the Renaissance Home Connect interface for Michael Delezo. The user is logged in as Michael Delezo, with options for Español, Email Setup, Help, and Log Out. The navigation bar includes 'reading' and 'math' tabs. The main content area is divided into 'School Results' and 'Home Results'. Under 'Home Results', there are three sections: 'My Overall Progress' (12/2010 - 1/9/2011, 5th Grade), 'Practice My MathFacts' (does not count toward mastery at school, Start Practicing), and 'Levels Mastered' (29, View All). The 'My Overall Progress' section shows 'Last Level Mastered: 29. Multiplication by 6,7' (Mastery: 10/18/2010) and 'Benchmark Level: 38. Review: +, -, x' (Target Date: April 1). The 'My Last Test at School' section (taken 11/18/2010) shows 'Multiplication by 8,9' with a score of 93% (37 of 40 correct). A table compares actual performance (37 of 40 correct, 93%, 1:15) to the goal (40 of 40 correct, 100%, 2:00). Below, 'Incorrect Problems' are listed: 8 x 8 = 64, 9 x 8 = 72, and 9 x 9 = 81.

Accelerated Math 2.0

If students use Accelerated Math 2.0, they can choose to open Accelerated Math 2.0 to work on their practices from home (but not tests).

The screenshot shows the Renaissance Home Connect interface for Catherine Johnson. The user is logged in as Catherine Johnson, with options for Español, Email Setup, Help, and Log Out. The navigation bar includes 'reading' and 'math' tabs. The main content area shows 'Accelerated Math 2.0' and 'MathFacts in a Flash' options. A 'Practices' section is visible, with a 'Work Online' button that says 'Open Accelerated Math 2.0' and a 'Math Glossary' link.

Connecting Parents Through Email

Parents click **Email Setup** and enter their name and email address to receive automatically generated emails (in English or Spanish) about their student's progress in reading and math. Emails are sent when the student takes an Accelerated Reader Quiz, takes an Accelerated Math test, or completes a MathFacts in a Flash level.

The screenshot shows the Renaissance Home Connect 'Email Setup' form for Maria Fernandez. The user is logged in as Maria Fernandez, with options for Help and Log Out. The form is titled 'Email Setup' and has a 'Done' button at the top. Under 'Share Results and Progress', there are input fields for 'First Name', 'Email', and 'Retype Email'. A 'Language' section has a checkbox for 'Spanish'. An 'Add' button is present with a note: 'An invitation email will be sent to this person when you click Add. They will need to respond and accept before more emails will be sent.' A footer note says: 'If you have questions about using Renaissance Home Connect email, please contact your teacher.' There is another 'Done' button at the bottom.
