

2019-20 Health & Wellness Policy Timeline

Phase 1

As a follow up to the last Health & Wellness meeting on April 4th, there were several next steps that were generated and a requested of staff.

The stakeholders requested to seek approval and or present a plan to the School Board regarding an endorsement to move forward with updating the Health & Wellness policies specifically on items below.

Items requested for consideration to the Board:

- Approving a timeline that takes into consideration the appropriate level of engagements, input, & feedback needed from all stakeholders impacted; Teachers/Admin , students, parents and CBO.
- **Seeking approval to submit a policy that differs from the CSBA recommended policies and formatting.**
- Creating an "All in one" health & Wellness policy, as opposed to 8 different policies. And or creating a process to expanding on BP 5030-Student Wellness policy to be more inclusive or reflective to a comprehensive Health & Wellness policy for WCCUSD. Currently WCCUSD does not have a Health & Wellness policy
- **Meet with Mr.Duffy to determine how we want to move forward to proposed request (above).**

Phase 2

After Phase 1 is resolved the next set of actions should as follows:

- Reconvene Small Working group (Strategy Team) - update team on proposed road map/ provide input and seek recommendations on how to convene Large group and or sub committees.
- Reconvene H&W Stakeholders (Large Group) - Update stakeholders on road-map /path forward and begin formation of subcommittees and or work groups around Resolution/ AR
- Subcommittees convene (self selected dates)
- principals and District support staff to provide input
- Meet with or intersect with the School Climate Resolution work group (ensure our work is in alignment)
- Reconvene H&W Stakeholders (Large Group) - Final review of Resolution/ AR and Updated Policy (from March 7th)
- Policy, Resolution, Administrative Regulations presented to school Board
- Convene Implementation / monitoring team
