School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements

WCCUSD takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses the Facility Inspection Tool (FIT) developed by the State of California OPSC. Maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The school personnel also works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	15.0%	14.0%	35.0%	36.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	12.0%	10.0%	25.0%	24.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

School Site Council (SSC): Bayview Elementary School Site Council is composed of five parents or community members, the principal, three classroom teachers, and one other staff member (Education Code Section 52852). The SSC collaborates with Instructional Leadership Team (ILT) to develop the school plan and budget. In addition, we have developed an active AASAT (African American Site Advisory Team) to meet monthly.

English Learner Advisory Committee (ELAC): Parents of students learning English as a second language advise the principal and plan parent involvement events.

Principal's Coffee Chats are monthly meetings to encourage parent and community collaboration/involvement.

Family Math Night: Math training is given to parents and families through evening math activities/workshops.

Family Literacy Night: These evenings provide parents with activities and techniques for teaching reading and writing at home.

ESL English Classes for parents

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

School Safety Plan (School Year 2018—19)

Last revised: Sept. 30, 2018 by Safety & Emergency Preparedness Department staff and site administration.

WCCUSD'S Safety & Emergency Preparedness' mission is to develop school safety plans and a district-wide disaster preparedness plan focusing on mitigation, preparedness, response and recovery to minimize loss of life and property, which will be achieved through planning, training, exercising and establishing an emergency information system.

The District provides all staff with the basic training for emergency preparedness and safety for school campuses in collaboration with Contra Costa Community Awareness Emergency Response (CAER), Red Cross Bay Area, Ready.gov, and Contra Costa County Community Warning System Alerts.

Professional Development

Bayview Elementary School provides staff with training and professional development to differentiate instruction by implementing the workshop model. Grade

levels collaborate weekly by reviewing data and designing instructional strategies to support students in their academic growth. Professional Development opportunities are determined by using data such as teacher surveys, math, ELD, and English Language Arts assessment data. Bayview Elementary is focused primarily on professional development around the implementation of the workshop model, and specifically around the implementation of Teachers College Writing Project in all classrooms. This area of PD focus was determined based on student performance in class, as well as on standardized assessments, and staff member desire to provide the best educational opportunities for our students. Additional professional development is provided through regular collaboration between staff members, afternoon and weekend workshops and classes, district and non-district conferences, the Teacher Induction Program, additional mentoring opportunities, and coaching from the Principal and Assistant Principal. Lastly, teachers are supported by the Literacy Coach, Assistant Principal, and Principal during implementation of academic initiatives.
