## School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### School Description and Mission Statement (School Year 2018–19)

SCHOOL DESCRIPTION: Ellerhorst Elementary School is located in the city of Pinole and in historic Pinole Valley. The creek that flows beside the campus was once the campsite for local Miwok Indians and an early ruin from the Spanish Rancho era can be found nearby. The school was built in 1960 and named in honor of Frances L. Ellerhorst, one of Pinole's earliest and most respected teachers. Ellerhorst Elementary is a K-6 school configuration that offers students a rigorous curriculum that is supported by technology, innovation, and an experienced staff of teachers and paraprofessionals. Bolstered by tablet technology and the site computer lab plus a well-maintained library, students have access to a wide variety of literary and informational text documents and education-oriented applications. The site's science materials inventory and the demonstration gardens assist students in engaging in hands-on science learning. Through the financial and parental support of its PTA and Dads' Club, Ellerhorst sends its students on a wide variety of field study trips including a Mars Space Exploration simulation field trip and a three day-long study trip to Yosemite National Park. Support services assist students with learning disabilities through speech and language therapy, occupational therapy, special education services, a learning center for assisting students to catch up to grade level performance and dedicated support for English Learners (ELs) to access the content area curricula.

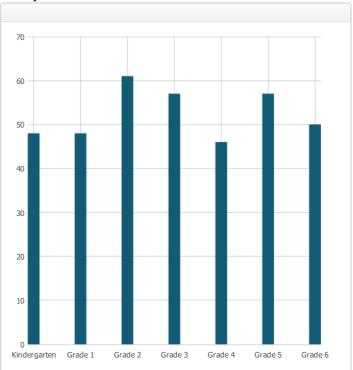

MISSION STATEMENT: At Ellerhorst Elementary School, we are committed to:

- Treating everyone with courtesy, dignity, and respect.
- Respecting, celebrating, and welcoming the diversity and contributions of all members of our school community.
- Providing a safe and productive environment in which to learn, teach, work, and participate.
- Using instructional strategies that meet each child's unique needs to reach his or her goals for success.
- Working with the community to develop well-rounded, life-long learners and contributing members of a global society.

#### **School Facility Conditions and Planned Improvements**

WCCUSD takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses the Facility Inspection Tool (FIT) developed by the State of California OPSC. Maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The school personnel also works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### School Facility Good Repair Status

### **B. Pupil Outcomes**

## **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAS] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	36.0%	45.0%	35.0%	36.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	24.0%	33.0%	25.0%	24.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

#### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017–18)

CAASPP Assessment Results – English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three Through Eight and Grade Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

Students with Disabilities	38	37	97.37%	
Students Receiving Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject area of physical education

#### California Physical Fitness Test Results (School Year 2017–18)

Grade	Percentage of Students Meeting Four of Six	Percentage of Students Meeting Five of Six	Percentage of Students Meeting Six of Six

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### C. Engagement

## **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### **Opportunities for Parental Involvement (School Year 2018–19)**

Family Involvement is very important at Ellerhorst Elementary School. Families volunteer in the classrooms on a daily basis, helping teachers with small group instruction and classroom activities. They accompany teachers and students to the library, assist in the computer lab, and drive and chaperon students on study trips. In addition, a number of alumni parents whose students have already 'graduated' from Ellerhorst continue to return and volunteer in classrooms, as yard supervisors and in the office.

PTA and DAD'S CLUB: Ellerhorst has a very active Parent Teacher Association (PTA) and an affiliated Dad's Club. Together these groups have over 200 members. Both groups meet monthly to plan and implement an array of school and family activities, both to fundraise and to build community. Their first activity of the year is to facilitate the sign-ups for classroom support and the various committees. The PTA developed and instituted its own website and an email tree to disseminate information to our families on upcoming events, academic information, etc.

2018-2019 activities sponsored by our PTA and Dad's Club include a fall Ice Cream Social, Walk-A-Thon fundraiser, the annual Pumpkin Contest and Halloween Haunted Hallway, Trunk or Treat, monthly Movie Nights, Pasta Feed, Talent Show, Book Fairs, Science Fairs, multiple After School Enrichment Programs, student yearbook, and a parent-sponsored Student Council, and several other fundraiser activities. Funds raised by the PTA and the Dad's Club support extra supplies for classrooms, the Accelerated Reader Program, technology, supplemental math and science software for all grade levels, assemblies, and study trips.

SCHOOL SITE COUNCIL: Every elementary school must have a School Site Council (SSC) composed of five parents or community members, the principal, three classroom teachers, and one other staff member (Education Code Section 52852). The committee meets monthly. Additional meetings are scheduled when needed.

ENGLISH LEARNER ADVISORY COMMITTEE: The Ellerhorst English Learner Advisory Committee meets and traditionally delegates its responsibilities to the SSC, which makes decisions about programs and issues pertaining to the English Learner population.

#### School Safety Plan (School Year 2018–19)

Last revised: Sept. 30, 2018 by Safety & Emergency Preparedness Department staff and site administration.

WCCUSD'S Safety & Emergency Preparedness' mission is to develop school safety plans and a district-wide disaster preparedness plan focusing on mitigation, preparedness, response and recovery to minimize loss of life and property, which will be achieved through planning, training, exercising and establishing an emergency information system.

The District provides all staff with the basic training for emergency preparedness and safety for school campuses in collaboration with Contra Costa Community Awareness Emergency Response (CAER), Red Cross Bay Area, Ready.gov, and Contra Costa County Community Warning System Alerts.

#### **Professional Development**

#### 2017-18 SARC - Ellerhorst Elementary

focused on the district's major areas of focus in English Language Arts, Mathematics, and English Language Development. These goals align with our LCAP plan and the Common Core State Standards. Professional Development activities are planned by the school site's Instructional Leadership Team in collaboration with the district Teaching, Learning, and Leading (TTL) Department. In addition, teacher passion is driving changes in the social studies and science curricula; the staff continues to honor the use of academic data to inform instruction, and provides effective support for students who are preparing to take the Common Core-Aligned SBAC assessment for language arts and math.

Quality instruction and instructional leadership are at the heart of the district's achievement efforts. To ensure this quality and leadership, the TLL Department engages teachers, administrators, and other personnel in ongoing professional development focused on improving teaching and learning. Training is provided to principals and other administrators to improve their ability to provide strong instructional leadership and guide teaching and learning at school sites. The principals, in turn, provide support to teachers through staff conferences, opportunities for collaborative study and planning, and individual coaching based on ongoing classroom observations. Teachers and other staff are provided with both on and off-site professional development in all Common Core-based curriculum content areas. Beyond the content areas, professional development is provided in English Language Development, differentiated instruction, and educational technology. In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of the professional development program is ensuring that all students are served by skilled, highly-qualified teachers, and that teachers are supported by strong, knowledgeable instructional leaders.
