Hanna Ranch Elementary School
School Accountability Report Card
Reported Using Data from the 2014-15 School Year
Published During 2015-16

</div>

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.

- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.

- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (Most Recent Year)

Hanna Ranch is a school dedicated to academic proficiency for all students. Our goal is to serve all of our students on a level that will challenge them and provide a creative approach to education that will serve them well as they continue along their path of lifelong learning. Hanna Ranch is a school dedicated to building strong character. We understand that in order for our students to succeed in life they need to have the social skills to do so. At Hanna Ranch, we address all curriculum areas and utilize effective teaching strategies. We will maintain a safe, respectful, interdependent and responsible environment, and give our students the tools they need to become independent, contributing and responsible citizens. We address the evolving academic and social needs of all students. We incorporate technology in the classroom and promote student succeed through our positive climate initiative.

A. Conditions of Learning

State Priority: Basic
The SARC provides the following information relevant to the Basic State Priority (Priority 1):
- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Our Parent/Teacher Association (PTA) works to ensure that teachers and students have the support and resources necessary to successfully engage in our core curriculum. The PTA and Principals' newsletters, web page and Facebook account keeps our community informed on key policies, curriculum, and student achievements. Our School Site Council (SSC) and PTA coordinate our parent involvement program. SSC meetings provide parents with information about the school plan/programs and student progress as well discuss the budgets as they pertain to the School Site Plan. The school provides a variety of parent involvement venues, including:
• Common Core parent nights
• Program and parenting informational meetings
• Back to School Night
• Open House
• Halloween Celebration
• Christmas Plays
• Black History month celebration (Hercules Library)
• Family Science Night
• Family Movie Night
• Potlucks
• Classroom volunteers

School Safety Plan (Most Recent Year)

Hanna Ranch has a Comprehensive School Safety Plan. All staff is continuously being trained in disaster preparedness and procedures for communication, evacuation/shelter, and search and rescue. The school has disaster kits for all classrooms and supplies for each student.

Staff: The safety plan is reviewed each year, and new staff members are assigned to teams. We review team responsibilities and skills at our first Faculty Meeting. This year we will once again participate in the District Disaster drill. In the event of an earthquake, all classes will evacuate and one class will be bused to the Swim Center to participate in the Red Cross shelter drill there. Our safety teams will review their roles, test their systems and inventory equipment.

Students: We hold monthly fire drills, triennial earthquake drills and shelter-in-place drills and yearly evacuation.

Community: Disaster emergency contact information is collected from all families in September. Safety procedure information is included in the School Handbook and the PTA newsletter. Families receive information about providing safety backpacks for their children.

Logistics: The staff room is equipped with whiteboards and an outside phone line. Student contact information is stored with the safety plan and other key information in our office. The school has six walkie-talkies and all major safety equipment and supplies. The school's search and rescue team carts, triage/medical, evacuation/shelter and individual student supplies are stored in a container across the playground. A member of the City of Hercules Safety Team is also a member of our SSC.

Crime/Violence Prevention: Our courtyard gates are closed at night and during emergencies. Skateboard inhibitors are installed.

Staff members monitor the school grounds ten minutes before the start of school and immediately after dismissal. Parent volunteers maintain traffic flow during morning drop-off times. Visitors are required to check in at the office and wear visitor badges while on campus. Additional safety lighting was installed in the parking lot and playground.

Professional Development (Most Recent Three Years)

Teachers received training in research-based teaching strategies. Our professional development plan is designed to provide students with instruction that is data driven, Common Core Standards based, engaging and responsive. Our classroom teachers, Learning Center staff and principal are currently focusing on the full implementation of our Technology program. All teachers on staff have been provided a doc-camera, projector and laptop. Two teachers trained in the Playworks physical education program have set up a materials room, established a check-out system and are training their colleagues in the program.

Quality instruction and instructional leadership are at the heart of the district's achievement efforts. To ensure this, the Educational Services engages teachers, administrators and other personnel in ongoing professional development focused on improving teaching and learning. Training is provided to principals and volunteered staff to improve their ability to provide strong instructional leadership and guide teaching and learning at school sites. The principals and trained staff, in turn, provide support to teachers through staff conferences, opportunities for collaborative study and planning, and individual coaching based on ongoing classroom observations. Teachers and other staff are provided with both on and off-site professional development in all standards based curriculum content areas. Beyond the content areas, professional development is provided in English Language Development, Gifted and Talented Education (GATE), differentiated instruction and educational technology. In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of the professional development program is ensuring that all students are served by skilled, highly qualified teachers and that teachers are supported by strong, knowledgeable instructional leaders.

Equity Work: Our teachers are dedicated to culturally responsive practices. Every student is challenged and all are provided response to intervention strategies and programs to help them understand and master grade level material.
