Good Evening Ellerhorst Families,

The PTA and Dads Club thank everyone that came out for last Friday's Winter Wonderland. As happened last year, there was a bigger turn out than we expected, and overall it was a great success.

Thank you to all the volunteers who baked, prepared, planned, shopped, and hosted various stations throughout the cold and rainy night. And an extra thank you to the volunteers who stayed later to help clean up. You are all what makes Ellerhorst the thriving community we are proud to be a part of.

A special thank you to Andy Adam and Mike of the Dads Club for assisting with the 6th graders at the grill to raise money for their end of the year festivities.

Tomorrow and Tuesday, the district will host two virtual Community Budget Forums to hear a discussion of our district's financial situation and possible cuts that will impact Ellerhorst Elementary. These forums are in preparation for decisions our school board must make at their meeting this Wednesday, January 24th. If you are concerned about how changes in the district budget could affect Ellerhorst, we encourage you to attend one or both of the Forums held virtually on January 22 and 23, from 6:00 to 8:00. The Webinar Zoom ID is 927 9239 1575.

Whatever the budget outcome, we will still have treats for you at Ellerhorst. This Friday, we expect to see the return of the Snack Shack, so be prepared for your child to ask for money for that Friday treat.

Thank you, and have a great week.
