ADDENDUM

April 4, 2012

The following is a revision to the agenda of the April 4, 2012, Board of Education Meeting:

BUSINESS ITEMS

CONSENT ITEMS (Routine Matters)

Consent Calendar Items designated by "CI" are considered routine and will be enacted, approved and adopted by one motion, unless a request for removal, discussion or explanation is received from any Board member or member of the public in attendance. Items the Board pulls for discussion or explanation will be addressed following Section E.

***CI C.20 Peres Elementary School Dental Clinic**

Comment:

Peres Elementary School was one of the first sites renovated as a part of the District's Bond Program. The Peres Elementary School project included a dental clinic to serve the students who attend the school. The on-site clinic helps to avoid students missing instruction time, and to provide free service for dental needs. The program is staffed with professionals that volunteer their time to provide a full scale of dental services. The Board has approved renovations to the facility that would provide for an increased level of services, including x-ray capability. The original Architect for the Peres Elementary School Project, HY Architects, has prepared plans for the Dental Clinic Renovations Project.

Work for this project comprises general construction necessary for the remodel of the existing Dental Clinic within the Administration Building (Building B) of Peres Elementary School and electrical upgrade for specified dental equipment.

The District engaged in a public bid process for the project. Bids will be opened on April 3, 2012. _____ contractors submitted bids. They are as follows _____ and _____. The apparent lowest bidder is _____ at \$ _____.

Recommendation:

Award contract to the lowest responsive, responsible bidder pending the expiration of the 72 hour bid protest period.

Fiscal Impact:

\$ _____. Funded from the Measure D-2010 Bond.
