Land Acknowledgment Statement

We recognize that we are presently on the lands of the Chochenyo, Muwekma, Karkin, Ohlone peoples and acknowledge them as the first inhabitants of the land we currently occupy.

Labor and Body Recognition

"I acknowledge that the burden of environmental exploitation and systemic injustice falls upon the labor of Black and Brown bodies in the building of this country and its institutions. I remember that Black and Brown people were born and died working this land against their will for generations. I also acknowledge the continued contribution of the labor of survivors - over the centuries to today - of all immigrant labor, including voluntary, involuntary, trafficked, forced, and undocumented peoples in the building of what we refer to as the "United" States."

The meeting was called to order at 6:28 PM by CBOC Chair Brendan Havenar-Daughton.

With the absence of Secretary Ariel Xi, Chair Havenar-Daughton asked CBOC member Don Gosney if he would be willing to record the minutes for this meeting. Mr. Gosney responded that as long as he was allowed to include actual content in the minutes (as opposed to ONLY Action Minutes) he would agree. Chair Havenar-Daughton agreed.

#### C ~ APPROVAL OF AGENDA

With the exception of the minutes from the January 8th, 2024 and February 12th meetings, the agenda was approved as presented.

#### D ~ COMMENTS FROM THE CBOC CHAIR

Chair Havenar-Daughton welcomed everyone and thanked them for engaging and showing up.

#### E ~ PUBLIC COMMENT FOR NON AGENDIZED ITEMS

There were no submissions submitted.

#### F ~ PUBLIC COMMENT FOR AGENDIZED ITEMS

WCCUSD Trustee Leslie Reckler commented on Agenda Item H (Joint BOE/CBOC meeting). She asked for the CBOC to advocate for her changes to BP 7214.2 (the Board policy covering the CBOC) to be discussed at the joint meeting.

Chair Havenar-Daughton expressed his slight confusion about these proposed changes and requested that Trustee Reckler forward her proposals to him. Trustee Reckler replied that she was advised by legal counsel that she could not do that.

#### G ~ BOND PROGRAM FINANCIAL REPORTS

Melissa Payne reported on the suite of financial reports which included:

- A/P Check Lists (January and February 2024)
- Consolidated Budget Status Report (03/06/24)

- ➤ Bond Program Spending to Date by Site (Report #2) (02/29/24)

Ms. Payne reported that an online reporting portal was being established where anyone can go online to review financial reports at any time. Although

### CITIZENS' BOND OVERSIGHT COMMITTEE MINUTES OF 03.11.24 MEETING

there are still some coding issues to resolve, Ms. Payne explained that this should address the issues raised over the difficulties the District has had in getting financial status reports to the CBOC and the public.

Mr. Gosney pointed out that there used to be two Consolidated Budget Reports with color coding that made it easier and more informative for non finance persons to follow and understand these reports. Ms. Payne agreed that this would be addressed in future reports.

Chair Havenar-Daughton pointed out that on previous A/P Check Lists there was a list of asterisked definitions that appear to have fallen off of these lists. Ms. Payne replied that she would correct this before the lists were posted online.

#### H ~ BOND PROGRAM PROJECT STATUS REPORTS

Ms. Mejia-Hooper reported on projects falling under the Facilities Team:

A general project status update on all projects being worked by the District:

#### I ~ CONSENT CALENDAR

The minutes of the meetings of January 8th, 2024 and February 12th, 2024 were up for approval.

Ms. Humes expressed her concern with an item on Page 47 of the agenda packet covering the minutes of the February 12<sup>th</sup> meeting. Her concern was the following text under Section M. ESTABLISH AD-HOC BOND PROJECT SITE VISIT COMMITTEE:

### CITIZENS' BOND OVERSIGHT COMMITTEE MINUTES OF 03.11.24 MEETING

"Ariel Xi self-nominated the position of committee chair. Brendan Daughton and Lin Johnson volunteered to join the committee". Ms Humes did not recall Ms. Johnson volunteering to serve and since she is not present at this meeting, Ms. Humes requested that the minutes be pulled until a clarification might be made.

Ms Dunning suggested that it would be better to adopt the questionable minutes and, if someone wanted to come back at a later date to edit the minutes, they could do so.

Mr. Gosney added that he would never approve minutes he knew to be wrong—or may be wrong. He also advised that he would never vote to approve minutes that are ACTION MINUTES where a reader at a later date would have a minimal opportunity to learn what actually happened at a meeting other than just that reports were given and votes taken. He stated that both sets of these minutes were ACTION MINUTES so he could not vote to approve them stating that a reader should be able to review a set of minutes and have a reasonable expectation to understand what happened at that meeting.

Ms Payne pointed out that the videos of the meetings are online and suggested that the online link to the video recording be included in the minutes.

There was a heated discussion with Parliamentarian Dunning expressing her concerns about including publicly stated names in the minutes and advised against the minutes being anything more than the Brown Act required ACTION MINUTES.

Jia Ma made a **MOTION** to accept the minutes of January 8<sup>th</sup>. The motion was seconded by Ms Humes.

Parliamentarian Dunning took exception to Interim Secretary Mr. Gosney calling off the roll call randomly as opposed to alphabetically.

### CITIZENS' BOND OVERSIGHT COMMITTEE MINUTES OF 03.11.24 MEETING

The roll call vote had Ms Humes and Ms Ma voting YES and Mr. Gosney voting NO (with Chair Havenar-Daughton not being allowed to vote). **MOTION PASSED.** 

Ms Humes made a **MOTION** to postpone until the meeting of April 18<sup>th</sup> the minutes of the February 12<sup>th</sup> meeting. Mr. Gosney seconded the motion.

Without objection, THE APPROVAL OF THE MINUTES WERE POSTPONED UNTIL THE MEETING OF APRIL 18<sup>TH</sup>.

# J ~ AGREEMENT ON SCHEDULING SPECIAL MEETINGS IN MONTHS WHERE SCHOOL BOARD/CBOC MEETINGS ARE SCHEDULED

Ms. Humes argued that a second meeting in a month was not necessary but could be scheduled as a special meeting.

Mr. Gosney argued that too much might happen between meetings and the public deserves to be kept informed in a timely manner.

Mr. Gosney made a **MOTION** to make the April 8<sup>th</sup> meeting a regularly scheduled CBOC meeting. Ms Ma seconded the motion.

With no objections, the **MOTION WAS APPROVED**.

After Ms Payne pointed out that the Board had already designated April 8<sup>th</sup> as the date for the Joint Meeting and Mr. Gosney pointed out that the CBOC and the public were not made aware of that, the previously passed date for the regularly scheduled CBOC meeting would be problematic. Ms. Humes also expressed her confusion with the motion.

Ms Humes made a **MOTION** to amend the previously passed motion to have a regularly scheduled CBOC meeting on Monday April 18<sup>th</sup>. Mr. Gosney seconded the motion.

Hearing no objections, the MOTION WAS APPROVED.

Citing the possibility of as many as 5 new members prior to the September Joint Meeting and pointing out that a decision does not have to be made this

### CITIZENS' BOND OVERSIGHT COMMITTEE MINUTES OF 03.11.24 MEETING

early, Mr. Gosney made a **MOTION** that the decision about a September CBOC meeting be postponed until the July CBOC meeting. Ms Humes seconded the motion.

With no objection, the **MOTION WAS APPROVED**.

Ms. Ma requested that the meeting date for the May CBOC meeting be rescheduled from the second to the third Monday. Chair Havenar-Daughton replied that he would add this request to the agenda for the April 18th meeting. Mr. Gosney requested that the issue of amending the regular schedule to the third Monday be investigated and discussed.

### K ~ INCLUSION OF THE PLEDGE OF ALLEGIANCE FOLLOWING CBOC CALL TO ORDER

Chair Havenar-Daughton solicitied a motion to include the recitation of the Pledge of Allegiance on the CBOC agendas.

Ms Hume made a **MOTION** to include the Pledge of Allegiance on the CBOC agendas. The motion **DIED FOR LACK OF A SECOND**.

#### L ~ OFFERING TRANSLATION SERVICES

Replying to concerns expressed about providing translation services for the CBOC meetings, Chair Havenar-Daughton solicited a motion to provide such services.

There were questions about whether the subject can be discussed but Parliamentarian Dunning explained that, without an actual motion, no discussion would be allowed.

Absent a motion, the item was closed.

#### M ~ ADOPTION OF "CBOC GROUND RULES AND NORMS"

Without discussion or a vote, the CBOC Ground Rules and Norms were adopted:

### CITIZENS' BOND OVERSIGHT COMMITTEE MINUTES OF 03.11.24 MEETING

#### CBOC GROUND RULES AND NORMS

NORMS OF BEHAVIOR (excerpted from past CBOC agenda authored by former Chair Don Gosney)

Every team has two components that team members must keep in mind if the team is going to succeed.

- The team must pay attention to the Committee's purpose.
- The team must also carefully shape and monitor the team process it uses to accomplish its purpose.

Team process includes:

- How team members interact with and communicate with each other
- How team members will be responsible and accountable for accomplishing the CBOC's purpose

These team norms or ground rules are established with all members of the team participating equally:

- Recognize cross-disciplinary interaction requires patience and openness to diverse perspectives
- All views are important
- Participation needs to be equitable and balanced
- Expect, respect, and accept disagreements
- Reducing defensiveness is the responsibility of all
- Be tough on issues not on each other
- Place cell phones on silent
- Read agenda packet before the meeting

### N ~ JOINT BOARD OF EDUCATION/CBOC MEETING AGENDA ITEMS BRAINSTORM

Chair Havenar-Daughton solicited a motion to create a list of items to bring into the negotiations for the Joint Meeting agenda.

Ms Humes made a **MOTION** to create a list of items to bring to the agenda setting negotiations. Ms Ma seconded the motion.

### CITIZENS' BOND OVERSIGHT COMMITTEE MINUTES OF 03.11.24 MEETING

Without a vote to approve the motion, Chair Havenar-Daughton proceeded to hear suggestions for the list:

- A discussion of the recommendations included in the 2016 Forensic Accounting Investigation (FAI)
- A discussion of the status of the Implementation Task Force created to deal with the recommendations included in the FAI and possible Prop 39 violations
- The seven items included in the FAI recommendations that were deemed secret due to attorney/client privilege.
- A discussion of the Bond Program financial and performance audits and the timelines for getting them to the CBOC
- Discuss getting the draft audits in the hands of the CBOC with sufficient time to review and comment on them

#### O ~ SITE VISIT COMMITTEE SITE VISIT SCHEDULE ADOPTION AND REPORT

Chair Havenar-Daughton solicited a motion to accept the proposed dates for site visits.

Ms. Humes made a **MOTION** to accept the proposed dates for site visits. The **MOTION DIED FOR LACK OF A SECOND.** 

#### P ~ MEMBER SELECTION COMMITTEE REPORT

Chair Havenar-Daughton reported that he had reached out to the school Principals in schools where the District has Bond projects. Chair Havenar-Daughton listed the names of many Principals even though many of them were in charge of schools where the Bond Program was not being used.

Chair Havenar-Daughton also reported on the printed selection process that he had included in the March 11th agenda packet.

Mr. Gosney asked about reaching out to the 25 City Council members, the two County Supervisors, the Richmond Neighborhood Coordinating Council, any of the active Richmond neighborhood councils anything that might reach the quarter of a million adults in West County, any of the

### CITIZENS' BOND OVERSIGHT COMMITTEE MINUTES OF 03.11.24 MEETING

chambers of commerce or the Council of Industry and any of the major business organizations to spread the word.

Mr. Gosney pointed to the list of questions asked of CBOC applicants but also pointed out that there were other questions asked of some applicants. He especially spoke about the question asked about the "equity lens" regarding the spending of Bond Funds on schools focused on less affluent students of color.

#### Q ~ BY-LAWS COMMITTEE REPORT

Chair Havenar-Daughton reported on his efforts to amend and update the CBOC By-Laws.

Ms Humes suggested that this be put on hold until the CBOC can receive By-Laws training.

Mr. Gosney recalled the history of the CBOC By-Laws and how they had been vastly changed but there is no record in the meeting minutes of these changes. He said that the current set of By-Laws comes across more as a Board Policy instead of a set of by-laws for the internal working of the CBOC. He suggested that the By-Laws need a total rewrite to ensure the CBOC's independence and autonomy and to allow the CBOC to do their work.

#### R ~ WEBSITE COMMITTEE REPORT

Website Committee Chair Lorraine Humes had nothing to report.

### S ~ NEXT STEPS ON THE IMPLEMENTATION OF THE FORENSIC ACCOUNTING INVESTIGATION RECOMMENDATIONS

Ms Humes pointed out that her concerns were brought up with the suggested Joint Meeting agenda topics discussed earlier.

#### T ~ NEW AND OLD BUSINESS

Ms. Humes requested that staff look into inviting a KNN representative to report to the CBOC about the District's bond sales (possibly including a KPI report). She also asked for an explanation of where the bond money goes after a bind is sold.

### CITIZENS' BOND OVERSIGHT COMMITTEE MINUTES OF 03.11.24 MEETING

Ms Humes also requested the attendance log be included in the agenda packet.

#### U ~ JOINT BOARD OF EDUCATION/CBOC MEETING

The next scheduled meeting is a joint meeting between the WCCUSD Board of Education and the CBOC. The meeting is scheduled for Monday April 8th, 2024 but the location and start time is to be determined and will be sent out to the CBOC and the public once it is determined.
