

# Budget Report

## Local Control Funding Formula

### WCCUSD Unified School District

Presented By:  
Sheri Gamba, Associate Superintendent

# Overview

- Local Control Funding Formula (LCFF)
- Local Control Accountability Plan (LCAP)
- Timelines
- Next Steps

# Before and After LCFF

## Before LCFF

- Revenue Limits
- State Categorical Programs with Temporary Flex
- K-3 Class Size Reduction, limited funding with unlimited class sizes
- Accountability and Performance Process is Separate from Funding

## After LCFF

- Funding differentiated by grade span
- Unduplicated pupil weights, supplemental and concentration
- K-3 Class Size Reduction, target 24:1
- Local Control Accountability Plans required

# Revenue Limit Method vs. LCFF Method

## Revenue Limit Method

- 39 Different Funding Sources and Separate Funding Restrictions

Vs.

## LCFF Method

- 3 Main Funding Sources with
- 8 State Priorities and New Restrictions

# LCFF Calculations

# LCFF

## Base Grant Entitlement Calculation

- 2013-14 target entitlement calculation
  - Grade span per-pupil grants, based on 2013-14 statewide average initial target per ADA, are increased annually for a COLA (when COLA is funded)

Factors	K-3	4-6	7-8	9-12
Base Grant per ADA	\$6,845	\$6,947	\$7,154	\$8,289
COLA @ 1.565%	\$107	\$109	\$112	\$130
Base grants – 2013-14	\$6,952	\$7,056	\$7,266	\$8,419

# LCFF – K-3 CSR and CTE Adjustments

- 2013-14 target entitlement calculation
  - K-3 CSR and 9-12 CTE adjustments are additions to the base grant
  - CTE is unrestricted; CSR requires progress toward maximum site average of 24 students enrolled in each class

Factors	K-3	4-6	7-8	9-12
Base grants – 2013-14	\$6,952	\$7,056	\$7,266	\$8,419
Adjustment percentage	10.4% CSR	-	-	2.6% CTE
Adjustment amount	\$723	-	-	\$219
Adjusted grant per ADA	\$7,675	\$7,056	\$7,266	\$8,638

# LCFF – Supplemental and Concentration Grants Per ADA

- 2013-14 target entitlement calculation
  - Supplemental and concentration grant increases are calculated based on an unduplicated count of the total enrollment percentage of English learners, free and reduced-price meal program eligible students, and foster youth.
- 2013-14 Estimates are that 67.5% of West Contra Costa Enrolled Pupils will count toward the Supplemental and Concentration Grant categories.

# Target Calculations: 2013-14

## West Contra Costa Unified

Factors	K-3	4-6	7-8	9-12
Base Grant	\$6,952	\$7,056	\$7,266	\$8,419
Supplemental Grant (avg. based on 67.5%)	\$1,041	\$1,041	\$1,041	\$1,041
Concentration grant (avg. for eligible students exceeding 55% of enrollment)	\$482	\$482	\$482	\$482
Grade Span Adds	\$723			\$219
Targeted Goal	\$9,198	\$8,579	\$8,789	\$10,161

These concepts are developed using SSC constructs, but have not been validated by State rulemaking.

# Funding Estimate: 2013-14

## West Contra Costa Unified

Factors	K-3	4-6	7-8	9-12
Base Grant *	\$5,851	\$5,938	\$6,115	\$7,086
Supplemental Grant *	\$122	\$122	\$122	\$122
Concentration grant *	\$53	\$53	\$53	\$53
Grade Span Adds	\$608			\$184
Estimated Per ADA	\$6,634	\$6,113	\$6,290	\$7,445

\*State will differentiate funding by grade level and the pupil counts within grade level, but that information is not yet available. Therefore, an estimate is provided based on SSC concepts.

# How far away is our target?

- The LCFF has an 8 year implementation plan
- The 2013-14 Funding Target is \$263 million
- The 2013-14 Estimated Funding \$190 million
  - **The Funding “Gap” is \$73 million**
- Each year the LCFF base grants are adjusted, but not necessarily funded. That will be a decision of the State Legislature based upon funds available.
- LCFF is tied to the annual unduplicated pupil counts, which will vary.

# The Big Question...

What portion of the LCFF that is funded constitutes Supplemental and Concentration?

- State has not issued specific funding stream information for each category
- WCCUSD 45 day revision assumed a proportional split for each category
- School Services of California (SSC) has worked with the Department of Finance
- SSC Workshop information indicates that the Supplemental and Concentration is a calculation of the amount funded toward the target gap each year

# Budget Review

	A	B	C
July 24, 2013	ADOPTED	BASE IS UNRESTRICTED	ALL LCFF IS UNRESTRICTED
	<u>2013-14</u>	<u>45 Day 2013-14</u>	<u>45 Day 2013-14</u>
Revenues	\$175,229	\$165,215	\$196,585
Expenses	180,949	180,347	202,145
Deficit Spending	(\$5,720)	(\$15,132)	(\$5,560)
Beginning Fund Balance	23,189	23,376	23,376
Special Reserve Transfer	3,800	10,700	5,560
Ending Fund Balance	21,268	18,944	23,376
Required Reserve	8,091	8,400	8,400
Balance	\$13,177	\$10,544	\$14,976
		INCLUDES USE OF SPECIAL RESERVE	

- During the 45 Day Revision Report we considered what results various funding models would provide.
- The SSC calculation assumes that \$4.8 million of the LCFF will be considered Supplemental and Concentration.
- The SSC calculation would be closest to our “LCFF is unrestricted” column C.
- The proportional model is column B
- **The State must provide the rules we HOPE it will be column C.**

# Future Funding Estimates

- There is a higher level of volatility and risk in this funding model
  - Student Demographic Changes
  - Legislative Support must continue over time
  - Economic Stability and Growth
- School Services is currently recommending a \$123 per ADA increase for 2014-15
  - \$1.8 million for our District

# Expense Planning

- The District is deficit spending by an estimated \$5.5 million as of July
- Conservative Salary and Benefit Increases are being addressed through bargaining
- We need at least \$2.4 million toward the K-3 Class Size Reduction initiative
- Because of low funding over several years, demand is higher than the increased funding

# High LCFF Districts Are Particularly Vulnerable

- Because of the variability in rates of increase, a district with a high number of students who qualify for supplementary funding will be especially vulnerable
  - But the district that has high supplemental and concentration grants will plan for much higher increases, and in a bad budget year has much further to fall

# Local Control Accountability Plan

**Board Goals and State  
Priorities Should align for the  
LCAP**

## State Priorities

1. Basic Services
2. Parent Involvement
3. Access to Broad Course of Study
4. Common Core
5. School Climate
6. Pupil Achievement
7. Pupil Engagement
8. Pupil Outcome

# LCFF and LCAP

## Processes Once State Board of Education Adopts Regulations

### Consultation with:

- Teachers
- Principals
- School personnel
- Pupils
- Bargaining Groups

19

### Present for review and comment to:

- Parent advisory committee
- English learner parent advisory committee
- *The superintendent must respond in writing to comments received*

### Opportunity for public input:

- Notice of the opportunity to submit written comment
- Public hearing
- *The superintendent must respond in writing to comments*

### Adoption of the plan:

- Adopted concurrent with the LEA's budget
- Submitted to COE for approval
- *Posted on district website*
- *COE posts LCAP for each district/school or a link to the LCAP*

# Next Steps

- November Strategic Plan Report Accepted
- December First Interim Budget Report

## 2014

- January Governor's January Budget
- January Internal Stakeholder Meetings
- January Community LCAP Meetings
- January Site Level Outreach
- January Parent and English Learner Committee Outreach
- February Board Study Session
- March Second Interim Budget Report
- March Adoption of LCAP Template by State Board of Education
- April Community/Stakeholder Review of LCAP
- May Governor's May Revised Budget
- May Public Hearing for LCAP
- June Adopt 2014-15 LCFF Budget and LCAP
