WHEREAS, the Board believes that in order to continue meeting the educational needs of all students living in the district it is necessary to extend for eight years beginning July 1, 2019 the period of time during which the District is authorized to collect said qualified special tax.

WEST CONTRA COSTA UNIFIED SCHOOL DISTRICT

Measure ___

[letter designation to be assigned by County Registrar of Voters]

To maintain quality education with local funding the State cannot take away, including:

- protecting core academics, reading, writing, math, and science,
- attracting and retaining quality teachers,
- supporting science lab materials and activities,
- providing lower class sizes for students, and
- preparing students for college and the workforce,

shall West Contra Costa Unified School District ("District") extend the existing school funding measure for 8 years, at the current 7.2 cents per square foot of building area, providing \$9.8 million dollars annually, exempting seniors and requiring independent citizen oversight?

The purpose of the qualified special tax is to improve the quality of education for all public school students who live in the District by supporting the following programs:

- protecting core academic programs – reading, writing, math and science,
- attracting and retaining qualified teachers,
- supporting science laboratories, materials and activities,
- providing lower class sizes for students,
- preparing students for college and the workforce,
- providing job training for students to prepare them for the workforce,
- supporting visual and performing arts,
- providing classroom computers and technology,
- improving safety on and around our campuses,
- supporting after-school programs to keep kids away from gangs and drugs.

A. Amount and Basis of Tax

This Measure shall authorize the District to annually levy a qualified special tax of 7.2 cents per square foot of total building area on each parcel of taxable real property within the District beginning July 1, 2019 for a period of eight (8) years. The District shall provide the Contra Costa County Treasurer-Tax Collector (“Treasurer-Tax Collector”) a report indicating the parcel number and amount of tax for each parcel of taxable real property. The number of square feet of total building area on improved real property shall be obtained from the Contra Costa County Tax Assessor. If that information is missing from the tax assessor’s records, the number of square feet of total building area shall be based upon the records of the building department for the applicable jurisdiction.

This qualified special tax is estimated to raise \$9.8 million in annual local funding. The amount of annual local funding raised by this qualified special tax may vary from year to year due to changes in the number of parcels exempt from the levy.

“Parcel of taxable real property” shall be defined as any unit of real property in the District that receives a separate tax bill for *ad valorem* property taxes from the Treasurer-Tax Collector. All property that is otherwise exempt from or on which are levied no *ad valorem* property taxes in any year shall also be exempt from the qualified special tax in such year. For purposes of this qualified special tax, any parcels which are (i) contiguous, (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership may, by annually submitting an application of the owners thereof by July 1 of any year to the District be treated as a single “parcel” for purposes of the levy of this education parcel tax.

If any portion of this section is deemed contrary to law, the Board declares and the voters by approving the Measure concur, that every other portion and part of this section has independent value, and the Board and voters would have adopted each other portion and part hereof regardless of every other portion or part hereof. If the definition of “parcel of taxable real property” is deemed contrary to law, “parcel of taxable real property” shall be defined as any real property in the District assigned an assessor’s parcel number.

This Measure shall not impact the continued levy of the qualified special tax adopted by District voters at the November 2012 election known as “Measure G.” The tax authorized by Measure G shall continue to be levied through June 30, 2019 regardless of the outcome of this Measure.

B. Exemptions

Pursuant to any procedures adopted by the District, an exemption from payment of the qualified special tax may be granted on any parcel owned by one or more persons:

- a) Sixty-five years of age or over who occupies said parcel as a principal residence (“Senior Citizen Exemption”);
- b) Receiving Supplemental Security Income for a disability, regardless of age, who occupies said parcel as a principal residence (“SSI Exemption”); or,

c) Receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services, who occupies said parcel as a principal residence (“SSDI Exemption”).

C. Claims / Exemption Procedures

With respect to all general property tax matters within its jurisdiction, the County Tax Assessor or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the tax, including the Senior Citizen Exemption, the SSI Exemption, SSDI Exemption, the application of the definition of “Parcel of taxable real property” to any parcel(s), the legality or validity of the special tax, or any other disputed matter specific to the application of the special tax, the decisions of the District shall be final and binding. The procedures described herein, and any additional procedures established by the Board shall be the exclusive claims procedure for claimants seeking an exemption, refund, reduction, or re-computation of the special tax. Whether any particular claim is to be resolved by the District or by the County shall be determined by the District, in coordination with the County as necessary.

D. Appropriations Limit

Pursuant to California Constitution Article XIII B and applicable laws, the appropriations limit for the District will be adjusted periodically by the aggregate sum collected by levy of this qualified special tax.

E. Accountability Provisions

The proceeds of the qualified special tax shall be applied only for the specific purposes identified above. The proceeds of the qualified special tax shall be deposited into an account, which shall be kept separate and apart from other accounts of the District. No later than December 31 of each year while the tax is in effect, commencing January 1, 2020, the chief fiscal officer of the District shall prepare and file with the District’s Board of Education (“Board”) a report detailing the amount of funds collected and expended during the prior fiscal year, and the status of any project or description of any programs authorized to be funded by this measure. The report may relate to the calendar year, fiscal year, or other appropriate annual period, as said officer shall determine, and may be incorporated into or filed with the annual budget, audit, or other appropriate routine report to the Board. Parcel tax proceeds shall also be subject to an annual independent financial audit which shall be made public, including oversight by the Citizens Oversight Committee for Parcel Taxes and posting on the District’s website.

F. Protection of Funding

Current law forbids any decrease in State or federal funding to the District resulting from the adoption of a qualified special tax. However, if any such funding is reduced or affected because of the adoption of this local funding measure, then the Board may reduce the amount of

the qualified special taxes levied as necessary in order to restore such State or federal funding and/or maximize the District's fiscal position for the benefit of the educational program. As a result, whether directly or indirectly, no funding from this measure may be taken away by the State or federal governments.

G. Severability

The Board of Education hereby declares, and the voters by approving this measure concur, that every section and part of this measure has independent value, and the Board of Education and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part of the measure or tax rate be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts of the measure or tax rate hereof shall remain in full force and effect to the fullest extent allowed by law.

EXHIBIT C

MEASURE T

WEST CONTRA COSTA UNIFIED SCHOOL DISTRICT

MEASURE WORDING

To maintain quality education with local funding the State cannot take, including: protecting core academics, reading, writing, math, and science, attracting and retaining quality teachers, supporting science lab materials and activities, providing lower class sizes, preparing students for college and the workforce, shall West Contra Costa Unified School District extend the existing school funding measure for 8 years, at the current 7.2 cents per square foot of building area, providing \$9.8 million annually, exempting seniors and requiring independent citizen oversight?

COUNTY COUNSEL'S IMPARTIAL ANALYSIS OF MEASURE T

The governing board of the West Contra Costa Unified School District has adopted a resolution proposing to extend its current parcel tax (a qualified special tax).

This ballot measure asks voters to decide whether an existing parcel tax should continue to be imposed on parcels of taxable real property within the District for eight years, beginning July 1, 2019. The proposed tax would expire June 30, 2027.

The tax would apply to each parcel of taxable real property in the District. If a parcel has a building on it, the tax would be 7.2 cents per square foot of total building area on the parcel. That means the annual tax on a parcel with a 1,500 square-foot building would be \$108. A parcel of taxable real property is any unit of real property in the District that receives a separate tax bill for property taxes from the Contra Costa County Treasurer-Tax Collector's Office. A parcel otherwise exempt from property taxes will also be exempt from the imposition of the parcel tax.

The ballot measure includes certain exemptions. Upon proper application to the District, the District may exempt any parcel from the parcel tax that is (1) owned and occupied as a principal residence by a person 65 years of age or older; (2) owned and occupied as a principal residence by a person receiving Supplemental Security Income for a disability; or (3) owned and occupied as a principal residence by a person receiving Social Security Disability Insurance benefits, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services.

The ballot measure states that the proceeds of the parcel tax will be used for "protecting core academics, reading, writing, math, and science, attracting and retaining quality teachers, supporting science lab materials and activities, providing lower class sizes, [and] preparing students for college and the workforce." Proceeds from the parcel tax may be used only for the specific purposes set forth in the ballot measure and according to constitutional and statutory provisions.

State law requires the District's chief fiscal officer to file an annual report with the District's Board of Education that states the amounts of funds received and expended in each year and the status of any projects required or authorized to be funded from the parcel tax proceeds. The proceeds from the parcel tax will be deposited into a District account that will be kept separate from other District accounts. Parcel tax funds will be the subject of an annual independent financial audit, which shall be made public.

- Two-thirds of those voting on the ballot measure must approve the measure for it to pass.

A "Yes" vote is a vote in favor of authorizing the parcel tax for a eight-year period of time.

A "No" vote is a vote against authorizing the parcel tax for a eight-year period of time.

ARGUMENT IN FAVOR OF MEASURE T

Maintain quality local education and give students the tools they need to succeed by voting YES on Measure T. This measure renews our local educational funding measure providing the tools our students need to succeed in college and today's workforce. Measure T ensures a basic level of funding for our schools that the state can't take away, allowing the school district to continue giving students a quality education from kindergarten to high school graduation. We cannot rely on the state government to fund local schools. Voting YES on Measure T will renew the existing funding needed to maintain core academic programs that prepare our students for success.

Vote YES on Measure T to:

- Fund core academic programs of reading, writing, math and science;
- Maintain manageable class sizes in the early grades to provide students with the individual attention they need;
- Support after-school programs that keep kids away from gangs and drugs;
- Keep programs that prepare students for college and train them for the workforce;
- Provide classroom computers, technology, and science lab materials; and
- Attract and retain quality teachers.

Measure T guarantees local educational funding for schools and students for the next 10 years. All funding will stay here in our community and can't be taken by the state for any reason. An independent citizens oversight committee will review all expenditures ensuring they are spent correctly. No funds raised from Measure T will be used for administrator salaries. Seniors and disabled are exempt from paying this tax.

Measure T does not increase your taxes – it continues the current local educational funding to maintain programs in local schools. Without Measure T, the district will be forced to make significant cuts to critical programs that our children need.

Vote YES on Measure T – protect our schools and help local students.

ARGUMENT AGAINST MEASURE T

The West Contra Costa Unified School District wants to tap your wallet – again. Property tax bills show multiple bonds from 1998 to 2012, and property owners will continue to pay these obligations for many years. In addition, a large share of our basic 1% county property taxes goes to WCCUSD.

Voters also approved a parcel tax in 2004, slated to expire in 5 years, which was extended twice by voters to 2019. WCCUSD wants, again, to renew the parcel tax while years still remain on the current tax. Measure T would extend expiration another 8 years to 2027.

But, has all this taxpayer money been well spent?

Currently, the School District is under investigation by two federal agencies, and its \$1.6 billion bond program is being audited for mismanagement, fraud and waste. This independent forensic audit was triggered by allegations of abuse disclosed to the public by a District employee "whistleblower." (Incidentally, a recent report by the Contra Costa Grand Jury stated that the District has been paying over three times more for construction costs than the state average.) The result of the initial phase of the forensic audit was appalling, showing that the allegations are likely plausible. The full report is due August 31.

Fortunately, some positive leadership changes have occurred. However, the whistleblower, who tried for years without success to bring problems to management's attention before going public, just received an unsatisfactory performance evaluation, a clear violation of state law protecting whistleblowers from retaliation.

Voters should wait for these investigations to reveal their findings, and demand that the District correct its shortcomings. It's much too soon to entrust the District with more of our money.

Vote NO on Measure T.

Contra Costa Taxpayers Association, Jack Weir, President

REBUTTAL TO THE ARGUMENT IN FAVOR MEASURE T

There is no question that the district is in fiscal chaos. Its scandalous bond program is under investigation by two federal agencies, and the county grand jury issued a scathing report of excessive bond project construction costs (over three times the state average). A full forensic audit of internal whistleblower allegations of bond program abuse is underway. \$1.6 billion in bonds is almost gone, but half of the district's schools remain untouched.

Members of the Contra Costa Taxpayers Association (CoCoTax) have worked diligently for years on the school bond oversight and parcel tax advisory committees, pushing for full public transparency and fiscal prudence. These efforts have been vigorously resisted by the former regime. It is also clear that a number of charter schools in the district have been able to deliver excellent cost-effective educational results, yet they are under constant attack by the entrenched "educrat" establishment.

CoCoTax fully supports the new district leadership, and their top goal of significantly improving educational outcomes. This hard-working community deserves no less. However, their hard-earned tax dollars must be managed by the district in a way that demonstrates the same ability to live within its means as those families and businesses practice every day.

It will take time to implement corrective procedures, and there will probably be some painful cuts required. However challenging, this process is necessary to restore community trust in district leadership and management.

Send a strong message; vote NO on Measure T.

Contra Costa Taxpayers Association, Jack Weir, President

REBUTTAL TO THE ARGUMENT AGAINST MEASURE T

Arguments against Measure T are purposefully meant to confuse. The measure does not raise taxes and Measure T does not have anything to do with school construction. The authors mix apples and oranges.

Revenues allow for vital programs for students like libraries, counselors, small class size and after school learning without asking for a single additional dollar from taxpayers. Loss of these funds would be devastating and the cuts would be planned as early as next year. By renewing now, we avoid uncertainty and secure these services for eight additional years.

As with past measures, Measure T will be audited annually and reviewed by an independent oversight committee. People on fixed incomes like seniors and those with disabilities can receive an exemption.

West Contra Costa has always generously supported its students. New district leadership recognizes that community commitment and the responsibility to use each dollar well.

To force large cuts now by losing Measure T's funds will harm the new superintendent's ability to raise student achievement. Our children cannot afford this set back.
