

Re-Imagining Stege: Board Study Session

Presented February 26, 2019

Outcomes for our time together

To share information about the current state of Stege Elementary School

To hear from the school board and public about concerns, thoughts, and ideas

To share initial thinking on short- and long-term changes for Stege

Why now?

- Declining enrollment
- Families choosing other district schools or charter schools
- Loss and turnover of staff, year to year changes
- Poor performance indicators
 - Academic
 - Social-emotional
- Facility decisions on the horizon
- Community energy for change

What are we asking?

Partnership:

We are asking the community to join us in partnership as we redesign the school over the next 18 months with a target for implementation of new programming by 2020-21.

Programming for 2019-2020 will have an emphasis on early literacy and the focus on hiring the founding staff for the design year.

Facility Discussion

- The Facilities Master Plan recommends that the District demolish the main building and house students in the portables until such time as the District passes a new bond measure to replace the school.
- The original wood windows are failing and several aspects of the building are beyond repair
- Funds available from the current bond measure for Stege are \$2.9M for total projects costs
- The proposed project is on hold until after programmatic discussions and reassessment of the scope of work

Current services and programming

- YMCA Afterschool program daily until 6pm
- BACR full time counselor
- Playworks Coordinator full time
- Eastbay Center for Performing Arts Music Enrichment program 2X weekly
- Apple 1:1 School
- Full time Vice Principal

Where are we going?

Stege Elementary will have a clear, articulated vision and plan for student academic success, student social emotional health and development, and a strong parent/community engagement plan. With the goal of revitalizing a strong neighborhood school and attracting the best teaching force in the district and county. **With a target date for 2020-2021.**

Ideas to consider and discussion

- A long term design process with a design team made of school staff and community
- Design a new school for the 20-21 school year and hire staff aligned to the new vision (STEM, Arts, etc.)
- Add a Full Service Community Schools Coordinator to support services at the school
- Align facilities money to the new vision for the school
- Consider possible changes for 19-20 school year

Additional Community Outreach

- Postcards to every address in the Stege attendance area
- Outreach to neighborhood associations, faith-based organizations
- Community survey
- StegeRedesign@wccusd.net

Trends from community feedback

Engage the school and local community for support, including faith-based organizations, alumni, retired people.

Emphasize hiring or re-staffing the school with board certified, experienced teachers that are committed to working with this community of learners and are willing to commit for 3 to 5 years at a minimum.

Provide incentives to teachers and staff (monetary) and focused professional development/training for all staff.

Trends from community feedback

Provide wraparound services for social emotional support of students and families.

Re-brand and build a strong school climate and culture of excellence.

Site administrator is visible, warm, welcoming and supportive to students, staff, and parents.
