

# Lovonya DeJean Middle School Community School Health & Wellness Services

## ▶ Who We Are

Established as a Full Service Community School in 2016, Lovonya DeJean Middle School provides a culturally responsive and restorative learning environment that does not tolerate racism or exclusion. The Community School Health and Wellness Services strive to coordinate support services for all students that create a powerful learning environment in order for students to be healthy and successful.

Total Number of Visits Per Student	2.1

## Lovonya DeJean Middle School Community School Health & Wellness Services

### ▶ Student Impact

The Young Men's Empowerment Collaborative (YMEC) aims to promote healing and justice among boys and young men of color who are disproportionately impacted by community violence by improving school climate, and identifying and connecting young male survivors of violence to effective support services. In 2016/17, young men of color are participating in evidence-based support groups shown to heal trauma and improve academic success.
