Music Instruction at Stege!

In November, our Stege music program began. Instruction will be provided to every classroom, weekly by the East Bay Center for Performing Arts. We are very proud to provide a quality music program for our students!

Attendance Matters

In all classrooms, each day of learning is important to the instructional program. When students are absent from school, they miss valuable learning experiences. Please make sure that your child is in school each day unless he/she is ill. Instruction starts promptly at 8:15 AM.

School Visitor Policy

When visiting Stege for any reason, even to drop off homework or lunch, all parents and visitors must first report to the main office and sign in. This is for the safety of our students and the campus. If you do not have a visitor sticker, you will be stopped and redirected to the office.

Happy Holidays!

I would like to extend my wish for a very happy holiday season to all Stege students and families! During this season of sharing and celebrating, I would like to thank you for the opportunity to share each day with your children.

During the season of giving, please consider literacy when making your gift selections.

Books are a great source of adventure and enjoyment. There are also an abundance of educational toys that help to enhance critical thinking skills and creativity.

We look forward to a renewed educational partnership in 2016!

HAPPY NEW YEAR!
