This year we're planning on delivering more interactive school assemblies, afterschool programs and activities. Our FUNdraising events benefit our children directly and we greatly appreciate the support we've received! We're always looking for new things to try out so if you have a specialty or an idea please don't hesitate to reach out! We'll be trying to keep office hours on Wednesdays but you can always connect with us on Facebook or via email. I look forward to meeting you and here's to a great start of the school year! *Go Lupine Hills Wolves ...Oooowooooo!*
