

## WCCUSD Fall 2020 School Sample Schedules

**EXPLANATION:** In an effort to bring more clarity to what the teaching/learning blocks could look like during Distance Learning, below is an attempt to clarify what it could look like for **students to be under the care and direction of the teacher for the duration of the teaching/learning blocks using a** combination of synchronous and asynchronous teaching/learning. This is a sample for illustrative purposes only. We have created student samples of what their day might look like as well as teacher samples. Schools will be creating their schedules soon and will be communicating them to families, students, and staff.
