The Governing Board recognizes that early marriage, pregnancy or parenting and related responsibilities may disrupt a student's education and increase the chance of a student dropping out of school. Married, expectant and parenting students shall have the same educational and extracurricular opportunities as all students. Participation in special programs or schools shall be voluntary.

RIGHTS AND OPTIONS AVAILABLE TO PREGNANT AND PARENTING PUPILS-EC 46015

A pregnant or parenting pupil is defined as any pupil who gives or expects to give birth, or any parenting pupil who identifies as the parent of an infant. Pregnant and parenting pupils are entitled to at least eight weeks of parental leave, which can be taken before birth of the pupil's infant if there is a medical necessity, or after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. The pupil is neither required to take time off nor notify his or her school that he or she is doing so; this is a guaranteed minimum right that can be expanded if deemed medically necessary. Parental leave will be considered an excused absence, and the pregnant or parenting pupil is not required to complete any academic work during this period.

A pregnant or parenting pupil may return to their previous school and course of study, and is entitled to make up opportunities for any work missed during the leave. These students are allowed to enroll in a fifth year of high school in order to complete any state or local graduation requirements, except when the school finds that the pupil is reasonably able to complete these requirements in time to graduate high school by the end of their fourth year.

A pregnant or parenting pupil who does not wish to reenroll in his or her previous school is entitled to alternative education options offered by the local education agency. If so enrolled, the pupil shall be given educational programs, activities, and courses equal to those he or she would have been in if participating in the regular program. Furthermore, a school may not penalize a student for using any of the accommodations mentioned above.

If a student believes that his or her school is discriminating on the basis of sex in opposition to the rights and entitlements listed above, that student can file a complaint through the standard Uniform Complaint Procedures of *California Code of Regulations*, Title 5 Sections 4600, et. seq.

FAQs: RIGHTS AND OPTIONS AVAILABLE TO PREGNANT/PARENTING PUPILS

Can my school treat me differently because of my pregnancy or parental status?

No, Title IX of the United States Code prohibits discrimination based on sex, which includes both pregnancy and parental status.

WEST CONTRA COSTA UNIFIED SCHOOL DISTRICT

Can my school prevent me from participating in any educational program or activity?

No, a school may not exclude or deny a pregnant or parenting pupil from any educational program or activity, including class or extracurricular activity, based solely on the pupil's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery. However, a school may require a pupil to obtain a doctor's note to ensure that they are emotionally and/or physically able to continue participation in the educational program.

Can my school force me to take part in a pregnant minor program?

No, a pregnant or parenting pupil does not have to participate in any alternative educational program because of pregnancy or parental status. A student may voluntarily take part in these programs if they choose.

Am I entitled to any parental leave in preparation or to take care of my newborn child?

Yes, any pregnant or parenting pupil is entitled to a minimum of eight weeks of parental leave, which may be increased under medical necessity. A pupil is not required to complete any class work during this period, and it must be counted as an excused absence by the school.

What if my child is sick?

Taking care of a sick child counts as an excused absence, and the school may not require you to provide a doctor's note for this kind of absence.

What happens when I return to school?

A pregnant or parenting pupil will return to their normal course of study. The pupil is entitled to opportunities to make up any missed work from parental leave. This includes being able to stay for a fifth year of school to complete graduation requirements. The pupil may also enroll in an alternative educational program provided it is equal to that of their former schoolwork.

Do these rights only apply to pregnant pupils?

No, these rights apply equally to all pregnant and parenting pupils, defined as any student who gives or expects to give birth, or any student who identifies as a parent of an infant. A pupil may file a uniform complaint if their school violates the rules above.

ENGLISH

Students fortify their understanding and use of Standard English and non-standard English.

Students expand their working vocabulary and language arts skills regardless of their level of English competency upon enrollment. English Language Learners, English Only Speakers, or Speakers of other languages focus on clarity of communication. Assignments include literature analysis, author message interpretation, reading, writing, listening, and speaking. **The interpretive and expressive components of language are integrated with other subjects of study.**

- Reading assessments: Students will read silently and aloud. Teacher will take note of fluency, fluidity, and number of words read per minute.

MATH

Students fortify their understanding of Math and Geometry concepts and increase accuracy of calculations. Although students come to APP with a prescribed math level, it is rare that the student is ready for Algebra or Geometry immediately upon arrival. Regardless of assigned course, each student takes a timed math assessment for calculating figures. Students also take a non-timed assessment to demonstrate understanding of math concepts within “word problems.” Teacher notes accuracy of computation and problem-solving techniques. Teacher will review math vocabulary with each student. This informal assessment guides the teacher in how to individualize lessons and maximize student learning. Assignments include workbooks, work packets, online resources, and activities. **Assignments integrate with English, Science, Art, or History.**

HISTORY

United States history and World history expose the components that make civilizations strong or weak. Students study the components that have made the US strong or weak at different times in history. Students study the components of different civilizations that have gone from strong to weak or weak to strong. Students apply the components to smaller civilizations to analyze the strength or weakness of each: California, Richmond, Greenwood, and their own family. Assignments include keeping track of new vocabulary, making flow charts and keeping budget ledgers. **Assignments integrate the knowledge, skills and concepts of Math, Government, English, or Social Science.**

GOVERNMENT

Students explore the three branches in the United States Government and the power and responsibility of each. Students follow current events to identify this year's office holders. Students read and discuss the advantages of dictatorship, monarchy, and other forms of government as they occurred in history across time. Students apply what they learn to our local government, politics, and decision-making criteria. **Assignments integrate the knowledge, skills, and concepts of Math, Government, English, or Social Science.**

Board Policy

Uniform Complaint Procedures

BP 1312.3

Community Relations

This policy and the corresponding administrative regulation contain rules and instructions about the filing, investigation, and resolution of a Uniform Complaint Procedures (UCP) complaint. UCP complaints include any complaint brought forth by a complainant alleging a failure by the West Contra Costa Unified School District to comply with federal or state laws or regulations governing educational programs, including allegations of unlawful discrimination (such as harassment, intimidation or bullying based on any of the protected classes stated herein) and non-compliance with laws relating to pupil fees and the District's Local Control and Accountability Plan (LCAP). A complainant, for purposes of this policy, is any individual, including a person's duly authorized representative or an interested third party, public agency, or organization who files a written complaint that is governed by this policy.

(cf. 5145.7 - Sexual Harassment)

(cf. 5145.3 - Nondiscrimination/Harassment/Intimidation/Bullying)

(cf. 5131.2 - Bullying)

The Board encourages early resolution of complaints whenever possible. To resolve complaints that cannot be resolved through an informal process, the Board adopts the uniform system of complaint processes specified in 5 CCR sections 4600-4670 and described herein.

The District shall establish an office entitled District Ombudsperson, who will report to the Superintendent, for the purpose of fair, objective and timely responses to complaints. The District shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by and to the extent permitted by law. For any complaint alleging unlawful discrimination or retaliation (such as discriminatory harassment, intimidation, or bullying), the Superintendent or District Ombudsperson or designee shall keep the identity of the complainant confidential when appropriate and as long as the integrity of the complaint process is maintained.

Complaints Subject to the UCP

The District's UCP shall be used to investigate and resolve the following complaints brought forth by any complainant, which include all complaints related to the matters addressed in Education Code section 33315(a)(1) and as indicated below:

1. Any complaint alleging District violation of state or federal law or regulations governing the following programs and activities that are implemented by the District, including: adult education programs; career technical and technical education training programs; child care and development programs; migrant child education; juvenile court schools; school safety plans; deficiencies related to state preschool health and safety issues for a California state preschool program; and any other District-implemented consolidated categorical aid program which are listed in Education Code section 64000(a), including: programs for tobacco use prevention;

bilingual education programs; compensatory education programs; California peer assistance and review programs for teachers; school safety and violence prevention programs.

2. Any complaint, filed by a student or a student's duly authorized representative, alleging the occurrence of unlawful discrimination against any student, employee or other person participating in District programs and activities, including, but not limited to, those programs and activities funded directly by or that receive benefit from any state financial assistance.

Unlawful discrimination includes, but is not limited to, discriminatory harassment, intimidation, or bullying based on the person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, immigration status, ethnic group identification, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code sections 200 or 220, Government Code section 11135, or Penal Code section 422.55, or based on the person's association with a person or group with one or more of these actual or perceived characteristics.

Complaints and allegations that, if true, would meet the definition of "sexual harassment" under Title IX of the Education Amendments of 1972 (Title IX), must be addressed in a manner that complies with the applicable Title IX regulations, codified at 34 C.F.R. Part 106, and the UCP. To accomplish this, these complaints should be processed in accordance with AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.

3. Any complaint alleging District noncompliance with the requirement to provide reasonable accommodation to a lactating student on school campus to express breast milk, breastfeed an infant child, or address other breastfeeding-related needs of the student

4. Any complaint alleging District noncompliance with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities.

5. Any complaint alleging District noncompliance with legal requirements related to the implementation of the local control and accountability plan.

The LCAP is an important component of the Local Control Funding Formula (LCFF), the revised school finance system that overhauled how California funds its K-12 schools. Under the LCFF the District is required to prepare an LCAP, which describes how the District intends to meet annual goals for District pupils, with specific activities to address state and local priorities identified pursuant to Education Code section 52060(d).

6. Any complaint, by or on behalf of any student who is a foster youth, alleging District noncompliance with any legal requirement applicable to the student regarding placement decisions, the responsibilities of the District's educational liaison to the student, the award of credit for coursework satisfactorily completed in another school or District, school transfer, or the grant of an exemption from Board-imposed graduation requirements.

rhoney@wccusd.net

If the complaint includes allegations of sexual harassment, the Compliance Officer/Title IX Coordinator will determine whether the complaint should be processed under AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.

(cf. 5145.71 Title IX Sexual Harassment Complaint Procedures)

The Compliance Officer/Title IX Coordinator will coordinate efforts to address each complaint in a manner consistent with the procedures stated herein. ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated or otherwise processed.

The Superintendent, Compliance Officer/Title IX Coordinator, or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Supportive measures will be implemented on a case by case basis and shall be offered to both complainant and respondent, as appropriate. Any supportive measures adopted to address unlawful discrimination, sexual harassment or related retaliation shall be designed to preserve equal access to the District's educational program or activity without unreasonably burdening the other involved party. The supportive measures shall remain in place until the compliance officer determines that they are no longer necessary or until the District issues its Investigation Report, described below, whichever occurs first.

When the complainant/alleged victim of unlawful discrimination, sexual harassment or related retaliation, or bullying, requests confidentiality, the Compliance Officer/Title IX Coordinator, and/or designee shall inform the complainant/victim that the request may limit the District's ability to investigate the conduct or take other necessary action, and the District must assess whether it is possible for to honor the request for confidentiality, which still ensuring the safety of all students.

When a complaint alleging unlawful discrimination, sexual harassment or related retaliation, or bullying is filed anonymously, the Compliance Officer/Title IX Coordinator or designee may pursue an investigation or respond otherwise, as deemed appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

(cf. Bullying- BP 5131.2)

b. Complaints Alleging Noncompliance with Student Fees and the LCAP

A pupil fees complaint and/or an LCAP complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance. Any such complaint shall be filed no later than one year from the date the alleged violation occurred.

Informal Resolution

The Compliance Officer/Title IX Coordinator or designee may discuss with all the parties to a complaint the possibility of using informal resolution. However, informal resolution shall not be offered or used to resolve any complaint involving an allegation of sexual assault by a student against an employee or where there is a reasonable risk that a party would feel compelled to participate. If the parties voluntarily agree to informal resolution, the Compliance Officer/Title IX Coordinator or designee shall make all arrangements for this process. The Compliance Officer/Title IX Coordinator or designee shall ensure that the use of an informal process is consistent with state and federal laws and regulations.

Before initiating the informal resolution of a complaint alleging unlawful discrimination, sexual harassment or related retaliation, or bullying, the Compliance Officer/Title IX Coordinator or designee shall ensure that all parties agree to make any involved mediator a party to relevant confidential information. The Compliance Officer/Title IX Coordinator or designee shall also notify all parties of the right to end the informal process at any time prior to the conclusion of a District's investigation.

If the informal resolution process does not resolve the problem within the parameters of law, the Compliance Officer/Title IX Coordinator or designee shall proceed with an investigation of the complaint. The use of informal resolution shall extend the District's timelines for investigating and resolving the complaint should the Compliance Officer/Title IX Coordinator or designee determine an extension of time is necessary and reasonable. If informal resolution is unsuccessful, the District shall then continue with subsequent steps specified herein.

Investigation of Complaint

During the investigation each party and/or the party's representative shall be provided an opportunity to present to the Compliance Officer/Title IX Coordinator or designee any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the Compliance Officer/Title IX Coordinator or designee shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The Compliance Officer/Title IX Coordinator or designee shall individually interview all available witnesses with information pertinent to the complaint, as is deemed necessary and appropriate, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the Compliance Officer/Title IX Coordinator or designee shall inform both parties of the status of the investigation.

To investigate a complaint alleging unlawful discrimination, sexual harassment or related retaliation, or bullying, the Compliance Officer/Title IX Coordinator or designee shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations. Similarly, a respondent's refusal to provide the District with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. Refusal by the District to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

In accordance with BP 5131.2 - Bullying, if during the investigation it is determined that a complaint is about nondiscriminatory bullying, the Compliance Officer/Title IX Coordinator or designee shall inform the complainant and shall take all necessary actions to resolve the complaint. An Investigation Report, outlined below, will not be issued.

Investigation Report

A UCP complaint will be investigated and an Investigation Report will be issued to the complainant and respondent within 60 calendar days from the date of the receipt of the complaint, unless the complainant agrees in writing to an extension of time.

Information about the relevant part of the Investigation Report may also be communicated to other parties who may be involved in implementing the Investigation Report or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination, sexual harassment or related retaliation, notice of the District's Investigation Report to the victim shall include information about any sanction to be imposed upon the respondent that relates directly to the victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the Investigation Report shall also be translated into that language. In all other instances, the District shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

The Investigation Report shall be based on the evidence and will contain the following elements:

1. The findings of fact based on the evidence gathered, which may take into account: witness statements; the relative credibility of individuals involved; how the complaining individual reacted to the incident; any documentary or other evidence relating to the alleged conduct; past instances of similar conduct by alleged offenders; and past false allegations made by the complainant.
2. The conclusion(s) providing a clear determination as to each allegation as to whether the District is in compliance with relevant law.

For complaints of unlawful discrimination, sexual harassment or related retaliation, the Investigation Report shall include a determination for each allegation as to whether unlawful discrimination (including bullying based on a protected class), sexual harassment or related retaliation has occurred.

The determination of whether an unlawful hostile environment exists may involve consideration of: the manner in which the misconduct affected one or more students' education; the type, frequency, and duration of the misconduct; the relationship between the alleged victim(s) and offender(s); the number of persons engaged in the conduct and at whom the conduct was directed; the size of the school, location of the incidents, and context in which they occurred; and other incidents at the school involving different individuals.

3. Corrective action(s), if any are warranted, including any actions that have been taken or will be taken to address the allegation(s) in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code section 49013 and 5 CCR section 4600.

For complaints of unlawful discrimination (including bullying based on a protected class), sexual harassment or related retaliation, the Investigation Report may, as required by law, include: the corrective actions imposed on the respondent; individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this

information should not be shared with the respondent; and systemic measures the school has taken to eliminate a hostile environment and prevent recurrence.

4. Notice of the complainant's right to appeal the District's Investigation Report to the CDE within 30 calendar days of the date of the District's Investigation Report, except when UCP has been used to address a complaint not described in section 4610(b).

An appeal is a request made in writing to a level higher than the original reviewing level by an aggrieved party requesting reconsideration or a reinvestigation of the lower adjudicating body's decision.

5. Procedures to be followed for initiating an appeal to the CDE.

The Investigation Report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination, sexual harassment or related retaliation, based on state law, the Investigation Report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the District's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE.

2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law.

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the Compliance Officer/Title IX Coordinator or designee may adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or District environment may include, but are not limited to: actions to reinforce District policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving unlawful discrimination (including bullying based on a protected class), sexual harassment or related retaliation, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling;

2. Academic support;

3. Health services;
4. Assignment of an escort to allow the victim to move safely about campus;
5. Information regarding available resources and how to report similar incidents or retaliation;
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim;
7. Restorative justice;
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation; and/or
9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint.

For complaints involving unlawful discrimination (including bullying based on a protected class), sexual harassment or related retaliation, appropriate corrective actions that focus on a student respondent may include, but are not limited to, the following:

1. Transfer from a class or school, as permitted by law;
2. Parent/guardian conference;
3. Education regarding the impact of the conduct on others;
4. Positive behavior support;
5. Referral to a student success team;
6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law; and/or
7. Disciplinary action, such as suspension or expulsion, as permitted by law.

When an employee is found to have committed unlawful discrimination (including bullying based on a protected class), sexual harassment or related retaliation, the District shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

For any complaint involving allegations of unlawful discrimination (including bullying based on a protected class), sexual harassment or related retaliation, regardless of whether the allegations are substantiated, the District may also consider training and other interventions for the larger

school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the District does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

If the District finds merit in any other UCP complaint, the District shall provide an appropriate remedy to the affected pupils, parents and guardians, which in the case of pupil fees, also includes reasonable efforts by us to ensure full reimbursement to all affected pupils, parents and guardians subject to procedures established through regulations adopted by the state board.
