# Existing Campus

**What is one thing you like about the current building and would keep or recreate in the new? What's the best thing in the building?**

**What is something you would change immediately if you could about the RHS building(s)? What's the worst thing in the building?**

**Richmond Oilers**

# Richmond High School Mission and Vision

**Mission:** Students, families, and school staff work in partnership to help students reach their potential.

**Vision:** Prepare all RHS students to think critically, collaborate respectfully, and become informed advocates in preparation for college and career by following the School Learning Outcomes.

**Schoolwide Outcomes and Uplifting Learning (SOULs)**

## **Think Critically**

# Richmond High School Mission and Vision

1. How can we apply these vision and goals into a physical space?

2. When the new RHS opens what should the headline in the local newspaper be? What are four words you would use to describe the new Richmond HS?

# Arriving at a Reimagined Richmond High School

1. What is the best place for the entry to the campus? Is it different for teachers vs. students vs. visitors? Is there a morning routine for students that should be captured at the main entry?
2. Admin Location? It's currently by the school entry – is that the right place for it in a new building?
3. How do the “front door”, site location, and security of the new RHS affect the surrounding community?
4. What should the relationship be with the community? Does it change depending on the time of day?

**Richmond Oilers**

# Unpacking Safety at a Reimagined Richmond High School

1. How do we create a space where students feel safe while providing a secure environment for students and teachers? Passive vs. active security on campus?
2. Glazing into classrooms? When do teachers and students need to be seen vs. not be seen?
3. What type of spaces should there be for students to hang out? How can these be observed but still used by students?

**Richmond Oilers**

# Sustainability at a Reimagined Richmond High School

1. How can the new RHS building contribute positively to the environment?
2. How can the building be a teaching tool around sustainability for students?
3. What are the sustainability goals for the new RHS? (i.e ZNE, waste free, etc.)

**Richmond Oilers**

# Spaces at a Reimagined Richmond High School

Activity!

**Richmond Oilers**

# Shared Spaces at a Reimagined Richmond High School

1. What are some outdoor spaces that might be added to the new RHS? Should there be programmed spaces or more “hang out spaces”?
2. Should there be Outdoor space dedicated for lunch/eating? What other outdoor spaces?
3. Cafeteria location? Can the cafeteria be used for other functions outside of breakfast and lunch time? After or before school? Does this change where it should be located?
4. Library. What does the library at the new RHS include? Are there more or less books? Should text books be stored elsewhere? Is computer access/space needed at the library?

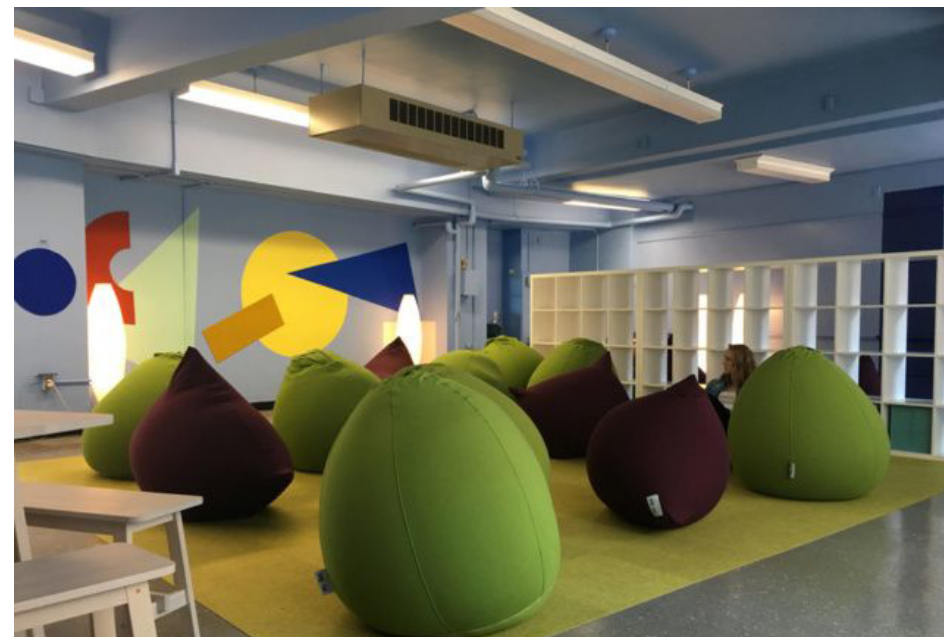

**Richmond Oilers**

# Student Success at a Reimagined Richmond High School

1. What would academic support spaces look like? Is there something in the spaces that would attract students?
2. What Health and Wellness spaces should be provided? What would be important qualities in H&W spaces?
3. What spaces can be grouped with academic and mental health support spaces in order to help reduce stigma?
4. What spaces would help faculty support student success?

**Richmond Oilers**

## **Athletics** at a Reimagined Richmond High School

1. The fields and field house will remain at their current location? Should new athletic facilities be located nearby?
2. What about the auxiliary gym? Should a new gym be nearby it?
3. What spaces should be in a new Main Gym building besides a gymnasium and locker rooms?
