To the Parents/Guardians

We continue our partnership with Lifetouch School Portraits to produce our student ID's while providing you the opportunity to purchase school picture packets. The picture you take for your photo ID will be the yearbook picture, so make sure you dress appropriately. School dress code will be checked prior to each individual taking their photo. To order picture packets, please copy and paste or type in the URL address show below in your web browser.

**COVID-19: Picture Day Protocol**

Due to Contra Costa County COVID -19 guidelines, we are expected to follow the guidance from the County Health Officer. All individuals that enter campus will be required to wear face covering and keep 6-8 feet away from each other. There should not be any gathering or group meetings anywhere on campus. Students will need to keep their mask on until they sit in front of the camera. The photographer will then request the mask to be taken off while the picture is taken. Once the picture is taken, the mask needs to be placed over the mouth and nose until the student is off campus. Students will exit campus immediately following their picture. Each camera station will be wiped down after each use.

**Picture Day Instructions:**

In accordance with county health guidelines and WCCUSD guidelines, we are limited to three students in the gym at the same time. Students will need to enter campus through the clock tower turnaround brown gates. There will be several checkpoints to keep students socially distanced. A staff member will verify each student's appointment at the brown gate. Once cleared, they will proceed up the stairs to the old quad entrance. Once space is available, they will proceed to the green gym doors. At that point they will receive their lifetouch photo card, take your photo and will be given your 20-21 photo ID.
