Kennedy High School
 From: Jarod Scott, Principal
 Date: August 27, 2021

Dear Kennedy School Community,

We would like to inform you that we have been notified about a confirmed case of COVID-19 (Coronavirus Disease 2019) in a member of the Kennedy student community. The individual who tested positive (the "case") was last on school premises on Wednesday, August 25, 2021. All school areas where the case spent time have been cleaned and disinfected.

We are working with Contra Costa Health Services to follow up with the case and will reach out to all persons who are identified as having had close contact with the case to recommend home quarantine and COVID-19 testing. If you are not contacted, it means that you were not identified as exposed to the case.

Please remember to use your face covering, stay at least 3-6 feet from other people, and wash your hands often with soap and water for at least 20 seconds.

Symptoms of COVID-19 may appear 2-14 days after exposure to the virus and include:

Shortness of breath or difficulty breathing	Fatigue
Muscle or body aches	Headache
New loss of taste or smell	Sore throat
Congestion or runny nose	Nausea or vomiting
