[Registration Form](#). [English Flyer](#)

Most programs will run June 15-July 16th  
Monday -Thursday  
9am-12:00pm

# SUMMER PROGRAMS 2021

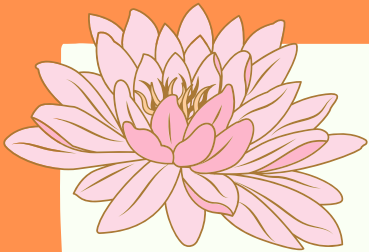

RICHMOND HIGH SCHOOL

## STEM INTERNSHIPS @KENNEDY FAB LAB

Students will use 3D printers, laser cutters, and CNC routers to design and create hands on materials at the Kennedy Fab lab. Working with the teacher, they will connect these experiences to big science ideas. Students can earn science credits.

for more information or to sign up email: [james.kealey@wccusd.net](mailto:james.kealey@wccusd.net)

## NEWCOMER ENRICHMENT

The Newcomer Enrichment Program is especially designed to support students who have been in the country less than 3 years. Students will take 2-3 classes where they will practice their language skills. Classes will include ELA, tech, and math. We also bring in folks from the community for hands on experiences

for more information or to register please email: [rreyes@wccusd.net](mailto:rreyes@wccusd.net)

## SUMMER BRIDGE FOR INCOMING 9TH GRADERS

Summer Bridge supports the transition from middle school to high school. Students take 4 classes focused heavily on reading, writing, and discussion skills. One class is in partnership with CIR and reviews how to be successful in high school.

for more information or to register please email: [rreyes@wccusd.net](mailto:rreyes@wccusd.net)
