Middle College High School Students & Families,

Congratulations on completing Quarter 1. I am so proud of all of you for enduring the challenges of distance learning and persevering in the midst of COVID-19, technical issues and all that is happening around us. You can view Q1 letter grades on PowerSchool. As we transition into quarter 2, please continue to manage your time wisely. Be on top of your work and communicate with your teachers, instructors and counselor.

For your college courses, please remember that we are unable to check your progress. We are trusting that you are being responsible students. Check your InSite Portal, emails and Canvas daily and submit your assignments on time. Your college grades will be reflected on semester 1 report cards.

ANNOUNCEMENTS:

LUNCH APPS: I am so excited to announce that MCHS is currently at 99% completion rate. Thank you all so much for completing the online application. Our site and district are extremely grateful for your cooperation.

PSAT/SAT: We have received several questions about PSAT/SAT. Due to COVID-19, College Board has cancelled all site-based administration of the exams. This will not negatively impact your future college eligibility.

SENIORS: It's college application season! Start early and make an appt. with Ms. Martinez. You can do this!

CHOICE SHEETS: Spring 2021 choice sheets will be available in November. Please be patient and wait for Ms. Martinez to schedule grade level presentations. She will walk you through the process.

SENIOR PORTRAITS: Prestige will be on campus Nov. 17th & Nov. 18th for senior photos. More information to come. (9th-11th grade photos will take place in January)
