"TODAY'S SCHOLARS, TOMORROW'S LEADERS"

Principal's Message:

Ms. Prak

MCHS Families,

The first month of the 2019-2020 school year has been a success. We had so much fun getting reacquainted with all of our students while welcoming our incoming 9th graders. All of our scholars are now attending their regular schedule for this fall semester. Please be mindful that schedule changes are normal during the first weeks of school due to changes in CCC classes.

As always, we are blessed to have a faculty and staff at MCHS that is dedicated to working hard to meet the individual needs of our students while keeping their families informed and connected. If you need to connect with any of our teachers, you can find their contact information on our website: www.wccusd.net/middlecollege along with many other resources. We also encourage you to attend our upcoming "Back to School Night" that will be held on September 12th from 6pm-8pm in GE-225.

Also, as Principal of MCHS, I am committed to ensuring that student needs are met. We will continue to assist your student in their commitment to maintain positivity and become a contributing member of our school community by providing your

*** RESPECTABILITY – RESPONSIBILITY – ACCOUNTABILITY – INTEGRITY ***

student with the best opportunities to grow academically, individually and socially. For this to be successful, it's important that we all work together to make this school year an unforgettable one for our students.

REMINDERS:

- Attendance is critical (if you are absent, call/email Ms. Moore within 5 days to excuse them)
- Review the student planner with your student (policies/procedures)
- Maintain a 2.8 GPA or higher

UPCOMING EVENTS:

- Reading Inventory 9TH-10TH Graders
- September 12TH: "Back to School Night" in GE-225; 6PM-8PM
- September 2nd & 27th: No School
- October 4th: Picture Day
