2016-17 WCCUSD LCAP Executive Summary

EXECUTIVE SUMMARY

In 2013, the California State Legislature changed more than 40 years of schools funding calculations known as the "Revenue Limit." The change resulted in what is now known as the Local Control Funding Formula (LCFF). The LCFF eliminated most "categorical" programs—restricted funds that could be used only for specific purposes. LCFF provides three types of funding: base, supplemental, and concentration. LCFF base funding is calculated by student attendance.

Supplemental & concentration funds are calculated based on the unduplicated number of students who are English learners, low income, and/or foster youth (every student is counted once for funding – even if he or she falls into more than one of these three categories). Districts with more than 55% unduplicated students receive supplemental and concentration funding to improve learning outcomes for these students, and have greater flexibility to allocate supplemental and concentration funds for districtwide programs and services. West Contra Costa Unified School District has 28,637 students, of which 75% are unduplicated.

The State Legislature developed the Local Control Accountability Plan (LCAP) for districts to show how LCFF supplemental and concentration funds will be allocated to improve student outcomes and performance for all students - especially English learners, low-income students, and foster youth. Districts with more than 55 percent of students in these three categories have greater flexibility to allocate supplemental and concentration funds for districtwide programs and services.

Similarly, schools with more than 40 percent of unduplicated English learner, low income students, and foster youth students have flexibility to fund schoolwide programs and services with money allocated from supplemental and concentration grants. One thing to note: many of the programs and instructional methodologies that have proven effective in improving outcomes for the targeted student groups have been demonstrated to benefit all students.

Districts can distribute supplemental and concentration funds through:

- **Districtwide Programs**: programs that benefit all, but have benefits that help close the achievement gap closing for English learner, low income and foster youth students.
- Schoolwide Programs: (a) services at schools with 100% eligible students or (b) programs that primarily benefit English learner, low income, and foster youth students.
- **Targeted Student Services**: one-to-one services which only benefit English learner, low income or foster youth students.

Districts must develop LCAP goals that cover eight state priorities; each goal must align to a priority. The eight state priorities are basic services, academic standards, parent involvement, student achievement, student engagement, school climate, course access, and other outcomes. These eight priorities fall under three categories: pupil outcomes, conditions of learning, and engagement.

West Contra Costa Unified School District's 2016-17 LCAP includes five goals:

- 1. Improve student achievement for all students and accelerate student learning increases for English learner and low income students. This goal aligns to the following state priorities: Student Achievement, Course Access, and Other Outcomes.
- 2. Improve instructional practice through professional development and professional learning communities at schools and recruiting and retaining high quality teachers and principals. This goal aligns to the state priority of Academic Standards.
- 3. Increase parent and community engagement, involvement, and satisfaction. This goal aligns to the state priority of Parent Involvement.
- Improve student engagement and climate outcomes, and allocate services to English Learner (English learner) and Low Income (low income) students. This goal aligns to the state priorities of Student Engagement and School Climate.
- **5. Provide basic services to all students, including facilities, access to materials and technology.** This goal aligns to the state priority of Basic Services.

Each LCAP goal includes actions and services, budgeted expenditures, and measurable outcomes. Actions and services are programs or processes, such as expanding full-day kindergarten to all schools. Budgeted expenditures show the amount of money allocated to each action/service. Measurable outcomes are targets for improvement based on data, such as increasing the graduation rate.

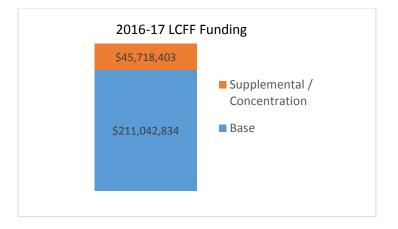

DEMOGRAPHICS AND LCFF FUNDING

During the 2015-16 school year, West Contra Costa Unified School District served 28,637 students from pre-kindergarten to twelfth grade. Seventy-five percent of these students were English language learners, low-income, and/or foster youth. The table below shows how these students are distributed across elementary, middle, high, and alternative schools.

	Low Income	English Learner	Foster Youth	Unduplicated	Total Enrollment
Elementary	11,534	7,103	76	12,543	16,482
Middle	2,793	977	18	2,901	3,838
High	4,813	1,484	41	5,131	7,284
Alternative	647	200	18	712	1,033
District Total	19,787	9,764	153	21,287	28,637

Distribution of Low Income, English Learner, and Foster Youth by School Level

For the 2016-17 school year, WCCUSD will receive a base grant of \$211 million, plus \$45.7 million in supplemental and concentration grants. WCCUSD is scheduled to receive consistent increases in funding until 2020-21 when LCFF will be fully funded by the state. The table below shows LCFF Base, Supplemental, and Concentration funding for 2015-16 and 2016-17.

ENGAGEMENT AND STAKEHOLDER INPUT

The LCAP is completed with input from various stakeholders including parents and guardians, community members, students, local bargaining units, and educators. The <u>District Local Control Accountability Parent</u> (<u>DLCAP</u>) <u>Committee</u> plays an important role in stakeholder engagement. It was formed in 2014 to advise the Board of Education on the LCAP, and convenes parents/guardians of WCCUSD students from each high school family, students from each high school, bargaining units, district committees, and representatives from community organizations who are also parents or guardians of District students.

WCCUSD provided regular updates to the Board of Education, hosted five DLCAP committee meetings, six training sessions for various stakeholder groups, and five Town Hall meetings with 462 attendees: one conducted in Spanish; two for the general community; one for partner organizations and one for students. The District also conducted an anonymous online LCAP Survey in English and Spanish. All of these outreach efforts resulted in more than 1,300 suggestions for the 2016-17 LCAP.

The District has included tools in the LCAP to assist stakeholders:

- Major Revisions to the LCAP (Appendix A)
- School Service Matrix shows the LCAP services available at each school site (Appendix B).
- One-page budget summaries provide detail on programs and additional funding (Appendix C)
- Definitions and Acronyms defines terms used throughout the LCAP (Appendix D)

In the LCAP template, program numbers for Supplemental/Concentration spending has been included for each Action and Service in order to help stakeholders find LCAP expenditures in the District budget.

Changes to the LCAP based on stakeholder feedback are outlined in Section 1 of the LCAP. In addition, changes made to the LCAP based on formal recommendations are highlighted throughout Section 2 of the LCAP template: DLCAP Committee recommendations in blue, MDAC orange, and Youth Commission green.

The District also developed a variety of additional resources available at www.wccusd.net/lcap and in the District office to help stakeholders understand the LCAP and the process: Data Dashboard, District Infographics, Site Infographics, Interactive LCAP, and 8 Steps to Mastering the LCAP.

MAJOR CHANGES FOR 2016-2017

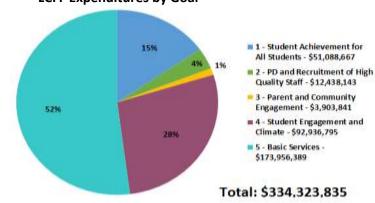

The 2016-17 LCAP reflects structural and programmatic changes which were made because of the changing guidance from state and county officials, as well as significant input from local stakeholders. Major changes are detailed in Appendix A, and include:

- LCFF base unrestricted (general fund) and restricted grant funding for each goal is included in this Executive Summary, and as additional line items in Section 2 of the LCAP template.
- Budget summaries for each program and service were developed and included as Appendix C.
- New or increased actions and services:
 - Practices for African American Student Support and Success for students, parents, and teachers (Goal 1, Action 15; Goal 2, Action 6; Goal 3, Action 3)
 - WCCUSD is contracting for Evaluations and Program Monitoring services to help authentically evaluate and progress monitor the LCAP actions and services for Goals 1 – 5. (Goal 5, Action 3)
 - Increase funding to foster youth. Provide trainings, and add a Social Work Specialist (Goal 4, Action 12)

Please view other major changes to the 2016-17 LCAP in Appendix A.

2016-2017 GOALS AND BUDGETED EXPENDITURES

Some \$334,323 ,835 from the general fund supports the five goals enumerated in the LCAP. *Goal 1: Student Achievement for All Students* is supported by 15 percent of the general fund. *Goal 2: Professional Development and Recruitment of High Quality Staff* is supported by 4 percent. *Goal 3: Parent and Community Engagement* is slated to receive 1 percent of the general fund. *Goal 4: Student Engagement and Climate* is supported by 28 percent. Finally, *Goal 5: Basic Services* is supported by 52 percent of the general fund. These figures are illustrated in Table 3: LCFF Expenditures by Goal. They are presented this

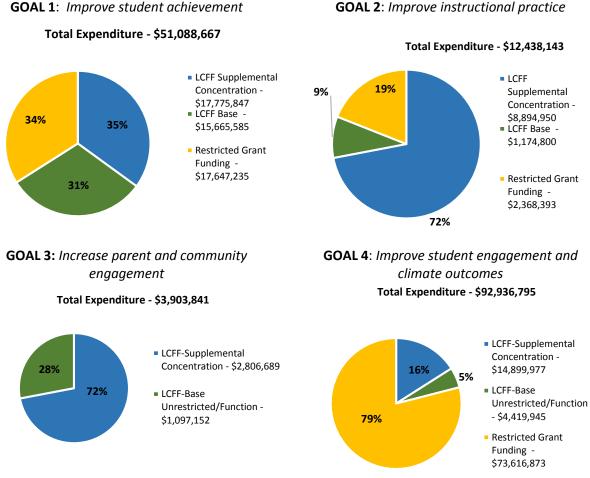

2016-17 WCCUSD LCAP Executive Summary

way in order to give stakeholders a more complete look at the resources available to support each goal and to better communicate the District's budget decisions.

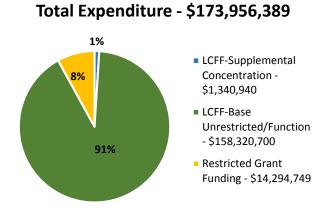

It is important to understand that budget adjustments will be necessary throughout the school year as activities are more fully planned and staff is hired. There are also a number of variables that will change the funding calculation for the Supplemental/Concentration funding that are not known until the school year is underway. For instance, the overall enrollment for each grade span level, the number of students qualified through free and reduced lunch or English Language Learner status as well as factors generated through legislation such as the percentage of progress made toward funding at the State level (known as the gap percentage).

The tables below show how each LCAP Goal is funded, including LCFF Supplemental/Concentration funding, LCFF base funding, and restricted funding.

GOAL 2: Improve instructional practice

GOAL 5: Provide basic services to all students

§ 15497.5. Local Control and Accountability Plan and Annual Update Template.

Approved 9/15/16 *Revised Annual Update Tables 10/31/16

Introduction:

LEA: West Contra Costa Unified Contact: Matthew Duffy, Superintendent of Schools, matthew.duffy@wccusd.net, 510-231-1103

LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans

(including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each school site, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?

- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
Details of Meeting Dates and Stakeholder group:	Over 30 district-wide and site-based meetings were organized to reach parents, students, community organizations, central office personnel, local bargaining units, and the community at large. Additional tools and materials were created, translated, and shared to better engage all stakeholders. LCAP progress updates were presented at Board meetings, management meetings, and DLCAP meetings to inform the community about progress toward our indicator goals and major activities completed. The stakeholder engagement process informed the development and refinement of the LCAP and served as an example of how the District includes and involves parents, community organizations, and the community at large in the decision-making process. The stakeholder engagement process was highly focused on informing stakeholders about the LCAP, reporting district and site-level strategies for LCAP funds, and collecting input and feedback. Updates to the 2016-17 LCAP Based on Stakeholder Feedback are available on pages 7-11 .
DLCAP Parent Committee Meetings • September 29, 2015 • January 26, 2016 • March 22, 2016 • April 26, 2016 • May 12, 2016	The District LCAP (DLCAP) Committee is ethnically diverse and includes representation from all six feeder families. The committee includes parents of English Learners, Special Education, Low Income, and foster youth. Committee members include representatives from 16 community organizations and 12 students. During the meetings, participants received LCAP progress updates, budget updates, and more in-depth training about the LCAP. Participants also drafted a stakeholder engagement plan. Results: The District received valuable feedback from the DLCAP committee to inform the development of the LCAP. Changes to the LCAP based on their feedback are included in the Updates to the 2016-17 LCAP Based on Stakeholder Feedback on page 7. Changes made to the template based on DLCAP Committee feedback are also highlighted throughout Section 2 in blue.
LCAP Trainings	DLCAP New Member Trainings

 DLCAP New Member Trainings January 7, 2016 February 25, 2016 DLCAP Student Training November 12, 2015 Youth Commission Training for LCAP Town Hall March 28, 2016 April 11, 2016 Management Team Training December 1, 2015 	 New members of the DLCAP committee received in-depth training on the LCAP from the Superintendent, along with district infographics described below under LCAP Tools and Materials. DLCAP Student Training Student representatives from the District LCAP Committee received in-depth LCAP training from the Superintendent. Students were divided into pairs to review one of five LCAP goals and propose suggestions on what they would prioritize. Pairs then took turns explaining how actions and services under each of the 5 LCAP goals aligned to the 8 State Priorities. Youth Commission Training for LCAP Town Hall Student leaders received two trainings on the LCAP to present LCAP goals to their peers at the Youth Commission Town Hall. Management Team Training Management team members received training on the LCAP including a presentation from the Superintendent, an overview of LCAP spending, and a review of infographics (described below in the LCAP Tools and Materials section).
Solutions Team Meetings August 20, 2015 September 17, 2015 October 15, 2015 December 10, 2016 January 21, 2016 March 17, 2016 April 14, 2016 May 17, 2016	The Solutions Team provides a forum for communication and collaboration and is comprised of representatives from bargaining units (Local 1, SSA, WCCAA, UTR), School Board, and the district. Solution Team members received LCAP updates, reviewed and provided feedback on LCAP documents, and provided feedback on the community engagement plan.
LCAP Community Town Hall Meetings March 9, 2016 March 12, 2016 March 15, 2016 (Partners)	Community Town Hall Meetings served as a way to inform, engage, and gather input and feedback from critical stakeholders: parents, students, teachers, principals, staff, community partners, and community organizations. The Superintendent provided an informative LCFF/LCAP presentation and then participants rotated through group presentations on each goal and the related actions and service and measurable outcomes. Groups collected comments/feedback and questions. All materials were provided in English and Spanish.

 April 18, 2016 (Youth Town Hall) April 20, 2016 (in Spanish w/English translation) 	Results : The District received valuable feedback from the Town Hall Meetings to inform the development of the LCAP. Changes to the LCAP based on their feedback are detailed in the Updates to the 2016-17 LCAP Based on Stakeholder Feedback on page 10.
Board of Education Presentations November 4, 2015 January 20, 2016 March 23, 2016 May 11, 2016	Staff provided LCAP overview and progress updates on measures and actions/services for each goal, as well as annual updates
Board of Education WorkshopJanuary 28, 2016	Board of Education members were given the context for the budget development process. The Associate Superintendent of Business Services provided examples of how to increase budget transparency for the LCAP.
 Youth Commission Meetings February 8, 2016 March 28, 2016 April 11, 2016 	Youth Commission members were charged with developing an LCAP student engagement plan and implementing at least one major event from the plan in April. During preparation meetings, Youth Commission members received training about the LCFF and the LCAP. They were also trained as group facilitators, which enabled them to lead groups during the Student Town Hall Meeting. Commission members gained leadership skills and developed a method to receive feedback from students representing each high school. Results: The District received valuable feedback from Youth Commission members to inform the development of the LCAP. Changes to the LCAP based on their feedback are included in the Updates to the 2016-17 LCAP Based on Stakeholder Feedback on page 9; changes to the LCAP based on Youth Commission feedback are also highlighted throughout Section 2 in green.
Multilingual District Advisory Committee (MDAC) Meetings January 28, 2016 March 31, 2016 April 28, 2016	The Multilingual District Advisory Committee 's purpose is to advise the district governing board on issues related to English learners (ELs). Every school with more than twenty English learners-has a representative that reports to MDAC where they review state mandated items, data on progress for English learners, and review and offer recommendations on the English Language Master Plan. Results: The District received valuable feedback from the MDAC to inform the development of the LCAP. Changes to the LCAP based on their feedback are included in the Updates to the 2016-17 LCAP Based on

	Stakeholder Feedback on page 8; changes to the LCAP based on MDAC feedback are also highlighted throughout Section 2 in orange.
 LCAP Tools and Materials LCAP Data Dashboard LCAP District Infographic (Spanish and English) LCAP Site Infographics (Spanish and English) Interactive LCAP (Spanish and English) 8 Steps to Mastering the LCAP (Spanish and English) LCAP website 	The following resources were created to increase access and understanding of the LCAP. All resources are located on the LCAP website: http://www.wccusd.net/lcap. LCAP Data Dashboard shows data snapshots of District progress towards the five LCAP goals. LCAP District Infographics offer an in-depth look at LCAP allocations at the district level. LCAP Site Infographics provide school information including student demographics, LCAP summary, allocation funding and supports, Full Service Community School (FSCS) support programs, and School Accountability Report Card (SARC) Highlights. Interactive LCAP is an online version of the LCAP that makes it easy for people to see supplemental/concentration funding information by school, explore actions & services, and view measurable outcomes. 8 Steps to Mastering the LCAP provides a roadmap for learning the LCAP. LCAP website offers easy access to LCAP information including all LCAP-related documents, DLCAP committee information, LCAP meetings, and additional resources.
LCAP Draft Reviews	The Board held its public hearing on the LCAP on June 15, 2016. It was properly posted via the District website, newsletter, and community organization emails. It was also publicized to multiple district committees and parent groups, shared at parent open house nights. Community members participated in the discussion. The LCAP was adopted on June 29, 2016. The Superintendent participated in the presentations, and responded in writing to questions and email comments as required. School site plans were reviewed for alignment with the LCAP. LCAP Draft #1 The first LCAP draft was released on April 22, 2016. The first draft was reviewed at the April 26 th DLCAP meeting. Staff reviewed the draft with attendees (including the DLCAP members and the public) and responded to questions. LCAP Draft #2

	The second LCAP draft was released on May 9, 2016. The second draft was reviewed at the May 12 th DLCAP meeting (which included DLCAP members, MDAC members, and public). Staff reviewed the draft with attendees, highlighted changes between drafts 1 and 2, and responded to questions.
	Public Hearing Draft
	The Public Hearing Draft was released on June 10, 2016.
Annual Update:	Annual Update:
The District met with various groups to discuss the 15-16 LCAP	Updates to the 2016-17 LCAP Based on Stakeholder Feedback
actions and services, the analysis of the data, and results of those actions. Updates made to the template based on these meetings are outlined in the column to the right.	The following recommendations from stakeholder groups had an important impact on the development of specific actions/services in the LCAP. Input was gathered from the District LCAP Parent Committee (DLCAP) Committee, the Multilingual District Advisory Committee (MDAC), the Youth Commission, and public feedback gathered through Town Halls, the LCAP Survey, and via email and telephone. Changes to the LCAP based on committee recommendations are highlighted throughout the template: blue for DLCAP, orange for MDAC, and green for Youth Commission.
	 District LCAP Parent Committee (DLCAP) Recommendations Addressed in 2016-17 LCAP: 1. Whole school intervention model – spread to other school(s) (Goal 1, Action 8) 2. Secondary Class Size Reduction- Staffing at middle and high schools (Goal 1, Action 11) 3. Grad Tutor Intervention Services (Goal 1, Action 13) 4. Provide additional calendar days for teacher PD (Goal 2, Action 1) 5. District Wide staff PD targeted training for classified staff (Goal 2, Action 2) 6. Site Funding to Implement Single Plan for Student Achievement toward LCAP goals (Goal 2, Action 3) 7. Increase Full time School Community Outreach Worker (Goal 3, Action 1) 8. Increase Coordination of Full Services Community Schools, Parent University, Parent Conference/Training, Volunteer Process (Goal 3, Action 2) 9. Develop Practices for African American Student Support and Success (Goal 1, Action 15, Goal 2, Action 6, and Goal 3, Action 3) 10. Increase Social Emotional support - Psychologists (Goal 4, Action 3)

 Increase Visual and Performing Arts (VAPA) for students; train teachers (Goal 4, Action 4) Special Education Program Involvement (Goal 4, Action 9) Develop and provide training on foster youth policy & practice to stakeholders (Goal 4, Action 12) Extend workday for elementary typist clerks & provide extra support for targeted secondary collection and entry (Goal 5, Action 1) Provide adaptive curriculum for special needs students, software for digital resources, teaching carts & technology curriculum (Goal 5, Action 2) Increase accountability, transparency (Goal 5, Action 3)
 In addition, based on DLCAP and public feedback in meetings, the following changes were made: Increase in data reported: Annual measurable outcomes were added to Goal 1 to provide more indepth data on District performance relating to SBAC, STAR Reading, and benchmark assessments in English and math. The Fab Lab was expanded to reach more schools with the mobile Fab Lab (1.06). In 2016-17, Action/Service 3.1 and 3.2 were developed from 2015-16, Action/Service 3.1 to better articulate how funding is spent between School Community Outreach Workers SCOWs and parent/volunteer initiatives. Based on DLCAP participant feedback, a Spanish Town Hall was hosted for Spanish-speaking parents. The town hall was presented in Spanish, and English translation was provided to non-Spanish speaking participants.
 Multilingual District Advisory Committee (MDAC) Recommendations Addressed in 2016-17 LCAP: 1. Actively publicize and promote the benefits of bilingualism to parents, staff, and community. (Goal 1, Action 9) 2. Provide more concentrated support and time to ELs at the elementary level (K-6) to prevent the creation of Long Term English Learners (LTELs) (Goal 1, Action 9) 3. Provide parent workshops specifically for parents of ELs about ELD and the reclassification process. (Goal 1, Action 9) 4. Establish a stronger bilingual Dual Language Immersion (DLI) program district-wide where parents are informed about their choices for bilingual education. (Goal 1, Action 9, Goal 1, Action 10) 5. The establishment of English Learner Task Force at each school to focus specifically on the educational needs of English learner students and Parent Engagement Leadership needs. (Repeated as a request for Goal 5) (Goal 1, Action 9, Goal 1, Action 10)

•	
	 Have our ELD coaches help parents and extended family members of newcomers on how to provide extra academic support at home. (Goal 1, Action 10) Increase the number of bilingual teachers. (Goal 2) Continue providing and expanding the Parent University model. (Goal 3, Action 2) Provide parent workshops specifically for parents of ELs about ELD and the reclassification process. (Goal 3, Action 2) Lock into combining best practices from the program Familias Unider Destrác del Aprendizaio
	10. Look into combining best practices from the program Familias Unidas Destrás del Aprendizaje (Families United by Learning) into our Parent University Program. (Goal 3, Action 2)
	Youth Commission Recommendations Addressed in 2016-17 LCAP:
	1. Classes Dedicated to Development of Life Skills - Financial Management, Skills-based, and Technical skill-building (Goal 1, Action 4)
	2. SAT/ACT College Testing Prep Classes and covering fees for test prep (Goal 1, Action 4)
	3. Science/Math/STEM based opportunities (Goal 1, Action 6)
	4. Dance/Zumba (Goal 4, Action 4)
	5. More After School Programs (Goal 4, Action 5)
	6. Provide non-academic opportunities (Goal 4, Action 5)
	7. Intramural Sports (Goal 4, Action 13)
	Town Hall Recommendations Addressed in 2016-17 LCAP:
	1. Add test preparation and tutoring for the SAT Suite of Assessments (Goal 1, Action 4)
	2. Hire more College & Career counselors and expand programs (Goal 1, Action 4)
	3. Expand full day kindergarten (Goal 1, Action 7)
	4. Continue SIG/QEIA funding in LCAP (Goal 1, Action 8)
	5. Revamp reclassification process (Goal 1, Action 9)
	6. Restore cultural and ethnic studies; increase bilingual classes (Goal 1, Action 9, Goal 1, Action 10)
	7. Improve services for English Language Learners including newcomers program (Goal 1, Action 10)
	8. Focus on class size reduction (Goal 1, Action 11)
	9. Increase number of grad tutors (Goal 1, Action 13)
	10. Provide better textbooks and materials to students and teachers (Goal 2)
	11. Decentralize funding to school sites (Goal 2, Action 3)
	12. Provide more professional development for full day kindergarten teachers (Goal 2, Action 10)
	13. Increase number of School Community Outreach Workers (Goal 3, Action 1)

14. Increase student engagement opportunities (Goal 4)
15. Increase Restorative Justice and community liaisons (Goal 4, Action 2)
16. Increase health and mental health services (Goal 4, Action 3)
17. Increase Visual and Performing Arts (VAPA) programs and funding (Goal 4, Action 4)
18. Increase funding for extracurricular clubs (Goal 4, Action 5)
19. Increase Playworks accountability and require the program to show outcomes (Goal 4, Action 6)
20. Increase technology coaches (Goal 4, Action 7)
21. Increase funding to special education (Goal 4, Action 9)
22. Provide details for large expenditures in LCAP line items (Applies to All Goals)
LCAP Survey Public Feedback Recommendations Addressed in 2016-17 LCAP:
1. Expand College and Career programs and include SAT preparation (Goal 1, Action 4)
2. Increase number of College and Career counselors (Goal 1, Action 4)
3. Expand Full Day Kindergarten to all schools (Goal 1, Action 7)
4. Increase services for English Language Learners (Goal 1, Action 9 and Goal 1, Action 10)
5. Promote bilingualism in schools / develop a dual immersion program (Goal 1, Action 10)
6. Revamp reclassification process and EL identification methods (Goal 1, Action 10)
7. Expand grad tutors (Goal 1, Action 13)
8. Hire better staff and teachers (Goal 2)
9. Hire more classified and certificated staff (Goal 2)
10. Expand professional development (PD) opportunities and make PD more meaningful (Goal 2)
11. Provide cultural sensitivity and awareness training to all teachers and staff (Goal 2, Action 1)
12. Decentralize funding to school sites (Goal 2, Action 3)
13. Increase School Community Outreach Workers and give them more training (Goal 3, Action 1)
14. Continue Parent University and offer more parent events (Goal 3, Action 2)
15. Expand Full Service Community Schools services (Goal 4)
16. Increase tutoring and after school programs (Goal 4)
17. Expand restorative justice programs (Goal 4, Action 1)
18. Review restorative justice programs more in-depth to see outcomes (Goal 4, Action 1)
19. Offer more data on why restorative justice programs are selected / continued (Goal 4, Action 1)
20. Increase psychological services across the district (Goal 4, Action 3)
21. Provide additional funding for art and music (Goal 4, Action 4)
22. Increase funding for extracurricular clubs (Goal 4, Action 5)

	 23. Expand Playworks (Goal 4, Action 6) 24. Hire computer teachers and more technology coaches (Goal 4, Action 7) 25. Provide additional resources to bilingual special education students (Goal 4, Action 9) 26. Increase special education funding and offer better training for teachers (Goal 4, Action 9 and Goal 5, Action 2) 27. Expand sports programs (Goal 4, Action 13) 28. Increase accountability, transparency, and cultural awareness (Applies to All Goals) 29. Explain terms & concepts in understandable ways; spell out acronyms (Applies to All Goals)
--	--

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal. Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a checkmark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the school sites to which the goal applies. LEAs may indicate "all" for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate "all" for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and at the school site level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the school sites covered. LEAs may indicate "all" for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a checkmark next to "ALL."

For each action and/or service to be provided above what is being provided for all pupils, place a checkmark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupil subgroup(s) as defined in Education 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?

3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?

4) What are the LEA's goal(s) to address any locally-identified priorities?

5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?

7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?

8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

9) What information was considered/reviewed for individual school sites?

10) What information was considered/reviewed for subgroups identified in Education Code section 52052?

11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?

12) How do these actions/services link to identified goals and expected measurable outcomes?

13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Please note: changes made to the template based on stakeholder feedback to the Board of Education are highlighted throughout this section:

- DLCAP Committee blue
- Youth Commission green
- MDAC orange

Supports 75% unduplicated students and 12% special education students. (5260)	LEA- wide		Use \$427,257 in supplemental and concentration funds for salaries, benefits, and services	

Complete a copy of this table for each of the LEA's goals. Duplicate and expand the fields as necessary. Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

If the District does not spend the entirety of the \$4.3 million of supplemental and concentration funds in the 2015-16 school year, the District will reflect that unspent portion in its annual update for the 2016-17 school year, and will allocate those remaining funds for one-time supplemental and concentration expenditures in the 2016-17 school year in addition to the District's 2016-17 supplemental and concentration spending otherwise calculated in accord with the relevant laws and regulations.

The one time 2015-16 carryover funds will be allocated using the priorities developed through the DLCAP committee process on May 12, 2016 and will be reported to the school board in September along with the District's unaudited actuals. The top three priorities identified by the DLCAP, MDAC, and public were: decentralize funds to schools based on the schools unduplicated count; additional training for certificated and classified staff; visual and performing arts equipment and supplies; and books and materials.

made as a result of reviewing past progress and/or changes to goals?	 Based on stakeholder feedback, the following Actions/Services were added to Goal 5: Evaluations and Program Monitoring. WCCUSD is contracting for services to help authentically evaluate and progress monitor the LCAP actions and services for Goals 1 – 5. 				
	The following Actions / Services had major changes:None				
	For more information on revisions to the 16-17 LCAP, please see pages 7-11 in section 1 of this template, as well as Appendix A: Major Revisions to Section 2.				

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or school wide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$45,718,403
As a district with an estimated unduplicated student count of <u>74.68%</u> , WCCUSD will, by necessity, wide programs and supports designed to accelerate student learning increases. Programs and set targeted to sites that have an unduplicated student count of 70% or higher. Making an impact on the school as a whole will have the most positive impact on students who are English learners, low proficient students, and foster youth.	rvices offered school wide are predominantly he learning environment and the climate of
The LCAP designates supplemental/concentration funds which include:	
1. \$17.8 million to improve student achievement for all students and accelerate student learn income students	ning increases for English learner and low
2. \$8.9 million to improve instructional practice through professional development and profes recruiting and retaining high quality teachers and principals	ssional learning communities at schools and
2 \$2.9 million to increase parent and community angagement involvement, and satisfaction	

- 3. \$2.8 million to increase parent and community engagement, involvement, and satisfaction
- 4. \$14.9 million to improve student engagement and climate outcomes, and allocate services to English learner and low income students
- 5. \$1.3 million to provide basic services to all students, including facilities, access to materials and technology

It should be noted that supplemental/concentration funding is not the sole source of funding for many of the programs and initiatives iterated in this document. The Executive Summary provides charts detailing the amount of funding supporting each goal from LCFF Supplemental/Concentration, LCFF Base Unrestricted/Function, and Restricted Grant Funding. In addition, Appendix C provides detailed descriptions of programs and funding for all five goals.

The use of these funds is the most effective use on a district wide and school wide basis based on District's analysis, experience and good educational practice. All expenditures are aligned with WCCUSD's LCAP goals and address the needs of the District's English learners, low income students and foster youth. These expenditures afford a significant opportunity to improve the educational outcomes of these students

and reduce the achievement/service gap by improving and/or increasing instructional programs and student support programs that ensure access to services and reduce and eliminate barriers to student success.

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

22.16 %

In order to identify the percentage by which services for unduplicated pupils must be increased or improved, pursuant to 5CCR 15496 (a), the district must first make the calculation of proportionality.

The seven step formula for the calculation is a part of the LCFF calculator provided by the State through FCMAT. These figures represent the data and factors available to the District as of the 2016 January Governor's Budget and Second Interim Report for the District and are subject to change.

Step 1: Determine total revenue from supplemental and concentration grants at Target LCFF funding -Target Supplemental and Concentration Grants for 2016-17 = \$52.5 million.

Step 2: Estimate prior year expenditures to support unduplicated pupils - Estimated expenditures 2015-16 = \$37.4 million (figures will not be final until year-end closing)

Step 3: Calculate the gap between prior year expenditures and Target Supplemental Concentration grant funding (Step 1 minus Step 2): \$52.5 million - \$37.4 million= \$15.1 million (gap).

Step 4: Calculate the increase in estimated Supplemental Concentration grant funding for 2016-17. Multiply the gap number in step 3 by the Dept. of Finance estimate of gap closure funding (estimated at 54.84%): \$15.1 X 54.84% = \$8.3 million.

Step 5: Calculate the total estimated Supplemental Concentration funding for 2016-17: Add the gap reduction number from step 4 to the past year expenditure number in step 2 -\$8.3 million+\$37.4 million = \$45.7 million.

Step 6: Calculate the Base funding for 2016-17: Estimate the amount attributable to the Base by subtracting the amount calculated in step 5 from the total amount of estimated LCFF funding for 2016-17: \$256.7 million – \$45.7 million = \$211 million (the \$211 million includes \$4.7 million in Transportation and TIIG grant funding).

Step 7: Calculate the minimum proportionality percentage. - Divide the estimated amount of Supplemental Concentration grant funds by the estimated Base grant funds, less the Transportation and TIIG grant for 2015-16. This calculation will result in the percentage by which services for students must be increased or improved (step 5 divided by step 6): \$45.7 million \div (\$211- \$4.7) million = 22.16 %.

The unduplicated student count in WCCUSD is estimated to be 74.68% in the 2016-17 school year. Programs and services that are district wide and school wide are offered predominantly at schools that have a percentage of unduplicated student count over 55%. In addition, schools with a percentage of unduplicated student count of over 70% were considered more prominently for programs and services. A portion of supplemental and concentration funds were allocated to all schools for school site level decision making based upon each school's percentage of students qualifying.

To meet the minimum proportionality percentage for growth and services for unduplicated students, the district has added the following actions and services (as detailed in Section 2 above, the following new services were added this year to increase and improve services to unduplicated students:

- Implementing Efficacy framework at Peres Elementary to help adults improve student performance by offering a practical, researchoriented approach focused on Mission, Mindset, and Method.
- Reading support and additional classroom teacher time to support Read 180 program. Read 180/System 44 is the secondary reading intervention program for the district. This program is a comprehensive, research-based intervention that uses a blended learning model.
- Implement Practices for African American Student Support and Success (PAASSS) African American Male Pipeline Project, African American Support Collaborative Student workshops, Efficacy training, Afterschool program for Richmond Steelers, Growth Mindset/Brainology, Rising Scholars, African American Honors Gala
- Puente Counseling Program supports English learner (EL) students to engage in leadership and cultural activities including college visits.
- Practices for African American Student Support and Success (Staff Efficacy training, Mindset Works training, and Growth Mindset Teacher Leader development and coaching).
- Practices for African American Student Support and Success (Parent Efficacy Trainer of Trainer Model, African American Parent Group, and African American Support Collaborative)

As detailed in Section 2 above, the following actions/services were expanded this year to increase and improve services to unduplicated students:

• STEM opportunities

- Full-day kindergarten
- Psychological services at highest need middle and high schools
- Secondary Class Size Reduction Staffing at middle and high schools to improve learning of targeted students at high need schools
- Whole School Intervention (expanded to one additional school)
- Site Funding to Implement Single Plan for Student Achievement (SPSA) toward LCAP goals
- Teacher and staff professional development
- School Community Outreach Workers for targeted schools
- Technology coaches
- English Language Learner master plan
- Social Work services
- Restorative Justice, BEST, Toolbox & Mindful Life and Selena Jackson Practices
- Visual and performing arts
- Physical education and athletics
- Services targeting special education students who are also low income, English learner, and/or foster youth.

NOTE: Authority cited: Sections 42238.07 and 52064, Education Code. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.5, 47606.5, 48926, 52052, 52060-52077, and 64001, Education Code; 20 U.S.C. Section 6312.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

- (a) "Chronic absenteeism rate" shall be calculated as follows:
 - (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 June 30).
 - (3) Divide (1) by (2).
- (b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.
- (c) "High school dropout rate" shall be calculated as follows:
 - (1) The number of cohort members who drop out by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

- (2) The total number of cohort members.
- (3) Divide (1) by (2).
- (d) "High school graduation rate" shall be calculated as follows:
 - (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (e) "Suspension rate" shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 June 30).
 - (3) Divide (1) by (2).
- (f) "Expulsion rate" shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 June 30).
 - (3) Divide (1) by (2).
- 8-22-14 [California Department of Education]

Actions/Services Added to the 2016-17 LCAP						
Goal & Action / Service	Action / Service	Budget Code				
1.01	Implementing Efficacy framework at Peres Elementary to help adults improve student performance by offering a practical, research-oriented approach focused on Mission, Mindset, and Method.	1262				
1.14	Reading support and additional classroom teacher time to support Read 180 program. Read 180/System 44 is the secondary reading intervention program for the district. This program is a comprehensive, research-based intervention that uses a blended learning model.	1261				
1.15	Implement Practices for African American Student Support and Success (PAASSS) - African American Male Pipeline Project, African American Support Collaborative Student workshops, Efficacy training, Afterschool program for Richmond Steelers, Growth Mindset/Brainology, Rising Scholars, African American Honors Gala	1180				
1.16	Puente Counseling Program supports English learner (EL) students to engage in leadership and cultural activities including college visits.	1125				
1.17	Support services for high performing students to support and accelerate their learning.	1130				
2.06	Practices for African American Student Support and Success (Staff Efficacy training, Mindset Workstraining, and Growth Mindset Teacher Leader development and coaching).	1160				
3.03	Practices for African American Student Support and Success (Parent Efficacy Trainer of Trainer Model, African American Parent Group, and African American Support Collaborative)	3180				
4.13	Improve student welfare and physical fitness. Augment school PE supplies for program improvement.	4231				
5.03	Evaluations and Program Monitoring. WCCUSD is contracting for services to help authentically evaluate and progress monitor the LCAP actions and services for Goals 1 – 5.	<u>5260</u>				

	Actions / Se	ervices wit	h Major Changes	
2015-16 Goal & Action / Service	2015-16 Action / Service	2016-17 Goal & Action / Service	2016-17 Action / Service	Budget Code
1.02	Library book, science & arts materials refresh & Renaissance Learning at K-8	1.03	Library book refresh & Renaissance Learning at K-8 (note: arts materials were moved to 4.04)	1150
1.04	Expand innovative STEM opportunity – Fab Lab (located at Kennedy High school)	1.06	Expand innovative STEM opportunities for K-12 Schools at regional STEM centers, Fab Lab, hybrid lab, and mobile Fab Lab	1160
1.07	Psychological services for highest needs schools (11 elementary, 4 middle, and 5 high in 2015-16)	4.10	Text remains same	4270
1.08	Continue to support and improve services for English Language Learner assessment, reclassification processes and materials	1.09	Continue to support and improve services for English Language Learner assessment, reclassification processes and materials. Registration, Assessment, & Placement (RAP) Center services	1270
1.10	Continue to provide out-of-school time services to highest need students	1.12	Continue to provide summer out-of-school time services to highest need students	1290
1.11	Add social work services at high need middle schools	4.11	Social work services (licensed social worker and mental health clinicians) at high need middle schools	4272
1.12	Develop and provide trainings on foster youth data policy and practice to stakeholders; provide ongoing consultation to school level staff on foster youth data	4.12	Foster Youth and Homeless Services (provide trainings and ongoing consultation to school level staff on foster youth issues as needed). Add Social Work Specialist to support foster and homeless youth	4271
2.01	Provide additional calendar days for teacher professional development, including standards-based instruction and classroom management strategies	2.01	Text remains same; PD increased to 4 days	2312
2.03	Decentralize funding to schools for implementation of school plans	2.03	Site Funding to Implement Single Plan for Student Achievement (SPSA) toward LCAP goals (RS 9670). Schools use funding to meet specific student needs based on data	RS 9670
4.03	Increase services for students and provide coordination to arts and high performing programs, as well as training for teachers	4.04	Increase Visual and Performing Arts (VAPA) services for students, as well as training for teachers. Augment program with culturally relevant practices, material, and training.	4230

4.05	Implement the English Language Learner master plan including professional development for parents and
	staff

1.10Implement the English Language Learner master plan including
professional development for parents and staff (includes
Newcomer centers at Helms and Richmond HS)4170

2015-16 Goal & Measurable Outcome	Measurable Outcomes <u>Removed</u> from the 2016-17 LCAP
1.a	CAHSEE Pass Rate in English will increase by 2%
1.b	CAHSEE Pass Rate in Math will increase by 2%

2016-17 Goal & Measurable Outcome	Measurable Outcomes <u>Added</u> to the 2016-17 LCAP
1.c	Increase SBAC ELA proficiency by 10%
1.d	Increase SBAC Math proficiency by 10%
1.o	By June 2017, 56% of 3rd grade students will have growth of 9 months or more on the STAR Readinggrade level equivalent assessment.
1.p	By June 2017, 48% of 3rd grade students will grow by 1 point or more in writing on the Writing Benchmark Assessment
1.q	In 2016-17, 45% (+4.5%) of Grade 4 students will score 70% or higher on the standards-aligned mathematics benchmark assessment items.
1.r	In 2016-17, 35% (+5.9%) of Grade 6 students will score 70% or higher on the standards-aligned mathematics benchmark assessment items.
3.e	School Community Outreach Workers will collect baseline data measuring parent capacity building programs, two way communication, supporting learning at home, and volunteerism at school sites and districtwide
3.f	Increase number of new volunteers by 2% from baseline established in 2015-16
3.g	Implement 300 home visits districtwide.

ELA/Social Studies	and Math/Science,	er Elementary Schools. T a vice principal, two teacl wo aides for the learning	hers for the learnin	g center, a school

community outreach worker (SCOW), two aides for the learning center, extra teacher hourly for professional development, monies for an extended year, collaboration time for teachers to learn about and create a professional learning community at Stege. Additional counseling, a visual and performing arts program and after school program support are also included.

Dover will see the addition of a vice principal and a teacher and teacher aide for the learning center.

(The standard staffing in Learning Centers is one teacher and one aid, this initiative provides for additional staffing.)

Recommendation:

The allocation will be increased for the raises recently approved by the board.

Class Size Reduction (CSR) Staffing for Secondary - 1251

Program 1251	2016-17 Proposed Allocation	Level of Service	Total Jobs Included (FTE)	Goal 1.11
Class Size Reduction Staffing for Secondary	\$1,864,458	School Wide	16.80	Student Achievement For All

Description:

The 2016-17 LCAP includes additional staffing at secondary schools with an unduplicated count above 60%. The schools and full time equivalent are as follows:

- Richmond High School 5.20 (FTE)
- Kennedy High School 3.0 (FTE)
- Pinole Valley High School 3.6 (FTE)*
- Greenwood Academy 4.0 (FTE)
- DeJean Middle School 1.6 (FTE)*
- Crespi Middle School 1.4 (FTE)*
- Pinole Middle School 2.0 (FTE)*

(Note DeAnza and Helms are receiving targeted assistance)

Recommendation:

Increase the allocation over the 2015-16 school year to include the four new schools* and support lower class sizes at the secondary level.

Practices for African American Student Support/Success	\$400,000	District	N/A	Student Achievement For All		
Description: Our goal is to ensure that all students are college and career ready able to make life choices with productive and positive outcomes. We have a special lens on our African American students who have been traditionally underserved. We have implemented or expanded some practices, strategies and frameworks that support this goal and lens. Practices for African American Student Support and Success (PAASSS) currently include the African American Male Pipeline Project, African American Support Collaborative Student workshops, Efficacy framework, model and training, afterschool program for Richmond Steelers, Growth Mindset/Brainology, and African American Honors Gala event. We will continue to work with our stakeholders to ensure that our African American students are prepared for college, career, and life.

Continue strengthening parent engagement for targeted schools by funding School Community Outreach Workers (SCOWs). School Community Outreach Workers support family engagement and partnerships school wide. SCOW's are responsible for: processing parent, caretaker and community requests for assistance/support by providing district resources and coordinating comprehensive responses; developing, producing and distributing community related materials; assisting with the distribution of resources to increase parent understanding and leadership to support their child's goals toward high school graduation and college and career planning; supporting effective and consistent practices for home-to-school communications about school programs, student progress and site-based and district parent programs; participating in the recruitment and development of parent leaders to serve on various site and district leadership bodies, including but not limited to: School Site Council (SSC) English Language Advisory Committee (ELAC) and other district advisory committees; assisting in researching and editing content for newsletters, websites and other weekly communications; facilitating training for parents and all community members regarding empowering parents toward more participation at their site and at the district level; assisting school sites in creating educational equity and closing the achievement gap through parent engagement maximization; assisting schools in developing and enhancing parent communications, school site plans and school reporting for parent involvement; developing ongoing partnerships with local, regional, state and federal advocates, children's advocates, senior services, disability advocates and other community groups to increase resources and support for district students and staff.

Recommendation:

Revise allocation model to include schools with an UDC of 55% or above. Improve the recruitment and retention of School Community Outreach Workers by offering more hours and benefits with full time positions.

Parent University / Volunteer Support	\$497,038	District	0.50	Parent & Community Engagement		
Funding to support is designed to foster pro- session program, im- expansion of the pro- parent training opport Conference. Home of programs to strength Funding is also used fingerprinting program Recommendation: Add additional fund opportunities.	Description: Funding to support Parent University, a program using California PTA School Smarts curriculum, designed to foster parent engagement and create active parent leaders. Parent University is a seven session program, implemented at 20 sites throughout the District, additional funding supports the expansion of the program in 2016-17. Funding will also be used to offer ongoing parent leadership and parent training opportunities throughout the school year, including the annual Parents as Partners Conference. Home visit programming training will also be offered to staff to increase home visit programs to strengthen family engagement at focused school sites. Funding is also used to lower barriers for parent volunteers and participation by offering free fingerprinting programs and promotion of districtwide volunteerism. Recommendation: Add additional funds for parent conference, home visit training for staff, and year round parent training

Restricted Grant Funding

Donation & Abatement Accounts - 911x / 9599

Abatement \$68,546 School Wide 2.20 Achieven	tricted/Grant Funding 911x 9599	Included	Level of Service	Goal 1
Accounts For A		/ide 2.20	School Wide	Student Achievement For All

Description:

Donation & Abatement accounts are set up for every school in the District.

There is a donation receiving protocol for schools and funds are placed in accounts so that schools can use them as donors intend. The school board acknowledges these donations and the district sends thank you letters for the donor's tax records.

Abatement accounts are set up for the collection of lost textbook or library books. Funds collected are to be used to re-purchase books.

Recommendation:

The District does not budget in advance for such donations and abatements, budgets are established when funds are received. Any unused funds are carried over to the new school year and posted to budgets for spending after the books are closed.

Title I - 3010

Restricted/Grant	2016-17	Level	Jobs	Goal 1
Funding	Proposed	of	Included	
3010	Allocation	Service	(FTE)	
Title I	\$6,200,000	School Wide	26.87	Student Achievement For All

Description:

Title I is designed to help students to achieve proficiency on challenging State academic achievement standards (California standards). Our Title I schools are schoolwide programs, with a special emphasis on children who are failing, or most at risk of failing, to meet the California standards.

Schools spend their allocations in a variety of areas to meet the needs of students, ranging from supplemental personnel and curriculum, and parental involvement activities to supplies/materials, technology, and professional development. Single Plans for Student Achievement for each school detail these plans.

Title I monies are also spent on federal mandatory set-asides (parent involvement, intervention) for a total of \$1,997,020 and discretionary set-asides (homeless program, neglected program, additional parental involvement, preschool program, and summer school) for a total amount of \$1,578,680.

21 st Century				Student	
After School	\$365,798	School Wide	.30	Achievement	
Program				For All	
Description:					
For the school year: Stege & Washington; for the summer: Ford, Grant, Montalvin, Stege, & Washington WCCUSD receives funding through the 21st Community Learning Center (21st CCLC) federal grant program administered by the California Department of Education (CDE) to implement Expanded Learning Programs (school year and summer) at Ford, Grant, Montlavin, Stege, and Washington. The Expanded Learning Programs focus on improving student outcomes by supporting the development of their physical, social-emotional, and academic skills.					
The WCCUSD Expanded Learning Programs are open to all students at the host school at no cost to families. In some cases, schools may determine specific criteria for priority student enrollment, such as low academic performance or social needs.					
This is a competitive	grant that expires	June 30 2017.

Funding	Proposed	of	Included	
6382	Allocation	Service	(FTE)	
CPT 2 - ACOE	\$252,574	School Wide	1.0	Student Achievement For All

Description:

WCCUSD partnered with Alameda County Office of Education and Contra Costa County Office of Education in the development of the R4 (Resilient Youth, Ready to Learn, Ready for Work, Ready for Life) grant. The resilient youth are young people in court, community, continuation, and alternative schools. The R4 grant brings together various community based organizations and the two county agencies in supporting these high risk student populations to continue and complete their education and build their work force skills.

The industry sector pathways that this grant will focus on are: Building, Construction and the Trades; Public Service; Education, Child Development and Family services, and Hospitality, Tourism and Recreation. This grant focuses on the WCCUSD alternative programs at Greenwood Academy and Vista High School.

Career Technical Education Incentive Grant (CTEIG) Program - 6387

Funding	Proposed	of	Included	
6387	Allocation	Service	(FTE)	
CTEIG	\$1,842,442	School Wide		Student Achievement for All

Description:

This program was established as a state education, economic, and workforce development initiative with the goal of providing pupils with the knowledge and skills necessary to transition to employment and postsecondary education.

The funding is being used to enhance our current CTE offerings, as well as to build new CTE pathways and programs. Our work is focused on several areas, including building a new education pathway, providing stipends to teachers to clear or obtain a CTE credential, and upgrading computer labs to supporting pathway teachers to meet monthly with our postsecondary partners, providing prep periods for planning, funding middle school pathway development, and providing release time for curriculum planning.

Funding	Proposed	of	Included	
9011	Allocation	Service	(FTE)	
Project READ	\$89,550	School Wide	0	Student Achievement For All

Description:

Project READ (PR) is now at all of WCCUSD middle schools. It is a 5 year state grant that began in July 2013 and ends in June 2018. It is an intensive program serving a competitively selected group of schools and is dedicated to increasing student reading and ELA outcomes through teacher and leader professional development, parent and family support, and adaptive technology. Funds are used to purchase technology, software, supplies and materials for successful implementation and program maintenance.

The evidence-based implementation practices for teaching reading across content areas are in alignment with the California Standards that promote readiness for college, career, and/or community life. A Project READ coach supports teachers to implement best practices.

Regional Occupation Program (ROP) - 9513

Restricted/Grant	2016-17	Level	Jobs	Goal 1
Funding	Proposed	of	Included	
9513	Allocation	Service	(FTE)	
Regional Occupation Program (ROP)	\$1,082,407	School Wide	10.87	Student Achievement For All

Description:

CTE/ROP is the Contra Costa County Office of Education's career training program designed for high school juniors and seniors. The goal of CTE/ROP is to help students gain knowledge and skills for future careers.

In addition to the skills developed for specific fields, each class helps students develop a résumé, review effective interviewing techniques and identify sources of employment.

If students are uncertain about their college major or career choice, CTE/ROP provides an opportunity to explore a career field. Students use the skills they develop in CTE/ROP to gain higher paying part-time work to help pay for college expenses.

Internships and hands-on experience provide students the opportunity to "try-out" career choices before investing time and money in college or post-secondary training.

Funding is used to provide: teachers, training, supplies, materials, and equipment that supplement/support the specific program needs of the class, i.e. tools for the auto class, small MAC lab for the digital art design class.

Chevron - 9531

Restricted/Grant	2016-17	Level	Jobs	Goal 1
Funding	Proposed	of	Included	
9531	Allocation	Service	(FTE)	
Chevron	\$1,225,000	School Wide	6.0	Student Achievement For All

Description:

This grant funding source supports a variety of related projects as part of the Chevron STEM Initiative in our district. The grant will be completed in 2016-17. The grant requires specific mathematics and science coaching and professional development to take place.

The Chevron STEM Initiative funds coaching for all middle school science and high school biology teachers; summer mathematics institutes for grades Pre K-12; mathematics coaching support for all middle and high school mathematics teachers and selected grade 6 teachers; teacher additional hourly pay; funding for acquisition and implementation of the Mobile Fab Lab and Crespi Hybrid Fab Lab; and creation of the Community STEM Centers at specific school sites, with funding for science kits, other supplies and materials, and related mathematics and science professional development and community support.

Peralta	\$152,590	&	1.0	Achievement
Peralla		School		For All

Description:

South Richmond Stem Initiative is a K-14 early college model. In the 2016-17 School year the focus will be to hire teachers to teach in the blended learning model. The Freshman House Program will be designed into three cohorts of students and teachers. Each cohort of students will be taking college and career courses in content and technical courses that will be the foundation of the early college model. The blended learning model will consist of teachers functioning as facilitators to instruct students and engage them with a technology platform that supports direct instruction and student lead progress toward their own learning.

Students entering Kennedy High School will have the opportunity to earn a high school diploma and Community College Associate Degree as they avail themselves to dual credit, articulated, and concurrent college courses. The foundational program will start with the design of the Freshman House Program.

Title II - 4035

Restricted/Grant	2016-17	Level	Jobs	Goal 2
Funding	Proposed	of	Included	
4035	Allocation	Service	(FTE)	
Title II	\$1,529,174	District	7.95	PD & Recruitment of High Quality Staff

Description:

Title II funds must be used to increase student academic achievement through strategies that improve teacher and principal quality and increase the number of highly qualified teachers in the classroom and highly qualified principals and assistant principals in schools. These funds should be used to support professional learning that improves both the content knowledge of teachers in core academic areas, and the classroom practices of all teachers, as well as learning that supports principals in becoming high impact educational leaders.

When using Title II funds for professional development for teachers and principals, the focus must be on deepening the knowledge of academic subjects and the California Standards. Professional development activities must:

- Be an integral part of broad school-wide and districtwide educational improvement efforts;
- Provide knowledge and skills to teachers in order to help students meet challenging State academic standards;
- Improve classroom management skills;
- Be sustained, intensive, and classroom-focused and are not one-day or short-term workshops

Funds are allocated for: professional learning for teachers; professional learning for administrators, exam fees, National Board certification, and Coursework.

Math and Science Partnership - 4050

Restricted/Grant Funding 4050	2016-17 Proposed Allocation	Level of Service	Jobs Included (FTE)	Goal 2
Math and		District		PD & Recruitment
Science	\$499,996	&	3.0	of High Quality
Partnership		School		Staff

Description:

This California Mathematics and Science Partnership grant is a three-year grant to provide STEMfocused coaching and professional development support for selected Grades 3-5 teachers across the district. Year 1 of the grant was completed in 2014-15, Year 2 is currently in progress in 2015-16, and Year 3 will take place in 2016-17.

The grant is known in our district as "STEM-West". The activities of the two coaches and one program specialist, funded by this grant, are fully integrated into all district STEM center activities, including mathematics and science professional development and Fab Lab implementation.

Educator Effectiveness - 6264

Restricted/Grant	2016-17	Level	Jobs	Goal 2
Funding	Proposed	of	Included	
6264	Allocation	Service	(FTE)	
Educator Effectiveness	\$286,962	District	2.60	PD & Recruitment of High Quality Staff

Description:

California's SB-77 Section 58 provides new funding for professional learning for every district, county office of education, charter school, and state special school throughout the state. This funding source is referred to as *Educator Effectiveness* monies.

The state requires that these funds be spent in the following four ways:

- Beginning teacher and administrator support and mentoring, including, but not limited to, programs that support new teacher and administrator ability to teach or lead effectively and to meet induction requirements,
- Professional development, coaching, and support services for teachers who have been identified as needing improvement or additional support by local educational agencies,
- Professional development for teachers and administrators that is aligned to the state content standards, and
- To promote educator quality and effectiveness, including, but not limited to, training on mentoring and coaching certificated staff and training certificated staff to support effective teaching and learning.

The funding must be spent over 3 years (2015-16, 2016-17, 2017-18). The board approved spending these monies in the following areas: Teacher Induction Program (TIP), new teacher training, WCCAA mentor program, PAR, on-line personalized learning platform, professional learning on the California Standards, EL standards, and NGSS standards, integrating technology into daily practice, growth mindset, leadership, data analysis and action, and developing a culture of high expectations.

Math Professional Development - 9630

Restricted/Grant	2016-17	Level	Jobs	Goal 2
Funding	Proposed	of	Included	
9630	Allocation	Service	(FTE)	
Math PD	\$50,000	School Wide	0	PD & Recruitment of High Quality Staff

Description:

The district STEM center created this program in 2011 in order to set up MOUs and contracts for mathematics professional learning our district mathematics staff provides to other districts throughout our region. This program is known locally as the *Mathematics Coaching Consortium*, and has provided, through contracts between our district and other districts, mathematics professional development for over 50 coaches and their respective districts in this partnership. Our district then utilizes the funding to fund our own mathematics coaching positions. We have strategically used this funding for upper elementary mathematics content coaching, in support of the mathematics coaching initiatives in our grant-funded programs.

Funding	Proposed	of	Included	
5840	Allocation	Service	(FTE)	
California Promise	\$112,681	District	1.10	Student Engagement and Climate

Description:

Promoting the Readiness of Minors in Supplemental Security Income (PROMISE) is a joint initiative of the U.S. Department of Education (ED), the U.S. Social Security Administration (SSA), the U.S. Department of Health and Human Services (DHHS), and the U.S. Department of Labor (DOL) to promote positive outcomes for children who receive Supplemental Security Income (SSI) and their families.

The purpose of PROMISE is to improve the provision and coordination of services and supports for child SSI recipients and their families in order to achieve improved outcomes, such as completing postsecondary education and job training to obtain competitive employment in an integrated setting that may result in long-term reductions in the child recipient's reliance on SSI.

This agreement will allow the California Department of Rehabilitation (DOR) as the CaPROMISE Grant Administrator and the West Contra Costa Unified School District (WCCUSD) to work collaboratively to the DOR's PROMISE Grant proposal. Under this agreement the WCCUSD will recruit, enroll, and serve children ages 14 to 16 who are SSI recipients and residing within the boundaries of the WCCUSD.

The contract covers the following personnel: 1.0 FTE Employment Specialist, .10 FTE Staff Secretary.

Funding	Proposed	of	Included	Goal 4
6500-6515	Allocation	Service	(FTE)	
Cracial Education		District		Student
Special Education State & Local	\$54,444,822	&	627.16	Engagement and
State & Local		School		Climate

Description:

Special Education State and Local Funding is used to provide the special education services to special education students as required by their IEPs. By definition, these are students who have needs that go beyond the basic classroom settings for regular education, although many students also participate in regular education classes and receive support services in a variety of settings. These services include: Resource Specialist Program, Special Day Class - Non-Severely Handicapped, Special Day Class - Severely Handicapped, Full Inclusion Support Services, Speech Therapy, Counseling, Behavioral Services, Occupational Therapy, Physical Therapy, Adaptive Physical Education, and placement in Non-Public Schools, Residential placement, Services for students in Juvenile Hall and County/State prisons.

Special Education also receives funding from Base and Supplemental Concentration funds in the amount of: Base=\$9.5m Supp/Conc=\$3.7m Base/Encroachment=\$25.4m and is also supported by other federal and state funds.

Recommendation:

For 2016-17, per projected enrollment, there will be a reduction of four special education classroom. Reduce Special Ed Administrator and 7 FTE Teachers/Aides.

Funding	Proposed	of	Included	
9190	Allocation	Service	(FTE)	
Local Parcel Tax	\$9,732,165	School Wide	81.21	Student Engagement and Climate

Description:

The parcel tax program includes support for a wide variety of services to students of the District. The parcel tax funding, renewed in November of 2012, is accounted for in a locally restricted account and is subject to the review by the Citizens Budget Advisory Committee. The parcel tax was passed with an overwhelming community majority of 75%, illustrating the level of commitment for educational programs shared by this community. The parcel tax expires in 2018-19. The Board of Education authorized a poll to consider placing a renewal of the parcel tax on the November 2016 ballot.

The School Board reached an agreement to share parcel tax revenues with local charter schools in 2015-16 and going forward.

Funding	Proposed	of	Included	
6230	Allocation	Service	(FTE)	
CA Clean Energy	\$1,000,000	District	1.0	Basic Services for All

Description:

The allocated funding for West Contra Costa Unified for year one (2013-14) was \$1.4 million; year 2 (2014-15) was \$1.2 million; year 3 (2015-16) \$1,792,167.00 million.

The District submitted plans in February of 2015 for five energy efficiency projects for year 1 & 2 at Hanna Ranch Elementary for a LED lighting retrofit and energy management system controls; Richmond High School, Collins Elementary, Grant Elementary and Lake Elementary for LED lighting retrofits. The projects were approved and completed before the start of the 2015-2016 school year.

In February 2016, the District submitted projects for Verde Elementary and Kennedy High School LED Lighting Retrofits. These schools were selected based upon strict energy savings and other eligibility criteria. The project funding has been approved by the California Energy Commission and the projects are scheduled to be completed during the summer of 2016.

Recommendation:

Projects will be ongoing during the summer of 2016. New allocations will be added to the 2016-17 when award information is received.

Routine Repair & Maintenance - 8150

Restricted/Grant	2016-17	Level	Jobs	Goal 5
Funding	Proposed	of	Included	
8150	Allocation	Service	(FTE)	
Routine Repair & Maintenance	\$6,600,000	District	45.95	Basic Services for All

Description:

The maintenance department is responsible for the routine maintenance of all school sites throughout the district. The employees are mainly journey level craftsperson with specialties in areas such as plumbing, electrical and carpentry.

This program is set up as a restricted category due to Education Code 17070.75 which requires all school districts that accept funds through the State School Building Program to set aside funding each year to for the purpose of providing ongoing and major maintenance to its buildings.

There is an allowance by the State to make alternative calculated contribution amounts during the period that the LCFF is implemented, with the understanding that a full 3% must be in place no later than 2020-21. Based upon this allowance the District can reduce the annual contribution in 2015-16 and 2016-17 while still building a deferred maintenance program. The first interim figures include carry over from prior year.

Recommendation:

The flexibility provided by the State allows the district to adjust the contribution over the next two years. Therefore, the contribution will be reduced as compared to the normal 3% requirement.

Maintenance and Recreation District (MRAD) - 9200

Restricted/Grant	2016-17	Level	Jobs	Goal 5
Funding	Proposed	of	Included	
9200	Allocation	Service	(FTE)	
MRAD	\$5,604,624	District & School	.67	Basic Services for All

Description:

In 1994 an effort to raise and sustain funding for the school district the District formed a Maintenance and Recreation District. In 1996 the formation of MRAD was followed by an election to continue these levies. This allows the District to levy taxes to support the maintenance and operations of fields and outdoor areas for the purpose of public use.

The FTE for MRAD are charged to the general fund, which is reimbursed by MRAD fund.

Recommendation:

LCAP Glossary

STATE PRIORITY: BASIC SERVICES

<u>Teacher Misassignments</u> - The placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential or the placement of a certificated employee in a teaching or services position that the employee is not otherwise authorized by statute to hold.

<u>Student Access to Standards Aligned Instructional Materials</u> - Every school is required to provide sufficient textbooks, or other instructional materials, for all students in core subject areas. These instructional materials must be aligned to the content standards. Core subject areas include English language arts (including English Language Development), mathematics, history/social science and science. Students enrolled in a foreign language or health course must also be provided sufficient instructional materials and adequate science laboratory equipment must be available for science courses in grades 9-12.

<u>Facilities in Good Repair</u> – 'Facilities in Good Repair' is a rating on the Williams' report. The facility is maintained in a manner that assures that it is clean, safe, and functional as determined pursuant to an interim evaluation instrument developed by the Office of Public School Construction. The Williams' case states that all students equal access to instructional materials, quality teachers, and safe schools. School districts must assess the safety, cleanliness, and adequacy of school facilities, including any needed maintenance to ensure good repair.

<u>Williams Act</u> - In 2000, several civil rights groups sued the state, arguing that California was denying thousands of students their fundamental right to an education by failing to provide them with the basic tools necessary for that education. Four years later, the suit was settled and new laws were established to ensure that: All students have textbooks and instructional materials; schools are clean, safe, and functional; and students have qualified teachers.

STATE PRIORITY: IMPLEMENTATION OF COMMON CORE STATE STANDARDS

<u>California Standards (formerly Common Core State Standards)</u> - In 2010, California's Board of Education adopted the Common Core State Standards for K-12 schools, joining 44 other states and the District of Columbia. The CCSS are learning goals in math and language arts for every grade level. These standards are aimed at ensuring that every student graduates from high school prepared for college and careers. They are generally more rigorous than the former California Content Standards and require more critical thinking, writing and problem-solving.

STATE PRIORITY: COURSE ACCESS

<u>Course Access</u> - Student enrollment in a broad course of study that includes, if applicable:

- Grades 1-6: English, Mathematics, Social Sciences, Science, Visual and Performing Arts, Health, Physical Education, and other studies as prescribed by governing board.
- Grades 7-12: English, Social Sciences, Foreign Language, Physical Education, Science, Mathematics, Visual and Performing Arts, Applied Arts, Career Technical Education, Automobile Driver Education, and other studies as prescribed by governing board.

STATE PRIORITY: STUDENT ACHIEVEMENT

<u>CAASPP</u> - The California Assessment of Student Performance and Progress (CAASPP) System includes Smarter Balanced Summative Assessments, Interim Assessments, and Digital Library. Summative Assessments are administered in grades three through eight and eleven for English language arts/literacy (ELA) and mathematics. CAASPP assessments include computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English language arts/literacy (ELA) and mathematics tests. The paper-pencil assessments include the science assessments—the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science—and the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

<u>PSAT</u> - The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is a program cosponsored by the College Board and National Merit Scholarship Corporation (NMSC). It's a standardized test that provides firsthand practice for the SAT. It also gives students a chance to enter scholarship programs and gain access to college and career planning tools.

<u>UC/CSU Required Courses</u> – The UC/CSU Required Courses or "A-G" Requirements are a sequence of high school courses that students must complete (with a grade of C or better) to be minimally eligible for admission to the University of California (UC) and California State University (CSU). They represent the basic level of academic preparation that high school students should achieve to undertake university work.

<u>Career & Technical Education (CTE)</u> – CTE is a program of study that involves a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to postsecondary education and careers.

<u>English Learners (ELs) or English Language Learners (ELLs)</u> – English learners are those students for whom there is a report of a primary language other than English on the state-approved Home Language Survey AND who, on the basis of the state approved oral language (grades kindergarten through grade twelve) assessment procedures and literacy (grades three through twelve only), have been determined to lack the clearly defined English language skills of listening comprehension, speaking, reading, and writing necessary to succeed in the school's regular instructional programs.

<u>CELDT</u> - The California English Language Development Test (CELDT) is the California state exam of English language proficiency. It is administered each year as an initial assessment (IA) to newly enrolled students whose primary language is not English, as indicated on a home language survey, and as an annual assessment (AA) to monitor the progress of El students identified previously. The CELDT test assesses Listening, Speaking, Reading and Writing skills using performance-based and multiple choice formats. Grade levels tested: K-12.

<u>English Learner Reclassification</u> – Once an English learner reaches full proficiency in English and attains grade- level academic performance he/she exits the English Learner Program successfully and is identified as a reclassified Fluent English Proficient (R-FEP) student. WCCUSD has developed student reclassification policy and procedures based on criteria set forth by California Department of Education guidelines.

<u>Advanced Placement Exams</u> - AP Exams are rigorous, multiple-component tests that are administered at high schools each May. Students can choose from 34 different exams in English, Math, Science, Social Students, Foreign Language, and Fine Arts. AP Exam scores are reported on a 5-point scale as follows: 5 (Extremely Well Qualified), 4 (Well Qualified), 3 (Qualified), 2 (Possibly Qualified), and 1 (No Recommendation). Students scoring 3 or above is considered 'passing.' Grade levels tested: 9-12.

<u>Early Assessment Program (EAP)</u> - The Early Assessment Program is a project of the California State University system designed to gauge college-readiness among high school students. In their junior year, high school students have the opportunity to take the Early Assessment Program tests in math and language arts. High scores allow students to skip CSU placement testing. English scores are based on the 15 EAP multiplechoice questions, selected questions from the grade 11 CST test, and the EAP Essay. Math scores are based on the 15 EAP multiple-choice questions, plus selected questions from the Algebra 2 or Summative High School Math CST. Grade level tested: 11.

STATE PRIORITY: OTHER STUDENT OUTCOMES

<u>Physical Fitness Test</u> - The Physical Fitness Test (PFT) for students in California schools is the FITNESSGRAM. The test has six fitness areas including: 1) Aerobic Capacity, 2) Abdominal Strength and Endurance, 3) Upper Body Strength and Endurance, 4) Body Composition, 5) Trunk Extensor Strength and Flexibility, and 6) Flexibility. The PFT provides information that can be used by (1) students to assess and plan personal fitness programs; (2) teachers to design the curriculum for physical education programs; and (3) parents and guardians to understand their children's fitness levels. Grade levels tested: 5, 7, and 9.

STATE PRIORITY: PARENT INVOLVEMENT

<u>Efforts to Seek Parent Input</u> - Include families as participants in school and district decisions, governance, and advocacy through ongoing training and meetings that will develop the skills and knowledge parents need to engage with decision-making processes focused on understanding the educational system, tools and skills to organize their actions and planning when participating in district and school advisory and governance committees.

<u>Promotion of Parent Participation</u> – To ensure student success, parents and schools need to work together, to establish asset-based relationships between the home and school. This is critical. Some of our strategies to increase two-way communication to enhance relationships between the home and school include:

- Home Visits: Non-academic home visits designed to enhance the relationship between the teacher/s and family.
- Using technology tools such as smartphone capabilities (texting, e-mail, tablet and mobile friendly district websites) to keep parents informed of student progress, attendance and support ongoing classroom-home communication.
- Training teachers on how to establish asset-based partnerships with the families they serve.
- Developing welcoming school environments that communicate to all parents they are welcomed and recognized as an asset.
- Strengthening the ability of families to support learning at home by understanding how the educational system works, increase awareness of what the grade level expectations are, and what grade level student work should look-like.

<u>Parent Advisory Committees</u> – The following lists district parent committees:

- Multilingual District Advisory Committee: The MDAC is a district wide committee on English learner education, that advises the district's local governing board (e.g., in person, by letter/reports, or through an administrator) on programs and services for English learners.
- District Advisory Committee: DACs are required to certify that the LEA's Consolidated Application for specified categorical funds, including, but not limited to school-based coordinated categorical programs, compensatory education programs, and EIA programs, is developed with review and advice from the committee.
- School Site Councils: A committee made up of parents, classroom teachers, school staff, and the principal that develops, implements and monitors the Single Plan for Student Achievement (SPSA also known as School Plan).
- English Learner Advisory Councils: a committee made up of parents of English learners that advise the SSC on how to best support the needs of English learners.
- Community Advisory Committee for Special Education (CAC): A mandated committee whose purpose is to advise the district on the unique requirements of individuals with exceptional needs.
- Local Control Accountability Plan (LCAP) Parent Committee: Advises the Board on the LCAP.

STATE PRIORITY: STUDENT ENGAGEMENT

<u>Annual Student Attendance Rates</u> – Total days attended / Total days of membership within student group categories using ADA rules (if a student is not marked absent one period, they are considered present for the day).

<u>Chronic Absenteeism</u> – A chronically absent student is defined as one who misses 10% or more of the school year using ADA rules (if a student is not marked absent one period, they are considered present for the day).

<u>Middle School Dropout</u> – A student who was enrolled in grades 7 or 8 at some time during the previous school year AND left school prior to completing the school year AND has not returned to school as of Information Day OR student who did not begin attending the next grade (7, 8) in the school to which they were assigned or in which they had pre-registered or were expected to attend by Information Day.

<u>Adjusted Cohort Dropout Rate</u> - This is the rate of students that leave the 9-12 instructional system without a high school diploma, GED, or special education certificate of completion and do not remain enrolled after the end of the 4th year. The formula is similar to the formula listed in 1.2, but the numerator is replaced with the number of students in the 4-year cohort that dropped out by the end of year 4 of the cohort.

<u>Cohort Graduation Rate</u> - The four-year graduation rate is calculated by dividing the number of students in the 4- year adjusted cohort who graduate in <u>four years or less</u> with either a traditional high school diploma, an adult education high school diploma, or have passed the California High School Proficiency Exam (CHSPE) by the number of students who form the adjusted cohort for that graduating class.

STATE PRIORITY: SCHOOL CLIMATE

<u>Suspensions and Expulsions</u> – Suspension and expulsion data is obtained from CALPADS, which starting collecting discipline data in 2011-12. The California Longitudinal Pupil Achievement Data System (CALPADS) is the foundation of California's K-12 education data system that allows for tracking a student's academic performance over time.

<u>CHKS</u> - The California Healthy Kids Survey (CHKS) is a comprehensive youth health risk and resilience data collection service sponsored by the California Department of Education (CDE). The California Healthy Kids Survey (CHKS) is the largest statewide survey of resiliency, protective factors, and risk behaviors in the nation. Grades levels surveyed: 5, 7, 9, 10, 11, and 12.
