Goal 1: Authentic Engagement

Build authentic, engaging learning communities by providing students access to enrichment, emotional support, and intentionally collaborating with educational partners

Annual Progress and Opportunities for Growth

- WCCUSD is on track to meet its 3-year goal of reducing chronic absenteeism by 15%, with a 6.2% decline in Year 1. This reflects strong progress driven by targeted interventions and improved student engagement.
- Tiered Fidelity Inventory (TFI) Walkthroughs were completed at all school sites, and targeted coaching was provided for PBIS implementation
- African American suspension disproportionately has decreased year to date from a rate of 2.7 in 23-24 to 2.3 24-25 YTD, and we have increased other means of correction by 83%
- While the overall suspension rate is 2.5%, Black students (6.3%), Foster Youth (13.4%), and FIT students (7.5%) remain disproportionately impacted, requiring stronger early intervention strategies and implementation of restorative practices to fidelity.

Goal 1 Feedback for Improvement

Authentic Engagement

Student Support & Wellness

- Increase site funds for mental health services, counseling, and intervention hours.
- Fund a district grant writer to support sustainable intervention funding.
- Preference for social workers over climate coaches, which are seen as misaligned with site needs.

Instructional Access & Communication

- Ensure home access to instructional materials for all students.
- Standardize and strengthen ParentSquare use for two-way communication, including parent-to-parent messaging.

Arts & Enrichment

- Reallocate elementary band funds to more effective, site-based arts programs.
- Increase support and promotion of VAPA events and school garden programs.

Transportation Access

- Explore rideshare models and support parent coordination tools.

Family Engagement & Volunteers

- Streamline volunteer applications and provide training.
- Improve SCOW training and expand parent capacity-building.

Community Schools Implementation

- Address concerns over grant transparency, budget control, and limited system impact.

Transparency & Site Autonomy

- Improve clarity in district processes (e.g., transfers, budgeting).
- Increase stakeholder voice and give schools more flexibility to meet their needs.

Attendance & Data Systems

- Invest in attendance software and school-based case managers.
- Provide tools to monitor chronic absenteeism and related interventions.

Goal 1 Authentic Achievement

Program 3110 - Positive School Culture & Climate

Key for Effectiveness

Strategy on track to Meet Goal

Strategy Not Yet Effective

Strategy Not Effective

Implementation: <ul style="list-style-type: none">All strategies within program 3110 were implemented as planned with no material differences to the program budget.	24-25 Effectiveness: <div>Strategy 1:Feedback and Communication</div> <div>Strategy 2: Social Emotional Learning and Tiered Fidelity Inventory</div> <div>Strategy 3:Tiered Support for Students</div> <div>Strategy 4:Climate Coaching</div> <div>Strategy 5: Attendance and Enrollment Awareness</div> <div>Strategy 6: Reducing Disproportionality</div>
Updated 25-26 Strategies: <div>Strategy 2: Social Emotional Learning Schools will be encouraged to integrate short, structured brain breaks and Fun Fridays to motivate students and promote focus.</div> <div>Strategy 4: Climate Coaching Schools will reinforce behavior expectations using the district behavior matrix, paired with professional learning on managing behavior and implementation of anti-slur policy.</div> <div>Strategy 5: Attendance & Engagement Staff will be trained in tiered outreach using a revised SART manual and supported by attendance technicians. A centralized data system will track interventions and student recognition programs will celebrate improved attendance.</div>	Updated 25-26 Strategies: <div>Strategy 6: Reducing Disproportionality All site leaders will participate in monthly PLCs to analyze suspension data and implement alternatives. Schools will also ensure adherence to discipline policies to support equity in outcomes.</div> <div>Strategy 7: Strengthen Authentic Engagement Through Enhanced Teacher Capacity and Relationship-Building Fostering conditions in which elementary teachers can build deeper relationships with students and families. Smaller class sizes give teachers more time and capacity to connect meaningfully with each student and to engage families more intentionally.</div> <div>Strategy 8: Safety Support Staff To support student safety, we will allocate resources for dedicated support staff at both elementary and secondary schools.</div>

Goal 1 Authentic Achievement

Program 3120 - Parent Engagement & Volunteer Outreach

Key for Effectiveness

Strategy on track to Meet Goal

Strategy Not Yet Effective

Strategy Not Effective

Implementation: <ul style="list-style-type: none">All strategies within program 3120 were implemented as planned with no material differences to the program budget.	24-25 Effectiveness: <div>Strategy 1: Communication Software & Volunteer Clearance</div> <div>Strategy 2: Parent Capacity Building</div> <div>Strategy 3: School Community Outreach Workers (SCOW)</div> <div>Strategy 4: LCAP Program Monitoring</div> <div>Strategy 5: Parent Bill of Rights</div> <div>Strategy 6: Increase Parent Advisory Committee Engagement</div>
Updated 25-26 Strategies: <div>Strategy 1: Communication & Software Support<p>Tools like SurveyMonkey and Mentimeter. These platforms support multilingual outreach, provide AI-driven insights, and reduce staff time spent synthesizing data—allowing more time for authentic engagement.</p></div> <div>Strategy 4: LCAP Program Monitoring<p>Hold monthly DLCAP meetings to review progress on LCAP goals, with program directors presenting data on implementation and impact. LCAP-funded staff will be trained to align their work with LCAP goals.</p></div>	Updated 25-26 Strategies: <div>Strategy 8: Strategic Communications<p>Continue the implementation of a districtwide communications plan using digital tools to improve equitable access to information. Key actions include creating a Dual Language resource webpage, promoting Dual Language Immersion programs through flyers, and expanding ParentSquare for two-way and parent-to-parent communication. Staff across departments will be trained to use the platform and support family engagement.</p></div>

Goal 1 Authentic Achievement

Program 4240 - Whole Child Education

Key for Effectiveness

Strategy on track to Meet Goal

Strategy Not Yet Effective

Strategy Not Effective

Implementation: <ul style="list-style-type: none">All strategies within program 4240 were implemented as planned with no material differences to the program budget.	24-25 Effectiveness: <div>Strategy 1 - Visual and Performing Arts</div> <div>Strategy 2 - Theater Managers</div> <div>Strategy 3 - Access to Wellness Services</div> <div>Strategy 4 - Student, Family, and Community Engagement</div>
Updated 25-26 Strategies: Strategy 1 - Visual and Performing Arts Programs (VAPA) To elevate the impact of the arts, the district will increase promotion and support of student performances and exhibitions to drive visibility, participation, and family engagement. Metrics of Success: Increase student participation in VAPA courses and extracurricular programs by 10% by June 2026. Research indicates that schools with robust arts programs experience lower chronic absenteeism and suspension rates, contributing to improved student outcomes.	

2024-2025 Estimated Actuals

Goal 2: Universal Systems & Accessible Support

Ensure each student is provided with high quality educators to foster anti-racist, inclusive, and accessible learning environments

Annual Progress and Opportunities for Growth

- WCCUSD has already surpassed the 3-year attendance goal in the first year, with more than double the targeted reduction.
- WCCUSD's 3-year goal is to reach an 80% year-to-year teacher retention rate. In Year 1, the district increased retention by 2 percentage points, rising from 66% to 68%. This reflects 25% progress toward the overall goal, with continued focus needed in the next two years to meet the target.
- WCCUSD's 3-year goal is to increase the percentage of teachers with 3+ years of experience by 9%. In Year 1, there was a 2% decrease, bringing the percentage to 82%. This indicates a need for targeted strategies to improve retention and experience stability in the educator workforce.
- Percentage of staff with 3+ years of teaching experience decreased by 2%

Goal 2 Feedback for Improvement

Universal Systems & Accessible Support

- **Equity-Focused Recruitment:** Strengthen teacher pipelines for Black educators through targeted outreach to Black students, alumni, and staff.
- **Credentialing Access:** Expand in-house credentialing pathways through university partnerships.
- **Operational Efficiency:** Improve systems for staff to access supplies, contracts, and complete timecards.
- **Strategic Staffing Transparency:** Increase clarity on LCAP-funded and new staff roles and site placements.
- **Professional Development Alignment:** Track and evaluate district PD effectiveness based on attendance, role, and classroom impact; ensure LCAP-funded staff are trained to align with LCAP goals.
- **Support for Underprepared Staff:** Develop centralized training and mentorship for long-term substitutes and emergency credentialed teachers.
- **Teacher Retention & Compensation:** Prioritize competitive pay and support for new teachers to improve retention.
- **Leadership Pipeline Concerns:** Address the impact of VP position reductions on the leadership pipeline; support growth of teacher residency programs.
- **Curriculum & Workload:** Avoid overburdening teachers with curriculum creation; provide resources and support for implementation.
- **Climate & Culture Support:** Strengthen site climate teams with assemblies, speakers, PBIS training, and related resources.

Program 2315 - Employee Recruitment and Retention

Implementation: <ul style="list-style-type: none">All strategies within program 2315 were implemented as planned with no material differences to the program budget.	24-25 Effectiveness: Strategy 1 - Teacher Induction Program Strategy 2 - Competitive Salary Strategy 3 - Teach for America Strategy 4: Increase the number of Black/African American Educators
Updated 25-26 Strategies: Strategy 4: Recruitment and Retention of Diverse Educators In partnership with ASAAT, local churches, and civic organizations, WCCUSD will promote teaching opportunities and develop tailored messaging to engage prospective Black educators. To support long-term success and retention, the district will foster an inclusive professional environment through mentorship, community-building, and ongoing targeted support for educators of color.	Updated 25-26 Strategies: strategy 6: Strengthening Recruitment and Retention of Dual Language (DL) Program Teachers To ensure the success and sustainability of WCCUSD’s Dual Language (DL) programs, the district will implement a targeted recruitment strategy focused on attracting and retaining high-quality bilingual educators. The recruitment and retention efforts aim to address DL teacher shortages, promote program continuity, and support multilingual learner achievement.

Goal 3: Relentless Attention to Achievement

Empower each student to graduate with the essential skills to be college and career ready in a multilingual, technology-driven world

Annual Progress and Opportunities for Growth

- Expanded paid internships opportunities from 20 placements to 65 placements across six of our high schools
- K–8 students increased by 9.7% and 9–11 students by 15.6%, we saw promising gains among Foster Youth (+22.2% in grades 9–11) and English Learners (+6.4% in K–8) in iReady mathematic
- iReady reading for K–8 students improved by 10.3% overall and African American students increased by 10.4%, while Foster Youth in grades 9–11 made the largest single-group gain at 14.5%, reflecting promising progress in literacy support efforts.
- Experienced a 4.2% decrease, signaling a need to reassess current supports for English Learners and strengthen reclassification practices to get back on track toward the multi-year target.

Goal 3 Feedback for Improvement

Relentless Attention to Achievement

- **Lack of Focused Strategies for African American Achievement** - Current LCAP goals lack clear, responsive instructional strategies to accelerate outcomes for Black students.
- **Curriculum Gaps and Misalignment** - The absence of an adopted K–5 ELA curriculum undermines instructional consistency and makes implementation of district IPGs fragmented. SIPPS remains insufficient as a core literacy framework.
- **Misuse of Assessment Tools** - i-Ready is not developmentally appropriate for early grades and provides limited value for instructional planning.
- **Fragmented Professional Learning Structures** - Buyback days are under-leveraged for core training. Staff call for the reinstatement of ILT meetings and a restructuring of principal meetings to prioritize instructional coherence and SPSA alignment.
- **Insufficient Central Office Support and Leadership Development** - Sites report limited instructional support and capacity from the central office. The elimination of vice principal roles has weakened leadership pipelines and site-level instructional oversight.
- **Staffing Instability and Role Clarity Gaps** - There is an urgent need for Paraeducator 3s and clearer expectations for prep teachers, whose impact and consistency vary across sites. School-based instructional leadership needs to be strengthened through targeted stipends and structured coaching roles.
- **Teacher Pipeline and Compensation Challenges** - Support systems for subs and emergency credentialed teachers need expansion. Interest in residency and TFA models exists, but implementation remains limited. Competitive salaries are essential for recruiting and retaining quality educators.

Goal 3 Relentless Attention to Achievement

Program 1250 - Elementary School Support

Implementation: <ul style="list-style-type: none">All strategies within program 1250 were implemented as planned with no material differences to the program budget.	24-25 Effectiveness: Strategy 1 - Data analysis and Prioritizing Strategy 2 - Aligned Goals & Actions Strategy 3 - Review and Approval of SPSAs
Updated 25-26 Strategies: Strategy 4: Enhance Instruction and personalize learning through class size reduction Class size reduction enhances the quality of instruction by allowing teachers to better tailor lessons to individual student needs and provide timely, targeted support. With fewer students in each classroom, educators can build stronger relationships, differentiate instruction more effectively, and foster a more engaging and inclusive learning environment.	Updated 25-26 Strategies: Strategy 5: Combo Class Compensation Initiative To support teacher retention and recognize the added responsibilities of teaching combination classes, WCCUSD will provide an annual stipend to elementary teachers assigned to multi-grade classrooms. In addition, the central office will provide targeted professional development to equip combination class teachers with strategies to manage instructional differentiation, planning, and student engagement across grade levels.

Goal 3 Relentless Attention to Achievement

Program 1251 - Secondary School Support

Key for Effectiveness

Strategy on track to Meet Goal

Strategy Not Yet Effective

Strategy Not Effective

Implementation:

- All strategies within program 1251 were implemented as planned with no material differences to the program budget.

24-25 Effectiveness:

Strategy 1: Career Pathways

Strategy 2: Secondary Lead Counselor

Strategy 3: International Baccalaureate (IB)

Strategy 4: Targeted C&C Readiness for Black/AA Students

Strategy 5: Targeted C&C Readiness for Language Learners

Updated 25-26 Strategies:

Strategy 2: Secondary Counseling Program

The district will align expectations for secondary counselors to ensure consistent support for academic and career planning. All students will develop individualized four-year plans.

Strategy 6: CTE Academy-Aligned General Education Staffing

Contra Costa Unified School District will allocate staffing to ensure core academic teachers are assigned to a single academy cohort, promoting instructional coherence, interdisciplinary planning, and sustained student-teacher relationships.

West

Updated 25-26 Strategies:

Strategy 7: Expanding Intervention and Class Size Reduction

This strategy aims to enhance academic achievement by reducing class sizes, thereby increasing access to A–G course requirements and broadening opportunities for students to engage in CTE pathways, dual enrollment, and electives. Additionally, it will allocate time within the school day for targeted academic interventions and enrichment in areas such as arts, STEM, and leadership.

Strategy 8: Strengthening College & Career Readiness Culture

WCCUSD will implement a comprehensive strategy to foster a strong college- and career-going culture. This includes offering the PSAT for students, study trips to colleges and career-aligned sites, and providing targeted professional development for educators.

Goal 4: Students with Disabilities

Accelerate academic growth for students with disabilities by providing adaptive resources to supplement programming and accelerate academic growth

Annual Progress and Opportunities for Growth

- The District is now below the 3.0 disproportionality index and has exited disproportionality for African American students identified as Emotionally Disabled and White students in a separate school.
- Students with Disabilities (SWD) in WCCUSD showed steady progress in both iReady Reading and Math, with K–8 students increasing by 5.6% in Reading and 6% in Math—demonstrating that targeted supports are helping to move achievement in the right direction for this critical student group.
- The district continues to show disproportionality in both disciplinary incidents and special education identification under the category of Other Health Impaired for African American students.

Goal 4 Feedback for Improvement

Students with Disabilities

Inadequate Staffing and Time at Sites

- Need for increased FTEs to ensure full-time psychologists, SLPs, and RSP teachers at school sites.
- Retention concerns—district must hire strong interns and new staff quickly or risk losing them.
- Speech therapists have excessive caseloads, limiting their ability to provide interventions beyond required services.
- Request for **learning centers** or specialized programs at school sites to support students with disabilities more effectively.

Limited Behavioral and Early Intervention Support

- Severe lack of behavior support staff (e.g., ABAs) is contributing to increased suspensions of students with disabilities (SWDs).
- Early intervention and assessment support is insufficient, with Special Education seen as resistant or slow to act.
- Need for a districtwide RTI (Response to Intervention) framework and integration with Special Education.

Lack of a Clear MTSS Model

- Schools lack a clear, structured Multi-Tiered System of Supports (MTSS) to provide layered interventions.
- Current tiered supports and behavior systems are insufficient, impacting both student success and teacher retention.

SPED Focused on Compliance Over Impact

- Special Education is perceived as being **compliance-driven** rather than focused on **instructional effectiveness** or outcomes for students.
- Desire for **instructionally meaningful support** and less bureaucratic emphasis.

Inclusion Without Infrastructure

- Movement toward **full inclusion** lacks an implementation plan, risking failure without adequate staffing, training, and coordination.
- Feedback indicates that current inclusion efforts are **theoretically sound but operationally unsupported**.

Goal 4 Students with Disabilities

Key for Effectiveness
Strategy on track to Meet Goal

Goal 5: Targeted Intervention & Support

Accelerate academic growth and reduce disproportionate outcomes for focal student groups including: Foster Youth, Homeless, English Language Learners, and socio-economically disadvantaged, African American, and Latinx (reported as Hispanic) students.

Annual Progress and Opportunities for Growth

- African American students in grades K–8 made meaningful gains in both iReady Reading (+10.4%) and Math (+6.8%), reflecting the positive impact of early academic supports.
- English Learners in K–8 also demonstrated upward trends, with a 6.7% increase in Reading and 6.4% in Math—suggesting foundational interventions are beginning to yield results.
- 92% of schools have participated in implementation of the Of those schools that participated, 60% of ELs in grades 3-12 completed the standardized interim ELPAC. Of these schools, 60% of ELs in grades 3-12 completed the standardized interim ELPAC
- MidYear reclassification rate decreased by 3.8%

Goal 5 Feedback for Improvement

Targeted Intervention and Support

- **Support for EL Students**

The current curriculum is ineffective for ELs, especially newcomers and LTELs, with unclear training and no dedicated support for non-DLI sites. Provide a comprehensive ELA curriculum, increase literacy coaching, tutoring, and parent engagement, especially for reclassification.

- **Support for African American Students**

OAASA is under-resourced, and site staff request more mentoring, case management, and emotional/behavioral supports. We will increase funding, improve outreach to career pathways, and address suspension disproportionality. Provide a full-time counselor to support Special Education students, and implement BSUs across secondary schools.

- **Central Office and Site Communication**

There is a disconnect between central office and school sites. We will improve communication and engagement between OAASA, AASAT, and AAPACs.

- **PD and Curriculum Gaps**

Provide targeted PD and usable curriculum focused on the needs of EL and African American students to improve support.

- **Intervention Services**

Expand the Mission Critical Literacy Program and recruit math intervention specialists to support students until they perform at grade level based on state and local assessments.

- **College Readiness for African American Students**

Create a multi-media plan to inform Black students and their families about A-G requirements, supported by school counselors and the communication department.

Goal 5 Targeted Intervention and Support

Program 4170 English Language Learner Support

Key for Effectiveness

Strategy on track to Meet Goal

Strategy Not Yet Effective

Strategy Not Effective

Implementation:

- All strategies within program 4170 were implemented as planned with no material differences to the program budget.

24-25 Effectiveness:

Strategy 1: Focused District Leadership
Strategy 2: Professional Development
Strategy 3: Specialized EL Assessments
Strategy 4: Internationals and Newcomer program
Strategy 5: Enhanced Support Services
Strategy 6: EL Family Training

Updated 25-26 Strategies:

Strategy 2: Professional Development for Enhanced English Learner Achievement

To drive improvements in English Learner (EL) achievement, the English Learner Multilingual Achievement (ELMA) department will facilitate targeted professional development opportunities at both the central and site levels. This will promote collaboration among K-12 educators, enabling the effective implementation of integrated ELD strategies to ensure students can access content area instruction.

Updated 25-26 Strategies:

Strategy 4: Internationals and Newcomer Programs

In addition, we will begin establishing a student Buddy/Mentor system to support incoming EL students, fostering peer relationships and enhancing the social integration process.

Strategy 7: Long-Term English Learner Professional Development

To increase reclassification rates, the ELMA Department will provide targeted professional development (PD) designed to support the achievement of LTEL goals. PD activities will focus on utilizing and analyzing standardized Interim ELPAC data for

Goal 6: Lincoln ES Equity Multiplier (24-25)

By June 2025, Lincoln Elementary school will increase average distance from standard on the academic indicators as measured by the Smarter Balanced/SBAC state assessments in English Language Arts & Mathematics by 5 points or more.

Annual Progress and Opportunities for Growth

- Of the 166 total behavioral incidents reported 137 (83%) were addressed through Other Means of Correction, such as restorative conversations, reflection spaces, or support interventions.
- English Learners showed significant growth in i-Ready Reading from Diagnostic 1 to Diagnostic 3: the percentage of students performing three or more grade levels below dropped from 25% to 14%, and those two levels below decreased from 48% to 30%.
- Students performing three or more grade levels below in iReady Math dropped from 43 to 23—a 47% reduction, indicating significant movement out of the most critical tier.

Upheld Commitments

Ongoing Engagement: WCCUSD has collaborated with the DLCAPS Committee throughout 2024–25 to build trust and gather feedback to guide LCAP implementation and development.

Expanded Meetings: Held a total of 13 sessions this year to support consistent engagement and responsiveness.

Full LCAP Review: Each LCAP goal was reviewed twice to ensure thorough understanding and input.

Feedback-Driven Process: Each meeting begins with a timeline review. Input from both the committee and Executive Team informs presentations, which include data to guide decisions. Additionally, two town halls were held to gather broader community feedback and strengthen transparency.

Increased Membership: DLCAPS membership more than doubled from 6 to 13 members. Recent outreach added 17 parent and 6 student applicants through the All Student Congress.

Board of Education Updates: In November, staff presented CAASPP results to the Board. In March, staff shared local iReady data and the district's midyear LCAP progress report to support ongoing monitoring.

Parent Bill of Rights: Parents developed a draft Parent Bill of Rights aligned with Board Policy 6020 and ongoing work is in place to ensure authentic partnership for future years.

Appendix

Acronym Key

BCLAD - Bilingual Credential (credential for teachers in dual language programs)

CalSchls Survey - California Healthy Kids Survey

CDE - California Department of Education

CHKS Survey - California Healthy Kids Survey

CTE - Career Technical Education

C&C - College & Career

DFS - Distance From Standard

DLI - Dual Language Immersion

EL's or ELL's - English Language Learners

ESGI - Educational Software for Guiding Instruction

ELPI - English Language Progress Indicator

LCAP - Local Control Accountability Plan

PD - Professional Development

RFEP - Reclassify Fluent English Proficient

SED - Socio Economically Disadvantaged

SIPPS - Systematic instruction in Phonological Awareness, Phonics, and Site Words

SBAC - Smarter Balanced Assessment Consortium

SPSA - Single Plan for Student Achievement

SWD - Students with Disabilities

TIP - Teacher Induction Program

TK - Transitional Kindergarten

VAPA - Visual & Performing Arts

LCAP Goals 2025-2026

1. **Authentic Engagement:** Build authentic, engaging learning communities by providing students access to enrichment, emotional support, and intentionally collaborating with educational partners
2. **Universal Systems & Accessible Support:** Ensure each student is provided with high quality educators to foster anti-racist, inclusive, and accessible learning environments
3. **Relentless Attention to Achievement:** Empower each student to graduate with the essential skills to be college and career ready in a multilingual, technology-driven world
4. **Students with Disabilities:** Accelerate academic growth for students with disabilities by providing adaptive resources to supplement programming and accelerate academic growth
5. **Targeted Intervention & Support:** Accelerate academic growth and reduce disproportionate outcomes for focal student groups including: Foster Youth, Homeless, English Language Learners, and African American, Latinx (reported as Hispanic).

LCAP Goals 2025-2026

6. **Equity Multiplier: Lincoln Elementary School:** By June 2026, Lincoln Elementary school will increase average distance from standard on the academic indicators as measured by the Smarter Balanced/SBAC state assessments in English Language Arts & Mathematics by 5 points or more.

7. **Equity Multiplier: Greenwood Academy:** By June 2026, Greenwood Academy will have administered a baseline reading and math iReady assessment, and see a growth in achievement of 5% from the baseline to the end of the year.

8. **Equity Multiplier: Stege Elementary:** By June 2026, Stege Elementary school will increase average distance from standard on the academic indicators as measured by the smarter balanced/SBAC state assessments, 3rd-8th grade, in English Language Arts/Literacy and mathematics by 5.0 points or more.

Average Distance from Standard

The overall DFS for a school or district is the average of all students' DFS values.

$$\frac{-12 + 18 + 10 + 12 - 6 + 8}{6} = 5 \text{ points}$$

All schools and districts must test at least 95 percent of their students. If they fail to meet this target, their DFS score will be reduced by one-quarter point for each percentage point that they fall short of the 95 percent target.

Example:

A school with a DFS of +5 tested 91 percent of its students (four points short of the 95 percent target). The DFS is reduced by 1 point. ($4 \times \frac{1}{4} \text{ point} = 1 \text{ point}$)

The final DFS value will fall into one of five levels, ranging from "Very High" to "Very Low."

Understanding *i-Ready's* Criterion Referenced Relative Placement Levels

i-Ready's placement levels are criterion-referenced, reflecting what students are expected to know at each grade level and in each content area. In the following analyses, student performance is described using the following five relative placement levels:

 Mid or Above Grade Level	Students at this level have met or surpassed the minimum requirements for the expectations of college- and career-ready standards in their grade level. Students will benefit from instruction in late on-grade level topics, or above-grade level instruction.
 Early On Grade Level	Students at this level have only partially met grade-level expectations. They will benefit from continued grade-level instruction.
 1 Grade Level Below	Students placing one level below are approaching grade level expectations and can be ready for grade-level instruction with targeted support.
 2 Grade Levels Below  3+ Grade Levels Below	Students placing two or more grades below level will likely need additional support with key skills below their chronological grade level to be ready for grade-level instruction.

How Have Relative Placements Changed From Fall to Winter?

Placement Distribution, Fall 24-25 to Winter 24-25

What is *Median* Progress to Annual Typical Growth?

The median percent progress towards Typical Growth for this school is 55%. Typical Growth is the average annual growth for a student at their grade and baseline placement level.

[Learn More About Growth](#)

This means, if I were to line up all the students in a row, the **Median (middle) student has made 55% progress towards their typical growth measure.**

Therefore, we can say that about half of the students in this grade level have 55% or more progress toward typical growth and about half of the students have at or less than 55% progress towards typical growth, at mid-year.

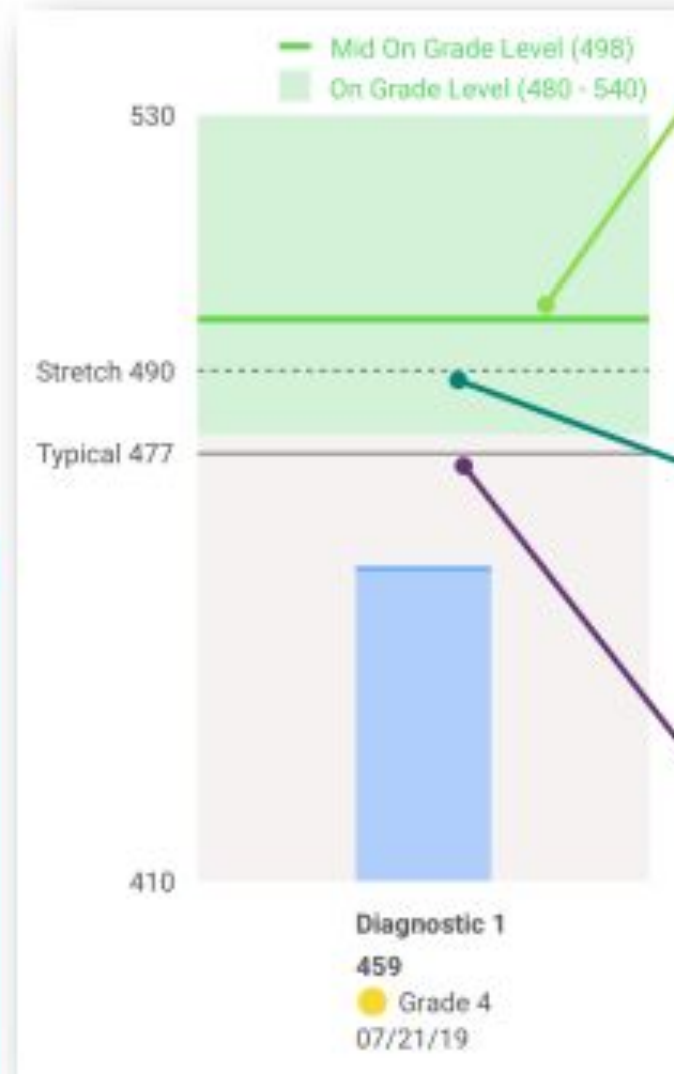

i-Ready Growth Model

Danielle Baker
5th Grade

i-Ready Growth Goals

- Growth Goals are based on **30 weeks** of instruction between the beginning and end of year Diagnostics
- Students should be working to achieve at least 100% progress towards their annual Typical Growth goal by EOY

Proficiency

the ultimate goal for every student

Stretch Growth Goal

the growth needed to close the gap to proficiency

Typical Growth Goal

average growth for a student starting at the same placement level

Data trajectory gives a total of 952 (13%) total students reclassify by the end of June 2025.

English Learner Progress Indicator (ELPI)Metric & Winter Results

Metric	Baseline	Desired Outcome for 26-27	Mid-Year Update
ELPAC ELPI Level Source: CA Dashboard Priority 4E	40% of All EL Students progressed 1 English Learner Progress Indicator (ELPI) level. Level 1: 33.02% Level 2: 30.25% Level 3: 27.18% Level 4: 9.56%	Increase the percentage of students moving up at least 1 ELPI level by 3% per level. Level 1: 36.02% Level 2: 33.25% Level 3: 30.18% Level 4: 12.56%	ELPI demonstrates an improvement of 14%, more than doubling schools performing well on the ELPI from 6 to 13 from 22-23 to 23-24 results. The data demonstrates an upward trend. With the greater implementation of the interim ELPAC we believe this trend continue to go up.
