

Monday & Wednesday

Extracurricular offerings (1:25-2:25)

Sylvester Greenwood Academy

Teacher	Description of activity	Room
Ms. Lipscomb	<p>Study Hall: This is a time to ask questions, do individual coursework, make-up work, late work, design a fifth credit project, fifth credit coursework, art or chem labs, and of course time to talk one on one about grades or other concerns.</p>	217
Ms. Adames	<p>Theater Club / Tutoring: Theatre club is an opportunity to engage in performance arts. We will learn some acting techniques, express ourselves through our art and just have fun with it. /Tutoring will focus mostly on improving student reading skills. We will read fun books and analyze them together, gaining confidence in ourselves as readers.</p>	216
Mr. Brown	<p>The Players Club - Boys Becoming Men: This is a space to soak up game from an OG. "Keep it player."</p>	211
Mr. Nazar	<p>Weight Lifting</p>	Weight Room (gym building)
Mr. Gonzalez	<p>Gym Training / Basketball: Cardio, training, and team building</p>	209
Mr. Litvin	<p>Chess Club / Futbol Club / Study Hall Relax and interact in a mentally stimulating atmosphere</p>	210
Ms. Ng	<p>Academic Tutorial / Hands-on Learning Center: Students will receive individualized academic support in all subject areas. They can also participate in hands-on and creative learning activities (e.g. Lego, K-nex, Tangrams, Rubik's Cube, games & puzzles, etc)</p>	208

Tuesday & Thursday extracurricular offerings (1:25-2:25)

Sylvester Greenwood Academy

Teacher	Description of activity	Room
Leo Cuevas	<p>Boys and Girls Club: Boys and Girls Clubs of Contra Costa is bringing a one of a kind program. This school year instead of focusing on our financial literacy program where we have given away \$400, we are doing something completely different. Join BGCCC to not just learn about financial literacy, but about real life skills, internship opportunities, resume and job help, and so much more! Each day we will be giving money away to students who participate during our class!</p>	Library
Ms. Ng	<p>Academic Tutorial / Hands-on Learning Center: Students will receive individualized academic support in all subject areas. They can also participate in hands-on and creative learning activities (e.g. Lego, K-nex, Tangrams, Rubik's Cube, games & puzzles, etc)</p>	208
