

FireCracker MATH

Promoting Love for Mathematics

Ellerhorst Elementary School

Winter 2021-2022 Trimester, Grades 4 - 6

Firecracker Math enrichment program offers kids a broad variety of age-appropriate yet challenging math topics and activities and enhances their natural abilities and understanding of mathematics. Theoretical instructions are combined with practical exercises that employ games, hands-on experiments, magic tricks and puzzles to demonstrate mathematical concepts. At our math classes, we aim to show children that math can be incredibly creative, exciting, and fun.

Dates: 8 classes, Wednesday 2:10 pm - 3:10 pm, 12/01/2021 – 2/02/2022 (except 12/22 & 12/29)

Cost: \$160 per student (class size 5 - 12 students)
