# California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the <u>CDE DataQuest Web page</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### School Description and Mission Statement (School Year 2017-18)

Vision: Chavez Scholars think beyond themselves and are problem solvers. They continually develop emotional intelligence and strong moral character as they gain academic proficiency and self motivation. They are on track for college and career success.

**Mission**: Through collaboration, reflection, transformative professional development and the use of all available resources, we are a school and community that holds high expectations for teaching and learning to support Chavez Scholars on their path to college and career success.

Theory of Action:

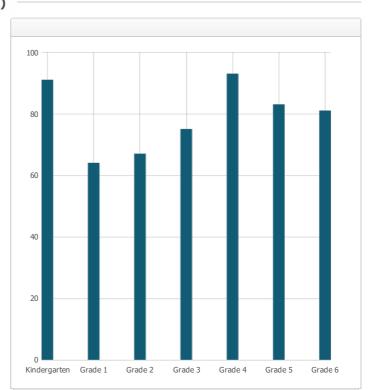

(Teaching & Learning) If we intentionally refine our instructional practices and sharpen the implementation of our Response to Intervention then we will see student achievement soar.

(Student Culture & Climate) If we provide students with tools to collaborate, advocate, solve conflict and communicate then we will be a safe and welcoming community.

(Adult Learning) If we develop as professional learning communities then we will provide teachers with the tools to impact student achievement.

#### **School Facility Conditions and Planned Improvements**

WCCUSD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses the Facility Inspection Tool (FIT) developed by the State of California OPSC. Maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The school personnel also works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAS] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## School Safety Plan (School Year 2017-18)

Last revised 2/2/2016 by Elizabeth Montes-Nation

Safety Plan Overview: The emergency organizational structure identified in the school site's plan is consistent with the federally mandated National Incident Management System (SIMS), and the State of California's Standardized Emergency Management System (SEMS), and it effectively structures emergency response at all levels in compliance with the Incident Command System.

Preparedness efforts include the assignment of Disaster Service Workers and their responsibilities, routine earthquake and fire drills, review of Emergency Response roles/actions, evacuation procedures, as well as bomb threat procedures, reunification procedures, provision of emergency supplies, exercise drills such as lockdowns and shelter-in-place, and WCCUSD's Guidelines for Threat Assessment and Management Process.

#### **Professional Development**

Teachers receive professional development during faculty meetings, weekly collaborations (on Wednesdays) and are offered 5 additional hours of professional development per trimester. The Instructional Leadership Team (ILT) met before the start of the school year to set SMART goals as well as to map out the Wednesday Collaboration Calendar for the school year. Beyond the content areas, professional development is provided in English Language Development, Data Driven Instruction, socio-emotional learning, instructional strategies, Writing, technology use and various other topics. One major focus this school year has been around writing and implementing the Teachers College Units of Study; we are working with Growing Educators to provide ongoing coaching and planning support for teachers in all grade levels. The primary goal of the professional development program is ensuring that all students are served by skilled, highly qualified teachers are supported by strong, knowledgeable instructional leaders. In addition, teachers have the opportunity to participate in the following PLCs: Math, Design Thinking, and ELD.

Additional Opportunities for professional growth:

MOU with District: for the following Committees: Technology Teacher Lead, Academic Subcommittee, Common Core State Standard Working Group.
 TAT (Teachers Assisting Teachers) Early detection of Academic or Behavioral Needs before submitting student through an SST (Student Study Team) 5th year
