California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the <u>CDE DataQuest Web page</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

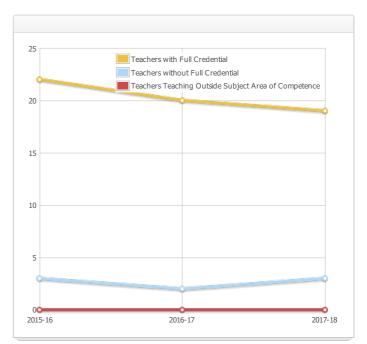

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

WCCUSD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses the Facility Inspection Tool (FIT) developed by the State of California OPSC. Maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The school personnel also works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Last updated: 1/23/2018

School Facility Good Repair Status

Year and month of the most recent FIT report: January 2018

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Actions were/will be taken to ensure:
		There is no odor that would indicate a gas leak.
		Gas pipes are not broken and appear to be in good working order.
		The HVAC system is operable.
		There are no obvious signs of flooding caused by sewer line back- up in the facilities or on the school grounds.
Interior: Interior Surfaces	Fair	Interior surfaces appear to be clean, safe, and functional.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	School grounds, buildings, common areas, and individual rooms appear to have been cleaned regularly. Actions were/will be taken to ensure:
		There is no evidence of a major pest or vermin infestation.
Electrical: Electrical	Fair	Lighting appears to be adequate and working properly, including exterior lights. Actions were/will be taken to ensure: There is no evidence that any portion of the school has a power failure.
		There are no exposed electrical wires. Electrical equipment is properly covered and secured from pupil access.
Restrooms/Fountains: Restrooms, Sinks/Fountains	Fair	Restrooms in the vicinity of the area being evaluated appear to be accessible during school hours, clean, functional and in compliance with SB 892 (EC Section 35292.5). Drinking fountains appear to be accessible and functioning as intended.
Safety: Fire Safety, Hazardous	Good	

ensure:

		The fire sprinklers appear to be in working order (e.g., there are no missing or damaged sprinkler heads). Emergency alarms appear to be functional. Emergency exit signs function as designed, exits are unobstructed. Hazardous chemicals, chemical waste, and flammable materials are stored properly (e.g. locked and labeled properly).
Structural: Structural Damage, Roofs	Fair	Roof systems appear to be functioning properly. Actions were/will be taken to ensure: Severe cracks are not evident. Ceilings & floors are not sloping or sagging beyond their intended design. Posts, beams, supports for portable classrooms, ramps, and other structural building members appear to be intact, secure and functional as designed. There is no visible evidence of severe cracks, dry rot, mold, or damage that undermines the structural components.
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Fair	The playground equipment and school grounds in the vicinity of the area being evaluated appear to be clean, safe, and functional. Actions were/will be taken to ensure: There is no exposed broken glass accessible to pupils and staff. Exterior doors and gates are functioning and do not pose a security risk.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

• SCHOOL SITE COUNCIL: Highland's School Site Council meets the last Thursday of selected months. SSC members are elected by written ballot in the fall of each year for one year terms. However, all parents and community members are welcome at every SSC meeting. The SSC is responsible for input, approval, and monitoring of the Single Plan for Student Achievement. Current information about SSC activities can be found on the Parent Bulletin Board at the front entrance of the school.

• ENGLISH LEARNER ADVISORY COMMITTEE: The ELAC advises the Principal on matters related to English Learners, as well as other topics of interest to the members such as attendance and school climate. ELAC meets the first Friday of every month at 8:45 AM

• PARENT CAFE: The Parent Cafe supports a positive school climate, primarily through community events. Parent cafe plans and provides volunteers for fundraising events, for school events, such as Holiday Craft Night, Literacy Night, Math Night, and parent education events. Our Parent Cafe meets the first Friday of every month at 8:45 AM

• PARENT SURVEY: Every year a Parent Survey is distributed to all families to solicit input on Parent Involvement/Communication, School Safety, and Instructional Programs.

• SATURDAY SCHOOL: One Saturday per month starting in January the principal holds Saturday School. Parents are welcome to attend in order to assist them in promoting grade level appropriate work habits for their children.

• African American Parent Group: Meets the last Wednesday evening of each month.

School Safety Plan (School Year 2017-18)

Last revised 2/2/2016 by Elizabeth Montes-Nation

Safety Plan Overview: The emergency organizational structure identified in the school site's plan is consistent with the federally mandated National Incident Management System (SIMS), and the State of California's Standardized Emergency Management System (SEMS), and it effectively structures emergency response at all levels in compliance with the Incident Command System.

Preparedness efforts include the assignment of Disaster Service Workers and their responsibilities, routine earthquake and fire drills, review of Emergency Response roles/actions, evacuation procedures, as well as bomb threat procedures, reunification procedures, provision of emergency supplies, exercise drills such as lockdowns and shelter-in-place, and WCCUSD's Guidelines for Threat Assessment and Management Process.

Quality instruction and instructional leadership are at the heart of the district's achievement efforts. To ensure this, the Academic Support Division engages teachers, administrators and other personnel in ongoing professional development focused on improving teaching and learning. Training is provided to principals and other administrators to improve their ability to provide strong instructional leadership and guide teaching and learning at school sites. The principals, in turn, provide support to teachers through staff conferences, opportunities for collaborative study and planning, and individual coaching based on ongoing classroom observations. Teachers and other staff are provided with both on and off-site professional development in all standards based curriculum content areas. Beyond the content areas, professional development is provided in English Language Development, differentiated instruction, Restorative Practices and educational technology.

In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of the professional development program is ensuring that all students are served by skilled, highly qualified teachers and that teachers are supported by strong, knowledgeable instructional leaders. Highland teachers participate in the District provided staff development opportunities. We also have onsite staff development based on a needs survey of teachers.CCSS focus areas this year include academic discourse and authentic, SBAC like assessment. In summer of 2017, teachers began professional development modules around Lucy Calkins' writing program and Millie Burns's approach to Social Emotional Learning.
