California Department of Education School Accountability Report Card

Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the <u>CDE DataQuest Web page</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

The mission of Lincoln Elementary School is to provide each student with a diverse education in a safe, supportive, environment that promotes excellence in learning, self-discipline, and motivation. The Lincoln Elementary Team joins parents and the community to assist students in developing skills to become college and career ready, collaborative yet self- sufficient citizens who will succeed and contribute responsibly in a global community.

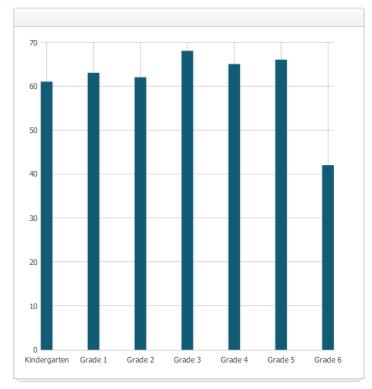

Lincoln Elementary School is located off of Harbour Way in Richmond's Iron Triangle, north of highway 580 and east of the Richmond Parkway. Lincoln Elementary is committed to providing a safe and welcoming school environment in which a clear, well-resourced and rigorous student achievement program addressing the full range of student needs flourishes in order to prepare our students for meaningful engagement with the world around them. We prepare students to become successful participants in society by mastering reading and writing skills, building self-esteem and confidence, and celebrating cultural and linguistic differences. Lincoln currently has full day Kindergarten and has put several reforms in place in order to boost students' achievement and build a stronger sense of community at the school for our students, families and staff.

In addition, we will continue to improve the connections between the school and community (home visits, counselors, school community workers, etc.) We continue to establish school-wide and grade level goals for all subgroups and through grade level collaboration continue to assess progress towards meeting those goals through a frequent and systematic analysis of student data. Grade level teams collaborate to provide a rigorous and effective program, ensuring that all students are learning targeted standards through frequent assessment and action plans for re addressing gaps in student learning through classroom intervention to ensure students are successful in mastering the standards. RTI is in place with teachers working with small groups of students in the classroom based on their level of intervention and the Learning Center assisting students at the lowest levels. At Lincoln, the Star Literacy assessment is used to assess students 3- 7 times per year and students in the "at-risk" and "some risk" levels are progress monitored every two weeks. We also use Accelerated Reader for students in grades 1-6 to track their reading level progress, this provides students with a reading level (fluency and comprehension are assessed). All teachers have leveled libraries in their classrooms and the school library is currently leveled. Students will be able to use the leveled libraries in their classrooms as well as checking out books from the school leveled library in order to practice reading at home so they can improve reading skills. We will continually assess all instruction and adjust as needed to achieve student success for all. In an effort to increase student learning time in the classroom and solve recurring behavior issues, Lincoln is focused on implementing positive and preventive behavior management programs, techniques, and strategies for our students.

A. Conditions of Learning

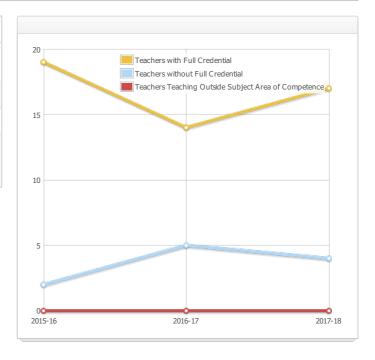

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

WCCUSD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses the Facility Inspection Tool (FIT) developed by the State of California OPSC. Maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The school personnel also works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Last updated: 1/23/2018

School Facility Good Repair Status

Year and month of the most recent FIT report: July 2017

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Actions were/will be taken to ensure:
		There is no odor that would indicate a gas leak. Gas pipes are not broken and appear to be in good working order.
		The HVAC system is operable. There are no obvious signs of
		flooding caused by sewer line back- up in the facilities or on the school grounds.
Interior: Interior Surfaces	Poor	Interior surfaces appear to be clean safe, and functional.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Fair	School grounds, buildings, common areas, and individual rooms appear to have been cleaned regularly. Actions were/will be taken to ensure:
		There is no evidence of a major pest or vermin infestation.
Electrical: Electrical	Good	Actions were/will be taken to ensure:
		There is no evidence that any portion of the school has a power failure.
		There are no exposed electrical wires. Electrical equipment is properly covered and secured from pupil access.
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	Restrooms in the vicinity of the area being evaluated appear to be accessible during school hours, clean, functional and in compliance with SB 892 (EC Section 35292.5). Drinking fountains appear to be accessible and functioning as intended.
Safety: Fire Safety, Hazardous Materials	Good	Actions were/will be taken to ensure:
		The fire sprinklers appear to be in working order (e.g., there are no

missing or damaged sprinkler heads).

Emergency alarms appear to be functional.

Emergency exit signs function as designed, exits are unobstructed.

Hazardous chemicals, chemical waste, and flammable materials are stored properly (e.g. locked and labeled properly).

Structural: Structural Damage, Roofs

Good

Actions were/will be taken to ensure:

Severe cracks are not evident. Ceilings & floors are not sloping or sagging beyond their intended design.

Posts, beams, supports for portable classrooms, ramps, and other structural building members appear to be intact, secure and functional as designed.

There is no visible evidence of severe cracks, dry rot, mold, or damage that undermines the structural components.

External: Playground/School Grounds,

Windows/Doors/Gates/Fences

Good

The playground equipment and school grounds in the vicinity of the area being evaluated appear to be clean, safe, and functional. Actions were/will be taken to ensure:

There is no exposed broken glass accessible to pupils and staff.

Exterior doors and gates are functioning and do not pose a security risk.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

PARENT INVOLVEMENT PROGRAMS

- All communication with parents and community is sent in English and Spanish.
- · Monthly calendars are sent home to remind families of important dates both in English and Spanish.
- Parents are reminded of events at school using the Connected telephone system.
- Free babysitting is provided at the school during parent classes and meetings in order to encourage more parents to attend.
- Monthly parent meetings are held on the first Friday of every month.
- Parents are encouraged to participate in the School Site Council and the ELAC.
- Parents are encouraged to observe and volunteer at the school.
- Parent appreciation breakfasts/ luncheons are held.
- Parents are encouraged to attend Tool Box meetings, Literacy Nights and other parent events.
- Parents are recognized annually for their dedication to our school community.
- Parents will have the opportunity to be a part of "Parent University" classes in spring 2018

School Site Council (SSC): The role of the SSC is to give parents, faculty and staff more on-site decision making ability by giving individuals the opportunity to work together in planning school program improvements. Every elementary school must have a School Site Council composed of five parents or community members, the principal, three classroom teachers, and one other staff member (Education Code Section 52852).

School Safety Plan (School Year 2017-18)

Last revised 2/2/2016 by Elizabeth Montes-Nation

Safety Plan Overview: The emergency organizational structure identified in the school site's plan is consistent with the federally mandated National Incident Management System (SIMS), and the State of California's Standardized Emergency Management System (SEMS), and it effectively structures emergency response at all levels in compliance with the Incident Command System.

Preparedness efforts include the assignment of Disaster Service Workers and their responsibilities, routine earthquake and fire drills, review of Emergency Response roles/actions, evacuation procedures, as well as bomb threat procedures, reunification procedures, provision of emergency supplies, exercise drills such as lockdowns and shelter-in-place, and WCCUSD's Guidelines for Threat Assessment and Management Process.

Professional Development

Teachers meet weekly for grade level team collaboration and planning based on analysis of standards based student assessment. During their meetings, grade levels focus on student data and set goals for improvements in achievement based on researched based instructional practices. They set a date and parameters around reassessment in order to check in to see how their practices are affecting student learning. We have academic conferencing at least three times per year. Professional development for our staff is focused around the WCCUSD focuses for this school year and the new Common Core Standards, the Tool Box school wide behavior management, working with English Language Learners, in addition to strengthening the reading/language arts and math instructional practices in the classrooms and school wide. There is a strong focus on personalized learning through the 1 to 1 tablet initiative, with an emphasis on self-directed learning with khan Academy, Extra Math and Edmodo snapshots that provide progress-monitoring assessments.

Teachers and other staff are provided with both on and off-site professional development in all standards based curriculum content areas. Beyond the content areas, professional development is provided in English Language Development, differentiated instruction and educational technology. In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of professional development is ensuring that all students are served by skilled, highly qualified teachers and that teachers are supported by strong, knowledgeable instructional leaders.
