California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Sheldon Elementary School believes that every child can and will succeed in ways that reflect his or her own unique aptitude and interests. We believe that student achievement is attained through challenging, rigorous standards based instruction. With the belief that education is a life-long process that begins in early childhood and proceeds through adulthood, all stake holders are invested in the advancement of all children. Academic achievement is acknowledged and celebrated as our core group of teachers set the bar high and are tireless in providing explicit direct instruction. We incorporate a myriad of strategies to activate student knowledge through culturally responsive and pedagogically sound practices with fidelity.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

WCCUSD takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the school uses the Facility Inspection Tool (FIT) developed by the State of California OPSC. Maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The school personnel also works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	33%	32%	35%	35%	48%	48%
Mathematics (grades 3-8 and 11)	28%	27%	25%	25%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	214	210	98.13%	32.38%
Male	97	95	97.94%	22.11%
Female	117	115	98.29%	40.87%
Black or African American	59	59	100.00%	30.51%

English Learners	90	87	96.67%	29.89%
Students with Disabilities	43	43	100.00%	
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

 - Ice Cream Social
 - Shark Fest
 - Monthly Coffee Chats
- AFTERSCHOOL PROGRAM:**
- YMCA
 - Girl Scouts
 - Mafanikio
 - Drama

SCHOOL SITE COUNCIL (SSC): The role of the SSC is to give parents, faculty and staff more on-site decision-making ability by giving individuals the opportunity to work together in planning school program improvements. Every elementary school must have a School Site Council composed of five parents or community members, the principal, three classroom teachers, and one other staff member (Education Code Section 52852).

School Safety Plan (School Year 2017-18)

Last revised 2/2/2016 by Elizabeth Montes-Nation, Coordinator-Disaster Preparedness and Safety

Safety Plan Overview: The emergency organizational structure identified in the school site's plan is consistent with the federally mandated National Incident Management System (SIMS), and the State of California's Standardized Emergency Management System (SEMS), and it effectively structures emergency response at all levels in compliance with the Incident Command System. Preparedness efforts include the assignment of Disaster Service Workers and their responsibilities, routine earthquake and fire drills, review of Emergency Response roles/actions, evacuation procedures, as well as bomb threat procedures, reunification procedures, provision of emergency supplies, exercise drills such as lockdowns and shelter-in-place, and WCCUSD's Guidelines for Threat Assessment and Management Process.

Professional Development

Quality instruction and instructional leadership are at the heart of the district's achievement efforts. To ensure this, the Academic Support Division engages teachers, administrators and other personnel in ongoing professional development focused on improving teaching and learning. Training is provided to principals

and other administrators to improve their ability to provide strong instructional leadership and guide teaching and learning at school sites. The principals, in turn, provide support to teachers through staff conferences, opportunities for collaborative study and planning, and individual coaching based on ongoing classroom observations. Teachers and other staff are provided with both on and off-site professional development in all standards based curriculum content areas.

Beyond the content areas, professional development is provided in English Language Development, Gifted and Talented Education (GATE), differentiated instruction and educational technology. In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of the professional development program is ensuring that all students are served by skilled, highly qualified teachers and that teachers are supported by strong, knowledgeable instructional leaders. Teachers are informed of the various opportunities for professional development and encouraged to attend.

Many at Sheldon have taken additional classes. Some of the topics have been: Math with Phil and Drew, Differentiation with Ed Services; Whole Brain Teaching strategies; in addition to district provided professional development, Sheldon teachers take the lead in providing staff development in areas that support our CCSS focus and from disaggregated student data. Teachers collaborate on a regular basis and discuss teaching techniques. A major focus is on Language Arts and coordinating ELD strategies into the curriculum. They also meet to review testing and develop pacing in both ELA and Math.
