- * B.8 WCCUSD Public Comment

Members of the public are invited to speak to the Board about any matter that is not otherwise on the agenda and is related to issues affecting public education in the WCCUSD. **Approximately 30 minutes will be allocated for this item.** If there are more requests to speak than can be heard within this time limit, "WCCUSD Public Comment" will continue after Item G. Individuals wishing to speak must submit a "WCCUSD Public Comment" form prior to the beginning of this item on the agenda.

Depending on the number of persons who wish to speak, from one to three minutes will be allocated to each speaker at the discretion of the President of the Board in order to accommodate as many speakers as possible. The Board cannot dialogue on any issues brought before it by the public that have not been previously agendized, but may refer these to staff for response and/or placement on future agendas.

C. BUSINESS ITEMS

CONSENT ITEMS (Routine Matters)

Consent Calendar Items designated by "CI" are considered routine and will be enacted, approved and adopted by one motion, unless a request for removal, discussion or explanation is received from any Board member or member of the public in attendance. Items the Board pulls for discussion or explanation will be addressed following Section E.

*CI C.1 Grants/Awards/Agreements

Comment:

Formal action is requested from the Board of Education to accept the grants/awards/agreements, as detailed, dated November 20, 2013.

Comment:

The District has received donations as summarized, dated November 20, 2013.

Recommendation:

Recommend Approval

Fiscal Impact:

As noted per donations summary

*CI C.3 Approval of Fund-Raising Activities

Comment:

The planned fund-raising events for the 2013-2014 school year are summarized, dated November 20, 2013.

Recommendation:

Recommend Approval

Fiscal Impact:

Additional revenue for schools

*CI C.4 Summary of Payroll and Vendor Warrant Reports

Comment:

The summaries of Payroll and Vendor Warrants issued during the month of November 2013 are provided.

Total of payroll warrants (October, 2013): \$ 9,722,789 Total of vendor warrants (October, 2013): \$ 28,563,311

Recommendation:

Recommend approval of the payroll and vendor warrant reports

Fiscal Impact:

As noted above

*CI C.5 Notice of Completions: Bids 1251612-04 Grant Elementary & 1341612-04 Lake Elementary School Fire Alarm Modernization

Comment:

Substantial completion notice has been received for: Bids 1251612-04 & 1341612-04.

Major construction projects are subject to acceptance by the governing board before a Notice of Completion can be processed, and final payment of the contract made. (BP 7470)

Staff recommends acceptance of the work completed by the following contractor:

BBJ Electric, Bids 1251612-04 Grant Elementary & 1341612-04 Lake Elementary Fire Alarm Modernization.

Recommendation:

Recommend approval of these notices of completion

Fiscal Impact:

None

*CI C.6 Routine Personnel Changes – Classified

Comment:

Routine personnel changes include actions to hire, promote, or terminate classified employees in accord with appropriate laws, established policies and procedures.

Recommendation:

Approve Classified Personnel Changes

Fiscal Impact:

None

*CI C.7 Certification of Athletic Coaches – Fall Sports

Comment:

Under California Education Code Section 5593, all athletic team coaches are required to be certified annually. Topics covered during the training include first aid, CPR, coaching techniques, adolescent psychology (as it relates to sports participation), and ethics. Provided are lists of coaches from each high school for fall sports.

Recommendation:

Recommend Approval

Fiscal Impact:

None

*CI C.8 Approval of Common Core State Standards (CCSS) Implementation Funds Plan

Comment:

The CCSS implementation funds will be spent on professional development, supplemental instructional materials aligned to the common core, and technology. Staff presented the elements of the CCSS Implementation Funds Plan at the November 6 Board Meeting. A public hearing was also held at the November 6 Board Meeting.

The next step is for the Board to approve the plan.

Recommendation:

Recommend Approval

Fiscal Impact:

\$5,872,800 (for the 2013-14 and 2014-15 school years)

*CI C.9 Ratification and Approval of Engineering Services Contracts

Comment:

Contracts have been initiated by staff using previously qualified consulting, engineering, architectural, or landscape architectural firms to assist in completion of the referenced projects. Many of the firms are already under contract and the staff-initiated work may be an extension of the firm's existing contract with the District. Public contracting laws have been followed in initially qualifying and selecting these professionals.

Recommendation:

Ratify and approve contracts

Fiscal Impact:

Total for this action: \$255,099. Funding sources Measure J, D-2010 & E-2012 Bond.

*CI C.10 Ratification and Approval of Negotiated Change Orders

Comment:

Staff is seeking ratification of Change Orders on the following current District construction projects: Kensington ES Moisture Abatement; Kensington ES Restroom Renovations; Kennedy HS Science Wing Renovation; Portola MS New Building; Helms MS Sports Field & Landscaping; De Anza HS Replacement Campus; Peres ES Modernization; New Gompers/LPS Schools. Change Orders are fully executed by the District upon signature by the Superintendent's designee. Board ratification is the final step required under state law in order to complete payment and contract adjustment.

In accordance with Public Contract Code 20118.4, the Board, by ratifying these Change Orders, finds that it would have been futile to publicly bid the work in question because of the tight time frames to complete this work without affecting the operations of the District, and that the public is best served by having this work completed by the contractor on the project.

Recommendation:

Ratify negotiated Change Orders as noted

Fiscal Impact:

Total ratification and approval by this action: \$279,451.44

*CI C.11 Approve Measure J and D 2010, Measure E 2012, Bond Program Budget Expenditure Authorization

Comment:

The District needs to update the Bond Program Budget to accommodate updated, anticipated project costs, based on recently received bids. The expenditure authorization worksheet includes these proposed adjustments.

Several other current construction estimates exceed the approved project budgets; therefore an ongoing reconciliation will be needed as projects are bid, closed out, and/or additional expenditures are incurred.

Recommendation:

Approve Measure J and D 2010, Measure E 2012, Bond Program budget expenditure authorization

Fiscal Impact:

Updated budgets for Measure J and D 2010, Measure E 2012 Bond Program

*CI C.12 Acceptance of Contra Costa County Office of Education Annual Report for Williams Settlement Legislation

Comment:

As a part by the compliance requirements for the Williams Settlement Legislation, the Contra Costa County Office of Education has submitted its annual report for fiscal year 2013-2014. This report presents the results of school site visits within the first four weeks of school.

Recommendation:

Recommend Acceptance of Report

Fiscal Impact:

None

*CI C.13 Approval of Board Members Travel

Comment:

Board Bylaw 9250 stipulates members of the board shall be reimbursed for allowable expenses incurred in attending any meetings or in making any trips on official business of the school district when so authorized in advance by the Board of Education. (Education Code 35044). Board member Todd Groves has expressed interest in attending the following:

• Transforming EDU, Las Vegas, NV, January 9, 2014

Expenses including registration, travel and food are budgeted and there is sufficient funding within that budget.

Recommendation:

Recommend Approval

D. AWARDS, RECOGNITIONS, AND REPORTS

* D.1 Ed Fund Grant Awardees for 2013

Comment:

For the 30th year, the Ed Fund will be awarding mini-grants and school-wide grants to WCCUSD Schools. The Ed Fund Grants program was re-designed to support the District's strategic plan, with priority areas that reflected quality instruction, innovation, and an investment in the whole child. The education

community responded with imaginative grant projects that will transform our students' academic, social, and emotional growth by making learning come to life.

This year the Ed Fund awarded over \$30,000 in grant money to 40 amazing projects destined to ignite imagination and create change in our schools. The Ed Fund was able to award grants to 30 different schools throughout the District. This is by far the most diverse set of awardees we have had in terms of the distribution of grants to different schools.

We are proud of our continued support to WCCUSD and our teachers and students in the classroom. We will showcase the grant winners during the meeting.

E. COMMITTEE COMMUNICATIONS

(Education Code 35145.5; Government Code 54950 et seq.)

* E.1 Standing Reports

Representatives of the following committees and employee unions are invited to provide a brief update to the Board. Representatives from these groups need to sign up to speak prior to the beginning of this item on the agenda by submitting a "Request to Address the Board" form. Five minutes may be allowed for each subcommittee or group listed below:

Academic Subcommittee
Bayside Parent Teacher Association
Citizens' Bond Oversight Committee
College and Career Readiness Academies
Community Budget Advisory Committee
Facilities Subcommittee
Ivy League Connection

Public Employees Local 1 Safety and School Climate Committee School Supervisors Association Technology Committee United Teachers of Richmond Youth Commission

* E.2 Superintendent's Report

* E.3 In Memory of Members of the School Community

Comment:

The District would like to take time to recognize the contributions of members of our school community who have passed away. The District requests the community to submit names to be reported as a regular part of each agenda.

Ms. Simontachi started in the District in 1969 as a teacher. She later moved to the positions of Literacy Coach, Instructional Support Reading and EID Coach before retiring in 2008.

Our thoughts go out to the family and friends in the loss of their loved one.

F. ACTION ITEMS

* F.1 Approval of Agreement with West Contra Costa Administrators Association (West Contra Costa Administrators Association / AB1200 Public Disclosure of Collective Bargaining Agreement with WCCAA)

Comment:

The contract before the Board of Education is a completion of total contract negotiations between the District and West Contra Costa Administrators Association (WCCAA) which began in 2012-2013. The District and WCCAA agreed to Salary and Benefits for 2012-13 at the January 23, 2013 Board meeting.

The contract has contractual language changes are in the following areas:

- Article 3 Salary provisions for Doctorate and Longevity
- Article 5 Agency dues are clarified
- Article 8 Extensive work to ensure all leaves are in compliance with currents laws
- Article 11 Clarifying process for filling of bargaining unit vacancies
- Article 12 Benefits clarified to reflect January 23, 2013 agreement
- Article 15 Updating evaluation dates and timelines. Appeal process for evaluation process included
- Article 17 Job Sharing and Reduced Contracts was added to the contract
- Article 18 Reclassification Process was added to the contract
- Article 21 Safety provision was added to contract
- Article 22 Updated the number of exchange day allowed was added to contract
- Article 23 End of Year release was added to the contract. The language is a reflection of current law
- Article 24 Layoff procedure was added to contract to comply with current law
- Appendix Extended Learning daily rates were corrected to the accurate amount

The West Contra Costa Administrators Association (WCCAA) has ratified the Agreement; it is now presented to the Board of Education for ratification.

School districts are required to publicly disclose the provisions of all collective bargaining agreements before they ratify an agreement. This ensures that the public is aware of the details associated with a tentative collective bargaining agreement before it becomes binding on the District. A summary of the savings associated with the agreement is provided. This summary has also been provided to the County Office of Education.

The Board will receive public comment on the proposed contract changes before the Board votes to ratify the Agreement.

We want to take this occasion to thank the representatives of both groups for their time and effort in reaching this accord through the interest based process.

Recommendation:

Recommend that the Board of Education ratify the Tentative Agreement between the West Contra Costa Unified School District and West Contra Costa Administrators Association (WCCAA).

Fiscal Impact:

General Fund \$9, 250 for 2013-2014 General Fund \$11,250 for 2014-2015 General Fund \$15,000 for 2015-2016

* F.2 Procurement Contract for Data Center and Wireless Infrastructure

Comment:

Under Public Contract Code Section 20118 (K-12) our District is able to utilize procurement contracts which have been publicly bid or negotiated for the use by other public entities. Through CDWG we will be utilizing National Joint Powers Alliance, and CalSave contracts for the procurement of a wireless infrastructure for 13 sites and head-end equipment to be used for the District's video surveillance system, email servers, Voice over IP communications and storage.

In March 2013, the Board approved an ERATE contract to upgrade the wireless infrastructure for eleven of our ERATE eligible schools. These schools are: Downer, Ford, Nystrom, Peres, Verde, Harbour Way, Helms, King, Dover, Gompers and Kennedy. ERATE did not approve the funding and consequently these schools have not yet been upgraded. Coronado (temp campus), and Valley View were folded into the contract when it was determined that the equipment could be repurposed once Bond completes these sites. In addition, it was found that antiquated switches remain at DeJean, Grant, Lake, Lincoln and Richmond despite the recent wireless infrastructure upgrade as performed by AT&T earlier this year. Twelve switches are included in the Build of materials for this reason. The total cost of the project is \$2,144,461.56.

Competitive bids were sought for the data center piece of the project. The purpose of the data center is to serve as the "head-end" for our video surveillance system and to upgrade all older servers, to include our email servers and VOIP servers. Nine-hundred (900) VOIP phones are included for the purpose of standardizing all sites on the same communication (phone) system. The total cost for this part of the project is \$1,431,082.37.

Recommendation:

Approve the NJPA contract for the procurement of wireless infrastructure and CalSave contract for the data center for the purpose of upgrading remaining sites with new switching, wireless technology and establishing a "head-end" which will support the District's video surveillance system, email servers, VOIP communications and storage.

Fiscal Impact:

\$3,575,543.93 from Measure D 2010 and Measure E 2012

* F.3 Call for Nominations for California School Boards Association (CSBA) Delegate Assembly

Comment:

The California School Boards Association is accepting nominations for its Delegate Assembly. Delegates will serve a two-year term beginning April 1, 2014 through March 31, 2016 and are required to attend two meetings each year. There are three delegates in Region 7, Sub-Region 7-A, whose terms expire in 2014.

Recommendation:

To discuss and ascertain whether the West Contra Costa Unified School District (WCCUSD) Board of Education will nominate delegates for the CSBA Delegate Assembly.

C. ACTION ITEM

C.2 Ratification of Staff Awarded Contract: Pinole Valley High School Detention Basin, Utilities and Paving
Mr. Fay asked the Board to ratify the award of contract for the Pinole Valley High School detention basin and utilities.

Public Comment:

Richard Bohler, Bob Lilley

Board Comment:

Mr. Ramsey had questions for Mr. Abdalla regarding employees of a subcontracting electrical company. Mr. Abdalla responded that he was in contact with individuals to resolve. Mr. Ramsey continued with questions about trends in project bids. Mr. Abdalla spoke about the trend being seen with Coronado and El Cerrito with increases in costs. Discussion was held about increase in pricing and upcoming projects such as Nystrom, Kennedy Swim Center, and Montalvin.

MOTION: Mr. Ramsey moved approval to ratify the staff awarded contract: Pinole Valley High School Detention Basin, Utilities and Paving. Mr. Groves seconded. A roll call vote was taken with Mr. Enos, Mr. Groves, Mr. Ramsey, Ms. Merriweather, and President Kronenberg voting yes, with no abstentions and no absences. Motion carried 5-0-0-0.

C.1 Authorization for Community Survey

Superintendent Harter spoke about a recent meeting with community groups to address the impact of the Local Control Funding Formula (LCFF). He spoke about the widespread belief that LCFF will relieve financial problems. He said that if implemented as improved, LCFF offers a good future for the District. However, in the short term the District is still \$29 million short of the 2007-08 funding for the same numbers of students. The District has multiple

needs as well as a strategic plan that will show the Board and community where the education delivery system needs to be and will drive up costs as well. He continued to say that assessed property values continue to be a problem, resulting in a decrease of 6% in Richmond setting bond the program back. He introduced Bryan Godbe of Godbe Research to provide a frame of the landscape and possibilities for a local revenue increase.

Mr. Godbe provided a review of data from the last survey performed for the District. He explained the percentages of support at various levels from the community of voters sampled in the survey. He further spoke of a split sample approach to survey a parcel tax and/or bond measure for a June 2014 election. He also addressed the timing of the survey and the impact of the upcoming holiday season.

Public Comment:

Antonio Medrano, Dennis Cody, Carolyn Day Flowers, Eduardo Martinez

Board Comment:

Mr. Ramsey invited Dave Olson, Jeff Baratta and Scott Henry, bond finance investment advisors, to join in the discussion. Mr. Ramsey recalled history of past election efforts.

Mr. Ramsey asked Mr. Godbe questions about the level of tax threshold voters are willing to fund. Mr. Godbe responded with information about the changing economic climate. Mr. Ramsey said he was interested in a bond and parcel tax survey with 600 potential voters sampled. He spoke of the voters as sophisticated and smart enough to understand. He also spoke about teacher salaries, school maintenance, music programs and class sized reduction as issues of concern to voters.

Mr. Olson, Mr. Baratta, and Mr. Henry offered opinions about the need for flexibility to maintain and even accelerate the construction program.

Mr. Enos spoke about the cost of a survey in order to develop a plan. He said he felt it important to see the data in order to base a decision to place a ballot measure before voters. He said he was in support of funding the strategic plan and teacher salaries.

Ms. Merriweather expressed concern about rushing into an election. She said that her opinion was that the District has many efforts demanding attention with the implementation of Common Core Standards and the strategic plan. She expressed feeling very uncomfortable about rushing. She said she felt it important to take time to look at the strategic plan based on the funding already in the District. She urged postponing a survey for at least a year and allow the strategic plan to guide the District.

Mr. Groves asked Mr. Olson about funding assumptions built into the bond program under the current measures. Mr. Olson responded with information regarding bonds issued in alternate years through 2023. Mr. Groves had additional questions about the maximum tax rate. Mr. Olson responded with information about bond measures reaching maximum rates, repayment and expenditures of new bond funds fitting within the financing plan. They discussed risks of issuing new bonds with the major risk that the District is working hard to build public trust and transparency.

Ms. Merriweather had questions about the current funding available. Ms. Gamba responded that the District just issued \$125 million, with \$77 million also available, plus capacity for \$515 million yet to be issued. Ms. Gamba added that \$77 million under Measure J will not be easily accessible in the next few years.

Mr. Groves asked Superintendent Harter about the operating budget and funding for the strategic plan. Dr. Harter responded with information about preschool, kindergarten, and enhancing counselors with a preliminary estimate for operating revenues needed annually to be close to \$40 million per year. Dr. Harter added that a three cent parcel tax would generate close to \$4 million.

President Kronenberg said she had carefully looked at the strategic plan and felt it was not something that could be done within the current budget or without LCFF funding. She spoke about the community that came out to tell the District what was important and teachers committed to changing teaching practices. She said she thought it fair to ask the community what they want to pay for and what they are willing to pay.

MOTION: Mr. Ramsey moved approval of the Community Survey to include a sample size of 600 with survey questions including both a parcel tax and bond measure. Mr. Enos seconded. A roll call vote was taken with

Mr. Enos, Mr. Groves, Mr. Ramsey, and President Kronenberg voting yes, Ms. Merriweather voting no, with no abstentions and no absences. Motion carried 4-1-0-0.

D. DISCUSSION ITEMS

D.1 Project update for Downer Elementary School Playfield

This item was tabled to a future meeting.

E. COMMENTS OF THE BOARD OF EDUCATION AND SUPERINTENDENT

Mr. Ramsey spoke about upcoming Brown and Yale alumni groups meetings. He also said that he hoped the Board would receive updates on the Montalvin, Kennedy Swim Center and Nystrom projects after the Facilities Subcommittee meeting. He concluded by thanking staff and saying he looked forward to getting the survey information.

F.1 Decision Concerning Charter Petition from Richmond Charter Elementary

Dr. Delgado provided a staff report regarding the charter petition submitted for determination. Staff recommended conditional approval of the charter petition pending remedying of deficiencies identified in the findings within at 70 day time period.

Public Comment:

Christina Ochoa, Jessica Gutierrez, Alondra Ochao, Jacqueline Sanchez, Paula Riddell, Elizabeth Espinoza, Hillary Harmssen, Leslie Schwarze

Board Comment:

Mr. Ramsey expressed concern about unconfirmed allegations mentioned in the staff findings. He commented about the positive input heard tonight and fairness to the applicant. Dr. Harter suggested removing that piece from the resolution for conditional approval. Mr. Ramsey moved to strike the portion in the Findings of Fact Exhibit A, item I., A., 1 and 2 as there was no basis for making the claim.

Mr. Enos said he was in agreement with Mr. Ramsey about striking the item as well as passing the balance of the resolution with the agreement that improvement is called for by the charter school.

Mr. Groves asked questions of Jorge Lopez, Chief Executive of Amethod Public Schools. Mr. Lopez said that he appreciated the striking of the language of the resolution. He also asked to expedite the remedy process from 70 to 30 days in order to expedite the charter approval. Mr. Groves had questions about contracting of special education services. Mr. Lopez responded with information about all of the Amethod schools contracting as a consortium to a SELPA provider based on need of the students.

Ms. Merriweather asked whether the school had plans for transitional kindergarten. Mr. Lopez spoke about the K-5 program as matter of timing with the petition submitted. He said the program is open to implementing a transitional kindergarten program. Ms. Merriweather also questioned moving the process up to 30 days and completely addressing matters. He responded that he had full confidence about clarifying and amending the required items.

Mr. Ramsey said that he thought 30 days was unrealistic. Mr. Lopez responded with programmatic requirements. Superintendent Harter added that if the charter was approved tonight and Richmond Charter Elementary complies with all findings, there is no additional need for this item to return to the Board for further approval. Staff will bring back a memorandum of understanding for approval once all findings have been addressed.

President Kronenberg said she felt that it important not to rush the process and that she agreed that first section containing allegations should not be part of application.

MOTION: Mr. Ramsey moved approval of the Conditional Approval of the Charter Petition from Richmond Charter Elementary School with the striking of items I., A., 1 and 2 of Exhibit A. Mr. Enos seconded. A roll call vote was taken with Mr. Enos, Mr. Groves, Ms. Merriweather, Mr. Ramsey, Student Representative Tayler Ward (advisory vote only), and President Kronenberg voting yes, with no abstentions and no absences. Motion carried 5-0-0-0.

Student Representative Tayler Ward left the meeting for the evening.

D.1 CSBA Names Peres Dental Project as Golden Bell Award Winner

Superintendent Harter said this item was a recognition and affirmation of the Peres Dental Clinic recently named a California School Boards Association Golden Bell award winner. He said that Board will accept the award at the December 7th luncheon as part of the annual conference.

Dr. Dan Tanita, founder, said he is excited for the school district to receive this recognition and that this is a huge leap forward for this kind of program represented in the city, county and state. He said he was amazed and impressed that the state recognized this innovative program. He wanted to get word out to the California Dental Association with news articles about what the District trying to do. This clinic is a model that can be duplicated elsewhere. Dr. Tanita is committed to implement two more clinics at Helms Middle School and Coronado Elementary Schools.

Public Comment:

None

Board Comment:

President Kronenberg said this is an incredible effort on the part of Dr. Tanita and thanked him for his service to the community.

Mr. Groves remarked that this is an extraordinary gift to the students and that this is what full service is for the community.

Ms. Merriweather recalled attending the clinic opening and thought it extraordinary to be in an elementary school. She said the benefits are being seen for students with this state wide award.

Mr. Enos recalled seeing the clinic in action and thanked Dr. Tanita on behalf of the community.

Dr. Tanita said the kids feel the pride in ownership that theirs is only clinic in District. He said that many students return after leaving Peres to say hello to staff and the doctors.

E. COMMITTEE COMMUNICATIONS

(Education Code 35145.5; Government Code 54950 et seq.)

E.1 Standing Reports

Academic Subcommittee. Ms. Rashidchi reported on the October meeting where Common Core working groups provided presentations and made recommendations on the work with professional development, supplemental materials, and technology. She reported the next meeting will be held on November 19 at DeAnza High School and will be a District Advisory Night with discussion about Common Core, the Master Plan for English Learners and District policies.

College & Career. Cecilia Mendoza shared about the recent event at DeAnza High School with State Senator Darrell Steinberg, local business leaders and educators. This was an opportunity to showcase a Linked Learning mentor District and announce the upcoming CTE trust grant of \$250 million. This was also an opportunity to generate support from community and industry partners for linked learning efforts. As a mentor district, WCCUSD will work with other districts with an emphasis to continue support for linked learning in our comprehensive high schools.

Community Budget Advisory Committee. Ms. Gamba said the next meeting will be held in November. She thanked the Director of Business Services for hosting the meeting last month in her absence.

Safety Committee. Ms. Merriweather reported that the next meeting was scheduled for November 7th to be held at the Building Blocks for Kids location. She said presentations will be made by Contra Costa Kops for Kids and the Alliance for Healthy Kids. She also announced that the name of the committee has been changed to Safety and School Climate.

Technology Committee. Ms. Phillips announced the next meeting for November 18 at 1300 Potrero Avenue in Richmond at 4:00 PM.

Youth Commission. Mr. Groves announced the next meeting for November 18 at Helms Middle School.

E.2 Superintendent's Report

Superintendent Harter provided a report of activities in the District.

F. ACTION ITEMS

This item was moved to follow item B.7.

F.2 Approval of Agreement with West Contra Costa Administrators Association (West Contra Costa Administrators Association / AB1200 Public Disclosure of Collective Bargaining Agreement with WCCAA)

This item was tabled to a future meeting.

F.3 Sexual Harassment Statement

Mr. Greer reported that the District has renewed its commitment to improve the conditions and climate while maintaining a working and learning environment free from sexual harassment. He asked the Board to join him in holding staff accountable to change the culture regarding sexual and gender based harassment. Partners including students, staff, parents and residents are called on to eliminate sexual harassment and to create a climate where this can no longer exist.

Public Comment:

None

Board Comment:

Mr. Ramsey said he was glad this policy is coming forward as it is important for all individuals to understand the code of conduct for all people. He said this is a healthy step for District.

Mr. Enos spoke of the difficulties in schools over the last few years and learning more about becoming sensitive.

Mr. Groves commended the opportunity to reflect on creating a safe culture for all students, modeled by staff and the community. He spoke about implementing this as an academic component for students.

Mr. Greer said that the statement will be posted in English and Spanish at all schools and work locations.

President Kronenberg spoke about the importance of creating a culture of respect.

MOTION: Mr. Ramsey moved approval of Sexual Harassment Statement. Mr. Enos seconded. Mr. Enos, Mr. Groves, Ms. Merriweather, Mr. Ramsey, and President Kronenberg voted yes, with no abstentions and no absences. Motion carried 5-0-0-0.

SUPERINTENDENT

Dr. Bruce Harter Superintendent West Contra Costa Unified School District 1108 Bissell Avenue Richmond, CA 94801

Dear Dr. Harter:

I would like to thank the West Contra Costa Unified School District for its cooperation and thoroughness in conducting the required review of instructional materials and facilities for schools identified in the Williams Settlement, for providing the required information within the timelines, and for meeting the compliance requirements of the Williams Settlement Site Visits.

Enclosed is the annual report on the schools identified in the Williams Settlement within your school district for fiscal year 2013-2014. California Education Code section 1240(c)(2)(B) requires that schools identified in the Williams Settlement in our county be visited within the first four weeks of school, that noted areas be reviewed, and that a report be submitted to you and your governing board for inclusion at a regularly scheduled November board meeting. A complete report on all the Williams visitations in Contra Costa County has also been submitted to the County Board of Education as required by law.

This report contains the results of the Contra Costa County Office of Education (CCCOE) visits of the following schools:

- Bayview Elementary, August 27, 2013
- Chavez Elementary, September 5, 2013
- Dover Elementary, August 27, 2013
- Downer Elementary, August 27, 2013
- Ford Elementary, September 11, 2013
- Grant Elementary, September 5, 2013
- Harding Elementary, September 3, 2013
- King Elementary, September 4, 2013
- Lake Elementary, August 28, 2013
- Lincoln Elementary, August 27, 2013

- Mira Vista Elementary/Middle, September 6, 2013
- Murphy Elementary, August 30, 2013
- Nystrom Elementary, September 4, 2013
- Peres Elementary, September 3, 2013
- Shannon Elementary, August 30, 2013
- Stege Elementary, September 11, 2013
- Tara Hills Elementary, September 11, 2013
- Verde Elementary, August 28, 2013
- Wilson Elementary, September 11, 2013
- Crespi Jr. High, August 28, 2013
- Helms Middle, September 3, 2013
- Lovonya DeJean Middle, August 30, 2013
- Pinole Middle, September 10, 2013
- Portola Middle, August 23, 2013
- Hercules Middle/High, September 17, 2013
- De Anza High, September 12, 2013
- El Cerrito High, September 10, 2013
- Kennedy High, September 5, 2013
- Pinole Valley High, September 9, 2013
- Richmond High, August 26, 2013

I have attached further documentation for your review; however, the following are some highlights from the report:

Instructional Materials:

There were sufficient, district adopted, standards-aligned textbooks or instructional materials visible and/or documented in all classrooms visited.

School Facilities:

There are no facility conditions that "pose an emergency or urgent threat to the health or safety of pupils or staff." Attached, however, is a listing of areas the CCCOE Williams Settlement Visitation Team recommended should receive attention in a timely manner.

School Accountability Report Card (SARC):

The schools' SARCs indicated that there were no instructional material insufficiencies, yet there are outstanding facility needs that were slated to be repaired.

Teacher Misassignments and Teacher Vacancies:

Based on last year's report to CCTC, all misassignments were cleared in the 2012-13 school year. Subsequent quarterly reports will include any misassignments and vacancies identified in the current year.

Uniform Complaints:

One facility complaint was reported to the CCCOE during this time.

I very much appreciate the support of the West Contra Costa Unified School District's board of trustees, the district administration, and especially the staff of the schools that were visited so that the directives of the Williams Settlement could be implemented. A common goal for all of us is to ensure that each of our students has the necessary materials to learn, a safe place to study, and qualified teachers. Thank you for the work you have done for the students of your district.

Sincerely,

Joseph A. Ovick, Ed.D.

The West Contra Costa Administrators Association (WCCAA) has ratified the Agreement; it is now presented to the Board of Education for ratification.

School districts are required to publicly disclose the provisions of all collective bargaining agreements before they ratify an agreement. This ensures that the public is aware of the details associated with a tentative collective bargaining agreement before it becomes binding on the district. A summary of the savings associated with the agreement is attached. This summary has also been provided to the County Office of Education.

The Board will receive public comment on the proposed contract changes before the Board votes to ratify the Agreement.

We want to take this occasion to thank the representatives of both groups for their time and effort in reaching this accord through the interest based process.

Recommendation: Recommend that the Board of Education ratify the Tentative Agreement between the West Contra Costa Unified School District and West Contra Costa Administrators Association (WCCAA).

Chief Technology Officer

Subject: Procurement Contract for Data Center and Wireless Infrastructure

Background Information:

Under Public Contract Code Section 20118 (K-12) our District is able to utilize procurement contracts which have been publicly bid or negotiated for the use by other public entities. Through CDWG we will be utilizing National Joint Powers Alliance, and CalSave contracts for the procurement of a wireless infrastructure for 13 sites and head-end equipment to be used for the District's video surveillance system, email servers, Voice over IP communications and storage.

In March, 2013, the Board approved an ERATE contract to upgrade the wireless infrastructure for eleven of our ERATE eligible schools. These schools are: Downer, Ford, Nystrom, Peres, Verde, Harbour Way, Helms, King, Dover, Gompers and Kennedy. ERATE did not approve the funding and consequently these schools have not yet been upgraded. Coronado (temp campus), and Valley View were folded into the contract when it was determined that the equipment could be repurposed once Bond completes these sites. In addition, it was found that antiquated switches remain at DeJean, Grant, Lake, Lincoln and Richmond despite the recent wireless infrastructure upgrade as performed by AT&T earlier this year. Twelve switches are included in the Build of materials for this reason. The total cost of the project is \$2,144,461.56.

Competitive bids were sought for the data center piece of the project. The purpose of the data center is to serve as the "head-end" for our video surveillance system and to upgrade all older servers, to include our email servers and VOIP servers. Nine-hundred (900) VOIP phones are included for the purpose of standardizing all sites on the same communication (phone) system. The total cost for this part of the project is \$1,431,082.37.

Recommendation: Approve the NJPA contract for the procurement of wireless infrastructure and CalSave contract for the data center for the purpose of upgrading remaining sites with new switching, wireless technology and establishing a "head-end" which will support the district's video surveillance system, email servers, VOIP communications and storage.

MEMORANDUM

To: All Board Presidents, Superintendents and CSBA Member Boards of Education

From: Cindy Marks, President

Re: Call for Nominations for CSBA Delegate Assembly

CSBA's Delegate Assembly is a vital link in the association's governance structure. Working with local districts, county offices, the Board of Directors and Executive Committee, Delegates ensure that the association reflects the interests of school districts and county offices of education throughout the state.

Nomination and Candidate Biographical Sketch forms for CSBA's Delegate Assembly are now being accepted until Tuesday, January 7, 2014. All forms and information related to the election process are available to download from the CSBA website at www.csba.org/AboutCSBA.aspx.

- > Any CSBA member board is eligible to nominate board members within their geographical region or subregion and may nominate as many individuals as it chooses by submitting a nomination form for each nominee.
- All nominees must give their approval prior to being nominated to CSBA's Delegate Assembly.
- All nominees must submit a one-page, single-sided, candidate biographical sketch form and an optional one-page, one-sided résumé, (résumé cannot be substituted for the candidate biographical sketch form).
- All nomination materials must be postmarked or faxed no later than **Tuesday**, **January** 7. It is the nominee's responsibility to confirm that all nomination materials have been received by the CSBA Leadership Services department. Late submissions will not be accepted.
- Delegates serve two-year terms beginning April 1, 2014 through March 31, 2016.
- > There are two required Delegate Assembly meetings each year, one in May in Sacramento and one preceding the CSBA Annual Education Conference and Trade show in November or December.

For further information about the Delegate Assembly, please contact CSBA's Leadership Services department at (800) 266-3382. You may download the following forms and find more information at www.csba.org/AboutCSBA.aspx. Thank you.
