

RESOLUTION NO. 76-0910

RESOLUTION OF THE BOARD OF EDUCATION OF THE
WEST CONTRA COSTA UNIFIED SCHOOL DISTRICT
ORDERING AN ELECTION, AND ESTABLISHING
SPECIFICATIONS OF THE ELECTION ORDER

WHEREAS, the West Contra Costa Unified School District (the "District") wishes to keep our schools safe, drug-free and gang free by providing comparable learning communities throughout the District which are accessible to all students, including the physically disabled; and

WHEREAS, the District wishes to increase post-secondary opportunities for both college preparation and career education and technical job training programs to ensure that local students have the opportunity to learn valuable job skills and provide more students with rewarding, high paying jobs; and

WHEREAS, the District must ensure that local students learn in high quality classrooms, with access to computer technology, internet and networking systems; and

WHEREAS, upgrades and repairs to science labs, classrooms, learning centers, libraries, restrooms, plumbing, and roofs are needed for the health and safety of students, as is removing lead paint and asbestos; and

WHEREAS, other schools must be replaced or repaired to meet newer seismic standards as well as new accessibility requirements; and

WHEREAS, the District has initiated stakeholder and community outreach efforts involving hundreds of stakeholders, to gather the opinions of parents, teachers, principals, staff, students and community members as to their assessment of the District's facility and safety upgrade needs; and

WHEREAS, notwithstanding concerted and ongoing efforts by the District to obtain sufficient facility money from the State of California (the "State"), the State has been unable to provide the District with enough money for the District to adequately maintain, construct, repair, and equip our schools to provide an effective learning environment for all students; and

WHEREAS, the District may qualify for significant State matching facility improvement money if it were able to contribute to the cost of upgrading its schools and constructing new classrooms; and

WHEREAS, the Board determines that it is necessary to seek additional facility funding to both repair and upgrade District schools and qualify for additional State money; and

WHEREAS, as the Board identifies critically needed school improvements to be funded with a local general obligation bond, the Board expects to incorporate into each such project, regardless of whether it is a new construction or a repair and upgrade project, Collaborative for High Performance Schools ("CHPS") and/or Leadership in Energy and Environmental Design ("LEED") sustainability design guidelines and criteria to the extent feasible, such as:

- a. improve student performance, through measures such as daylighting, use of non toxic-emitting materials and sound insulation or isolation to minimize noise and enhance acoustical quality in the classroom; and
- b. minimize both operating costs through energy and water efficiency, as well as the impact of District operations on the environment.

WHEREAS, these energy efficiency projects will reduce the ongoing expenses to the District's budget, allowing more funds to be invested in classroom instruction; and

WHEREAS, Proposition 46, approved by the voters of the State on June 3, 1986 ("Proposition 46"), amended Section 1(b) of Article XIII A of the California Constitution by adding a provision which exempts from the 1% of full cash value limitation, those ad valorem taxes used to pay for debt service of any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978, by two-thirds of the votes cast by voters voting on the proposition; and

WHEREAS, on November 7, 2000 the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act ("Proposition 39") which, as of its effective date, reduced the voter threshold for ad valorem tax levies used to pay for debt service or bonded indebtedness to 55% of the votes cast on a school district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the "Act") became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight which are contained in Proposition 39 and the Act; and

WHEREAS, the Board hereby determines, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, that the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for administrative salaries or other operating expenses of the District shall be strictly monitored by the Citizens' Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Section 9400 *et seq.* of the Elections Code of the State of California (the "Elections Code") requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by the District, relating to the election; and

WHEREAS, the Board now desires to authorize the filing of a ballot argument in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, pursuant to the California Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, June 8,

2010, and to request that the Contra Costa County Registrar of Voters perform certain election services for the District;

NOW, THEREFORE, THE BOARD OF EDUCATION OF THE WEST CONTRA COSTA UNIFIED SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. That the Board, pursuant to Education Code Sections 15100 *et seq.*, 15264 *et seq.*, and Government Code Section 53506, hereby requests the Contra Costa County Registrar of Voters to conduct an election under the provisions of Proposition 39 and the Act and submit to the electors of the District the question of whether bonds of the District in the aggregate principal amount not to exceed \$380 million (the "Bonds") shall be issued and sold for the purpose of raising money for the purposes described in Exhibits "A" and "B" hereto. Both exhibits are directed to be printed in the voter pamphlet.

Section 2. That the date of the election shall be June 8, 2010.

Section 3. That the purpose of the election shall be for the voters in the District to vote on a proposition, a copy of which is attached hereto and marked Exhibit "A" and incorporated by reference herein, containing the question of whether the District shall issue the Bonds to pay for improvements to the extent permitted by such proposition. In compliance with Proposition 39 and the Act, the ballot proposition in Exhibit "A" is subject to the following requirements and determinations:

(a) that the proceeds of the sale of the Bonds shall only be used for the purposes set forth in the ballot measure and not for any other purpose, including teacher and administrator salaries and other operating expenses;

(b) that the Board, in establishing the projects set forth in Exhibit "B," evaluated the safety, enrollment trends, capacity, class size reduction and information technology needs of the District as well as the importance of the projects to student achievement and enhanced instruction;

(c) that the Board will prepare an annual, independent performance audit to ensure that the Bond moneys get expended for the projects identified in Exhibit "B" hereto;

(d) that the Board will prepare an annual, independent financial audit of the proceeds from the sale of Bonds to be conducted until all of the Bond proceeds have been expended;

(e) that the Board will appoint a Citizens' Oversight Committee or reappoint an existing committee in compliance with Education Code Section 15278 no later than 60 days after the Board enters the election results in its minutes pursuant to Elections Code Section 15274; and

(f) that the tax levy authorized to secure the Bonds of this election shall not exceed the Proposition 39 limit per \$100,000 of taxable property in the District when assessed valuation is projected by the District to increase in accordance with Article XIII A of the California Constitution.

Section 4. That the authority for ordering the election is contained in Education Code Sections 15100 *et seq.*, 15264 *et seq.*, and Government Code Section 53506.

Section 5. That the authority for the specifications of this election order is contained in Sections 5322 of the Education Code.

Section 6. That the Contra Costa County Registrar of Voters and the Contra Costa County Board of Supervisors are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on June 8, 2010 within the District.

Section 7. That the Secretary of the Board is hereby directed to send a certified copy of this Resolution to the Contra Costa County Registrar of Voters no later than March 11, 2010.

Section 8. That the maturity of any Bonds issued pursuant to Section 15264 *et seq.* of the Education Code hereto shall have a maturity not exceeding twenty-five (25) years, and Bonds issued pursuant to Section 53506 of the Government Code shall have a maturity of not exceeding forty (40) years. The maximum rate of interest on any Bond shall not exceed the maximum rate allowed by Education Code Sections 15140 to 15143, as modified by Government Code Section 53531.

Section 9. That the Board requests the governing body of any such other political subdivision, or any officer otherwise authorized by law, to partially or completely consolidate such election and to further provide that the canvass be made by any body or official authorized by law to canvass the returns of the election, and that the Board consents to such consolidation. Further, the District's Superintendent, or designee, is hereby authorized and directed to make any changes to the full text of the measure, or to the abbreviated form of the measure, as may be convenient or necessary to comply with the intent of this Resolution, the requirements of Contra Costa County election officials, and requirements of law.

Section 10. Pursuant to Section 5303 of the Education Code and Section 10002 of the Elections Code, the Board of Supervisors of Contra Costa County is requested to permit the Registrar of Voters to render all services specified by Section 10418 of the Elections Code relating to the election, for which services the District agrees to reimburse Contra Costa County, such services to include the printing of the Full Text Ballot Proposition in the voter pamphlet, the publication of a Formal Notice of School Bond Election and the mailing of the sample ballot and tax rate statement (described in Section 9401 of the Elections Code) pursuant to the terms of Section 5363 of the Education Code and Section 12112 of the Elections Code.

ADOPTED, SIGNED AND APPROVED this 3rd day of March, 2010.

FULL TEXT BALLOT PROPOSITION OF THE WEST CONTRA COSTA UNIFIED SCHOOL DISTRICT BOND MEASURE ELECTION JUNE 8, 2010

“WEST CONTRA COSTA UNIFIED SCHOOL DISTRICT STUDENT SAFETY/CLASSROOM REPAIR MEASURE. To make schools safe, complete essential health/safety repairs, qualify for State matching grants, shall West Contra Costa Unified School District upgrade schools for earthquake safety/handicap accessibility, remove asbestos, upgrade restrooms, vocational classrooms/technology/energy systems to reduce costs, install lighting and security systems, acquire, repair, construct, equipment/sites/facilities, by issuing \$380,000,000 in bonds within legal rates and bonding capacity limits with independent audits, citizen oversight, and no money for administrators’ salaries?”

PRIORITY SCHOOL PROJECTS LIST

The Board of Education of the West Contra Costa Unified School District certifies that it evaluated the District’s urgent and critical school needs, including school and student safety issues, enrollment trends, class size, overcrowding, energy efficiency and computer technology, seismic safety requirements, and aging, outdated or deteriorating school buildings in developing the scope of projects to be funded, as outlined in the West Contra Costa Unified School District 2010 Bond Program approved by the Board of Education on March 3, 2010, and incorporated herein. In developing the scope of projects, parents, teachers, staff, students and community members have prioritized the key health and safety and sustainability needs so that the most critical school site needs are addressed. The Board conducted a thorough evaluation at all school sites and received public input and review in developing the scope of school projects to be funded, as listed in the 2010 Bond Program. This input concluded that if these needs were not addressed now, the problems would only get worse and more expensive to address in the future. **In approving this Priority School Projects List, the Board of Education determines that:**

- **All students should have access to comparable academic and extracurricular facilities.**
- **Retaining and attracting excellent teachers is a critical element of our facility plans.**
- **All of its schools should be safe learning environments, free from gang or drug influence.**
- **The improvement of school facilities should help the local economy by creating construction jobs for local businesses.**
- **In repairing aging school buildings and classrooms, priority shall be given to basic repairs, such as replacing outdated plumbing, piping, electrical and sewer systems.**
- **All schools should have energy efficient lighting, heating and ventilation systems that conserve electricity and save on costly utility bills.**
- **All energy efficiency cost savings should be redirected to the classrooms and schools.**
- **Out-of-date schools increase the potential for student violence and make it difficult to evacuate schools quickly during an emergency.**

- High schools must increase the opportunities for vocational and career tech education such as technology skills training, so that students who do not go to college have the opportunity to learn valuable job skills and get good-paying jobs when they graduate high school.
- Since students need physical education programs to stay away from gangs/drugs, focus and perform well in school, the District should fund essential projects necessary for physical education programs important for student health and academic performance.
- Eligibility for State matching grants is vital to the success of our school construction plans.
- Upgrading computer technology and energy efficiency is necessary at every school.
- All bond money must be spent entirely in the District with no money for administrators' salaries and no money shall be transferred to the State.

The 2010 Bond Program is on file at the District Superintendent's Office and includes the following types of projects:

School Renovation, Repair and Upgrade Projects

Goal and Purpose: To ensure compliance with handicap accessibility requirements, give students and teachers the resources they need to excel and for students to be prepared for college and the real world when they graduate, schools will benefit from the renovation, repair and upgrade of deteriorating, outdated school buildings, science labs, classrooms, computer learning centers and school libraries and equipment, such as:

- Repair, upgrade and replace worn-out leaking roofs.
- Replace existing wiring systems to meet current electrical and accessibility codes.
- Additional electrical service capacity to relieve currently overloaded electrical systems.
- Replace existing water, sewer, plumbing and storm drain systems to meet current codes, including the elimination of lead-containing fixtures.
- Upgrade aging and deteriorating school restrooms.
- Replace older ceilings, heating, ventilation, air conditioning and lighting systems with building code compliant, energy efficient systems.
- Install code-compliant ventilating systems in restrooms.
- Provide improved, upgraded computer labs.
- Upgrade and equip classrooms, science labs, multipurpose rooms, physical education facilities, kitchens, auditoriums, libraries, arts and music rooms, childcare, preschool, adult education and educational support spaces.
- Classroom interiors will receive new paint, carpet/vinyl tile/asbestos abatement, white markerboards, tackable surfaces, storage-for instructional materials and equipment.
- Federal and State-mandated Americans with Disabilities Act (ADA) accessibility upgrades including site access, parking, staff and student restrooms, relocation of some existing electrical devices, drinking fountains, playground equipment, etc.

- Replace old, portable classrooms.
- Repair aging schools.

School Health, Safety and Security, Earthquake Safety and Energy Efficiency School Projects

Goal and Purpose: To ensure that the learning process is not interrupted by gangs and drugs or juvenile crime, to maintain healthy students and improve daily attendance, to help attract and retain excellent teachers, and to deter vandalism, schools and school sites will benefit from a variety of health and safety projects, such as:

- Install new security systems, such as security (surveillance) cameras, outdoor lighting, fencing, gates and classroom door locks.
- Remove or abate asbestos, lead paint, mold and hazardous materials.
- Upgrade emergency communication systems.
- Fire alarm systems upgraded to automatic systems, repair fire safety equipment, add sprinklers and fire safety doors.
- Upgrades to schools to meet handicap accessibility requirements.
- Acquire and install a card access system.
- Inspect for/repair gas pipe leaks.
- Replace/upgrade existing signage, bells and clocks.
- Install/replace/upgrade security fencing, cameras and exterior lighting, and establish a standard of complete fencing in good repair at all schools.
- Replace/upgrade existing security and irrigation systems.
- Install energy efficient systems, including solar panels, energy efficient heating, ventilation and cooling systems for cost savings and energy efficiency.
- Replace existing window systems with energy efficient systems.
- Upgrade site playground equipment replacement to meet current safety standards.
- Relocate or improve student drop-off areas for safety, including a separate area for buses.
- Inspect and improve play area fields for safety and drainage.
- Replace existing doors, doorframes and ceilings.
- Add emergency exits for faster evacuation in an emergency.
- Upgrade school site parking, utilities and grounds.
- Repair termite damage to structures and doors/doorframes.
- Strengthen and repair schools and classrooms vulnerable to serious damage in a major earthquake, as required by State law.

**District-Wide Wiring and Instructional Technology
For Effective Learning Environment and Job Training Projects**

Goal and Purpose: To upgrade computer technology, improve both current instruction methods and to expand job training programs by applying modern technology infrastructure such as:

- Provide and maintain upgraded technology, data and communication equipment.
- Upgrade and expand wireless systems, telecommunications, Internet and network connections.
- Upgrade and replace computers, hardware and software systems.
- Upgrade and replace classroom furniture, equipment and instructional aids.
- Upgrade media and audio/visual equipment.
- Expand bandwidth to allow students greater access to the Internet.
- Install up-to-date learning technology and equipment used in job training programs.

**New Construction Education Enhancement/Class Size
Reduction Projects at School Sites**

Goal and Purpose: To ensure that all students have access to comparable schools throughout the District, some schools would benefit from the construction and expansion of additional earthquake and accessibility code compliant facilities, such as:

- Multi-Purpose rooms, including the cafeteria, serving kitchen, staff and student bathrooms, storage, educational support spaces, and classrooms.
- New classrooms/classroom buildings, which will reduce dependency on portable classrooms.
- Lunch shelters, playground equipment and playground storage for outdoor activities.
- ADA accessibility upgrades as mandated by the Division of the State Architect (DSA).
- Additional electrical service capacity.
- Additional staff and student restrooms.
- Additional staff, visitor and student parking/drop-off areas.

Listed building, repair and rehabilitation projects and upgrades will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed repair and construction projects stated above, the Priority School Project Lists and the 2010 Bond Program also include the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease or capital facility note obligations including interim funding incurred to advance fund projects from the Priority School Projects List, or the reimbursement of the District for such reduction, as well as reimbursement for the costs of selling certain prior Measure M, D and J bonds, the construction of new schools, if necessary to serve

students, the acquisition of land, the construction or remodeling of administrative support spaces, installation of signage and fencing, the payment of the costs of preparation of all facility planning, facility assessment reviews, facility master plan updates, environmental studies (including environmental investigation, remediation and monitoring) and construction documentation, gymnasium upgrades, temporary housing of dislocated District activities caused by bond projects and the completion of projects authorized under the District's Measure M, Measure D, and Measure J projects, previously approved by the voters. The upgrading of technology infrastructure includes, but is not limited to, computers, LCD projectors, portable interface devices, servers, switches, routers, modules, sound projection, card access systems, laser printers, digital white boards, document projectors, upgraded voice-over IP, call manager and network security/firewall, and other miscellaneous equipment and software. In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; repair and replacement of heating, air conditioning and ventilation systems; upgrade of facilities for energy efficiencies and to reduce fire risks; repair and replacement of worn-out and leaky roofs, windows, walls doors and drinking fountains; installation wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; repair and replacement of fire alarms, emergency communications and security systems; resurfacing or replacing of hard courts, turf and irrigation systems and campus landscaping; build/renovate new gymnasiums, pools and high school stadiums; upgrade or replace inadequate libraries, multi-purpose rooms and kitchens; upgrade locker rooms; install lunch shelters, artificial turf, and bleachers; improve sanitation and recycling; expand parking; build new stadium; install interior and exterior painting and floor covering; replacement of portable classrooms; installation of covered walkways or shelters; addition of administrative support spaces; upgrade school site kitchens; repair rubberized play apparatus surfaces; demolition; and construction of various forms of storage and support spaces; upgrade classrooms; repair, upgrade and install interior and exterior lighting systems; replace water and sewer lines and other plumbing systems; and replace outdated security fences and security systems. The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. Some projects may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. Possible joint-use projects could include any of the following at various school sites: libraries, gymnasiums, athletic facilities, daycare centers, preschools and career technology centers. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans are finalized, construction bids are awarded and projects are completed. Based on the final costs of each project, certain projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing or installing irrigation, storm drain, and utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the specific purposes identified herein. In order to fund the projects and prior to the issuance of any bonds authorized by this Measure, the District may seek a waiver from the State Board of Education of the applicable bonding limit requirements of Section 15106 of the Education Code. The District shall create an

account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

NO ADMINISTRATOR SALARIES. PROCEEDS FROM THE SALE OF THE BONDS AUTHORIZED BY THIS PROPOSITION SHALL BE USED ONLY FOR THE ACQUISITION, CONSTRUCTION, RECONSTRUCTION, REHABILITATION, OR REPLACEMENT OF SCHOOL FACILITIES, INCLUDING THE FURNISHING AND EQUIPPING OF SCHOOL FACILITIES, AND NOT FOR ANY OTHER PURPOSE, INCLUDING TEACHER AND SCHOOL ADMINISTRATOR SALARIES AND OTHER OPERATING EXPENSES.

FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE (EDUCATION CODE SECTION 15278 ET SEQ.) TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.
