- 9.2. District shall have the right in its sole discretion to terminate the Agreement for its own convenience. In the event of a termination for convenience, Construction Manager may invoice District and District shall pay all undisputed invoice(s) for work performed until the notice of termination. This shall be the only amount(s) potentially owing to Construction Manager's if there is a termination for convenience.

The District shall pay the Construction Manager only the Fee associated with the Services provided, since the last invoice that has been paid and up to the notice of termination.
- 9.6. If the Project is suspended by the District for more than one hundred and eighty (180) consecutive days, the Construction Manager shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the schedule shall be adjusted and the Construction Manager's compensation shall be equitably adjusted to provide for expenses incurred in the resumption of the Construction Manager's services. Upon resumption of the Project after suspension, the Construction Manager will take all reasonable efforts to maintain the same Project personnel.

Construction Manager shall indemnify, protect, and hold free and harmless the District, its agents, representatives, officers, consultants, employees, trustees, members, and volunteers ("Indemnified Parties") from any and all actions, assessments, counts, citations, claims, costs, damages, demands, judgments, liabilities (legal, administrative or otherwise), losses, notices, expenses, fines, penalties, proceedings, responsibilities, violations, attorney's and consultants' fees and causes of action, including personal injury and/or death ("Claim(s)"), to the extent that the Claim(s) arises out of, pertains to, or relates to the negligence (active or passive, ordinary or gross), recklessness (ordinary or gross), errors or omissions, or willful misconduct of Construction Manager, its directors, officials, officers, employees, contractors, subcontractors, consultants, subconsultants, or agents directly or indirectly arising out of, connected with, or resulting from the performance of the Services, the Project, or this Agreement. This indemnity excludes Construction Manager's liability as to the active or sole negligence or willful misconduct of the District.
- 10.2. Construction Manager shall defend and pay all costs, expenses and fees to defend the Indemnified Parties, from any and all Claim(s), to the extent that the Claim(s) arises out of, pertains to, or relates to the alleged negligence (active or passive, ordinary or gross), recklessness (ordinary or gross), errors or omissions, or willful misconduct of Construction Manager, its directors, officials, officers, employees, contractors, subcontractors, consultants, subconsultants, or agents directly or indirectly arising out of, connected with, or resulting from the performance of the Services, the Project, or this Agreement. The Construction Manager shall not permit any employee to have any contact with District pupils until such time as the Construction Manager has verified in writing to the governing board of the District that the employee has not been convicted of a

felony, as defined in Education Code section 45122.1. The Construction Manager's responsibility shall extend to all employees, agents, and employees or agents of its subcontracts regardless of whether those individuals are paid or unpaid, concurrently employed by the District, or acting as independent contractors of the Construction Manager. Verification of compliance with this section and the Criminal Background Investigation Certification (**Exhibit "E"**) shall be provided in writing to the District prior to each individual's commencement of employment or participation on the Project and prior to permitting contact with any student.

- 12.3. The District shall retain design professional(s) whose services, duties and responsibilities shall be described in written agreement(s) between the District and design professional(s).
- 12.4. The District shall, in a timely manner, and with Construction Manager's assistance, secure, submit and pay for necessary approvals, easements, assessments, permits and charges required for the construction, use, or occupancy of permanent structures or for permanent changes in existing facilities, subject to Construction Manager's and/or the design professional(s) duties to recommend or provide same.
- 12.5. The District, its representatives, and consultants shall communicate with the contractor either directly or through the Construction Manager.
- 12.6. During the Construction Phase of the Project, the District may require that the contractors submit all notices and communication relating to the Project directly to the Construction Manager.
- 12.7. The District shall designate an officer, employee, and/or other authorized representatives to act on the District's behalf with respect to the Project. The District's representative for the Project shall be available during working hours and as often as may be required to render decisions and to furnish information in a timely manner.

Article 13. Liability of District

- 13.1. Other than as provided in this Agreement, District's obligations under this Agreement shall be limited to the payment of the compensation provided in this Agreement. Notwithstanding any other provision of this Agreement, in no event shall District be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including, but not limited to, lost profits or revenue, arising out of or in connection with this Agreement for the services performed in connection with this Agreement.
- 13.2. Any and all costs incurred by District, or for which District may become liable, to the extent

caused by negligent delays of Construction Manager in its performance hereunder, shall be paid to District by Construction Manager as provided for herein and/or under California law.

- 13.3. District shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Construction Manager, or by its employees, even though such equipment be furnished or loaned to Construction Manager by District.
- 13.4. The Construction Manager hereby waives any and all claim(s) for recovery from the District under this Agreement, which loss or damage is covered by valid and collectible insurance policies. Construction Manager agrees to have its required insurance policies endorsed to prevent the invalidation of insurance coverage by reason of this waiver. This waiver shall extend to claims paid, or expenses incurred, by Construction Manager's insurance company on behalf of the District.

Article 14. Insurance

- 14.1. Construction Manager shall procure prior to commencement of the work of this Agreement and maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Construction Manager, their agents, representatives, employees and Consultant(s).
- 14.2. **Minimum Scope and limits of Insurance:** Coverage shall be at least as broad as the following scopes and limits:

The policy must contain terms or endorsements extending coverage that requires the insurer to defend and indemnify for acts which happen before the effective date of the policy provided the claim is first made during the policy period.
- 14.3. The District reserves the right to modify the limits and coverages described herein, with appropriate credits or changes to be negotiated for such changes.
- 14.4. **Deductibles and Self-Insured Retention:** Any deductibles or self-insured retention exceeding \$25,000 must be declared to and approved by the District. At the option of the District, either: the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the

Article 16. Covenant Against Contingent Fees

Construction Manager warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Construction Manager, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Construction Manager, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent on or resulting from the award or making of this Agreement. For breach or violation of this warranty, the District shall have the right to annul this Agreement without liability, or in its discretion, to deduct from the contract price or consideration or otherwise recover, the full amount of such fee, commission, percentage fee, gift, or contingency.

Article 17. Entire Agreement/Modification

This Agreement, including the Exhibits hereto, supersedes all previous contracts and constitutes the entire understanding of the parties hereto. Construction Manager shall be entitled to no other benefits than those specified herein. No changes, amendments, or alterations shall be effective unless in writing and signed by both Parties. Construction Manager specifically acknowledges that in entering this Agreement, Construction Manager relies solely upon the provisions contained in this Agreement and no others.

Article 18. Non-Assignment of Agreement

In as much as this Agreement is intended to secure the specialized services of the Construction Manager, Construction Manager may not assign, transfer, delegate or sublet any interest therein without the prior written consent of District and any such assignment, transfer, delegation or sublease without the District's prior written consent shall be considered null and void. Likewise, District may not assign, transfer, delegate, or sublet any interest therein without the prior written consent of Construction Manager and any such assignment, transfer, delegation or sublease without Construction Manager's prior written consent shall be considered null and void.

Article 19. Law, Venue

- 19.1. This Agreement has been executed and delivered in the State of California and the validity, enforceability and interpretation of any of the clauses of this Agreement shall be determined and governed by the laws of the State of California.
- 19.2. The county in which the District administration office is located shall be the venue for any action or proceeding that may be brought or arise out of, in connection with or by reason of this Agreement.

Article 20. Alternative Dispute Resolution

All claims, disputes, or controversies arising out of, or in relation to the interpretation, application or enforcement of this Agreement may be decided through mediation as the first method of resolution. If this method proves unsuccessful, then all claims, disputes or controversies as stated above may be decided through arbitration, if agreed to by all Parties.

Article 21. Severability

If any term, covenant, condition, or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

Article 22. Employment Status

- 22.1. Construction Manager shall, during the entire term of Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow District to exercise discretion or control over the professional manner in which the Construction Manager performs the services which are the subject matter of this Agreement; provided always, however, that the services to be provided by Construction Manager shall be provided in a manner consistent with all applicable standards and regulations governing such services.
- 22.2. Construction Manager understands and agrees that the Construction Manager's personnel are not and will not be eligible for membership in or any benefits from any District group plan for hospital, surgical or medical insurance or for membership in any District retirement program or for paid vacation, paid sick leave or other leave, with or without pay or for other benefits which accrue to a District employee.
- 22.3. Should District, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Department, or both, determine that Construction Manager is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Construction Manager which can be applied against this liability). District shall then forward those amounts to the relevant taxing authority.
- 22.4. Should a relevant taxing authority determine a liability for past services performed by Construction Manager for District, upon notification of such fact by District, Construction Manager shall promptly remit such amount due or arrange with District to have the amount due withheld from future payments to Construction Manager under this Agreement (and offsetting any amounts already paid by Construction Manager which can be applied as a credit against such liability).
- 22.5. A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Construction Manager shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Construction Manager is an employee for any other purpose, then Construction Manager agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined that Construction Manager was not an employee.
- 22.6. Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

Article 23. Warranty of Construction Manager

- 23.1. Construction Manager warrants that the Construction Manager is properly licensed and/or

certified under the laws and regulations of the State of California to provide all the services that it has herein agreed to perform.

- 23.2. Construction Manager certifies that it is aware of the provisions of the Labor Code of the State of California, that require every employer to be insured against liability for workers compensation or to undertake self-insurance in accordance with the provisions of that code, and it certifies that it will comply with those provisions before commencing the performance of the work of this Agreement.
- 23.3. Construction Manager certifies that it is aware of the provisions of California Labor Code that require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects ("Prevailing Wage Laws"). Since the Construction Manager is performing work as part of an applicable "public works" or "maintenance" project, and since the total compensation is One Thousand Dollars (\$1,000) or more, the Construction Manager agrees to fully comply with and to require its Consultant(s) to fully comply with all applicable prevailing wage requirements of the California Labor Code.

Article 24. Cost Disclosure - Documents and Written Reports

Construction Manager shall be responsible for compliance with California Government Code section 7550, if the total cost of the Agreement is over Five Thousand Dollars (\$5,000).

Article 25. Communications / Notice

Notices and communications between the Parties may be sent to the following addresses:

District West Contra Costa Unified School District Facilities Planning & Construction Dept. 1400 Marina Way South Richmond, CA 94804-3747 ATTN: Engineering Officer Fax: (510) 231-2406	Construction Manager Roebbelen Construction Management Services, Inc. 1241 Hawks Flight Court El Dorado, CA 95762 ATTN: Marsha Perry Taras Fax: (916) 939-4028
--	--

The Parties, by notice given hereunder, may designate different addresses to which subsequent notices, certificates or other communications will be sent.

Article 26. Disabled Veteran Business Enterprise Participation

Pursuant to section 17076.11 of the Education Code, the District has a participation goal for disabled veteran business enterprises (DVBES) of at least three percent (3%), per year, of funds expended each year by the District on projects that use funds allocated by the State Allocation Board pursuant to the Leroy F. Greene School Facilities Act (the Act). This Project may use funds allocated under the Act. Therefore, to the extent feasible, the Construction Manager shall provide to the District certification of compliance with the procedures for implementation of DVBE contracting goals, appropriate documentation identifying the amount paid to DVBEs in conjunction with the contract, and documentation demonstrating the Construction Manager's good faith efforts to meet these goals.

Article 27. Other Provisions

- 27.1. The Construction Manager shall be responsible for the cost of construction change orders caused directly by the Construction Manager's willful misconduct or negligent acts, errors or omissions. Without limiting Construction Manager's liability for indirect or consequential cost impacts, the direct costs for which the Construction Manager shall be liable shall equal its proportionate share of the difference between the cost of the change order and the reasonable cost of the work had such work been a part of the originally prepared construction documents.
- 27.2. Neither the District's review, approval of, nor payment for, any of the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and Construction Manager shall remain liable to the District in accordance with this Agreement for all damages to the District caused by Construction Manager's failure to perform any of the services furnished under this Agreement to the standard of care of the Construction Manager for its Services, which shall be, at a minimum, the standard of care of construction managers performing similar work for California school districts at or around the same time and in or around the same geographic area of the District.
- 27.3. Each party warrants that it has had the opportunity to consult counsel and understands the terms of this Agreement and the consequences of executing it. In addition, each party acknowledges that the drafting of this Agreement was the product of negotiation, that no party is the author of this Agreement, and that this Agreement shall not be construed against any party as the drafter of the Agreement.
