Ralph M. Brown Act,
Government Code §§ 54950 –
54963

The Brown Act applies to local governing bodies and many subcommittees

Overview

The Legislature adopted the Ralph M. Brown Act, commonly referred to as California's "Open Meetings Law" in 1964. The Legislature substantially overhauled the Brown Act in 1993. The Brown Act regulates many aspects of public meetings. The Act requires that all meetings of legislative bodies be open to the public except for authorized closed sessions.

In November 2004 voters approved Proposition 59 which amended the California Constitution to mandate that the Brown Act, the state open meetings law (Bagley-Keene Open Meetings Act), and the California Public Records Act be broadly construed to further the public's "right of access to information concerning the conduct of the people's business."

The Brown Act Applies to All "Legislative Bodies"

"Legislative body" means:

- Governing Bodies: The governing body of a local agency or any other local body created by state or federal statute.
- Subcommittees and Commissions: All subcommittees and commissions created by formal action of the legislative body, whether temporary, decision making, or advisory. There is one exception for ad hoc advisory committees consisting of less than a quorum of the legislative body. The following rules apply: (1) The committee must be purely an advisory committee with no decision making authority; (2) the committee must be composed solely of less than a quorum of members of the legislative body (two members for a five-member body, three members for a seven-member body); (3) the committee must not have continuing subject matter jurisdiction; and (4) the committee must not have a meeting schedule fixed by formal action of the legislative body.

*Note: This is only a summary of key provisions of the Act, rather than a detailed overview of all its requirements.

Meetings must be conducted at an open and public session

Serial meetings by telephone or e-mail are prohibited

Meeting = Any Congregation of a Majority of the Legislative Body By Any Means

A meeting is any congregation of a majority of the legislative body that meets at the same time and place to hear, discuss, or deliberate upon any item within the body's subject matter jurisdiction. A "meeting" includes any use of direct communication, intermediaries, or technological devices such as e-mail. Formal action or an informal "collective concurrence" is not necessary.

Agency employees and officials can provide information to and answer questions of legislative body members, provided that the employee or official does not communicate the comments or position of any other members of the legislative body.

Meetings do not include:

- Individual Contacts: Individual contacts or conversations between a member of a legislative body and any other person, so long as a serial meeting does not take place.
- Public Conferences: Conferences that are open to the public; legislative body cannot discuss local agency business among themselves other than as part of the scheduled program.
- Community Meetings / Other Agency Meetings: A public community meeting or local agency meeting called by other persons or agencies; legislative body cannot discuss local agency business among themselves other than as part of the scheduled program.
- Social Gatherings: A purely social or ceremonial occasion where no local agency business is discussed.
- Standing Committees: Legislative body can attend a standing committee meeting provided that the members of the legislative body who are not members of the standing committee attend only as observers and do not participate.
- Staff Meetings: Meetings among staff members, if a majority of the legislative body members are not present.

Regular meetings
Special meetings
Emergency meetings

Types of Meetings

A regular meeting is the fixed formal meeting of the legislative body. Agendas must be posted 72 hours in advance of the meeting.

A special meeting may be called at any time either by the presiding officer or a majority of the legislative body by delivering a written notice to each member and to each local newspaper of general circulation and radio or television station requesting such notice. The notice must be delivered and the agenda posted 24 hours before the meeting.

Emergency meetings are permissible to address the disruption or threatened disruption of public facilities and services. An emergency is a work stoppage, a crippling activity, or an activity that severely impairs public safety or health. Except in "dire" emergencies, attempts must be made to contact the media by telephone at least one hour before the meeting.

Meetings must generally be held within the local agency's boundaries. There are several exceptions for items such as inspecting real property, participating in litigation, and to conduct interviews regarding potential employees.

Every meeting must have an agenda describing the business to be conducted

Agendas for Meetings

All agendas must be posted in a location at the agency offices that is freely accessible to the public, also on the agency's website.

Members of the public and media may request a copy of the agenda and all materials sent to the legislative body with respect to open session meetings. The packet is distributed to all persons, including the legislative body, simultaneously.

Each meeting must have an agenda describing each item on the agenda; generally it need not exceed 20 words. Agenda descriptions should be written in an unambiguous manner so that the public is aware of what business the agency intends to transact.

Upon request, the agenda must be made available in alternative formats to persons with disabilities. The agenda must include information regarding a request for disability related modifications such as an auxiliary aid or services.

In addition, every agenda must list an agency office where members of the public may inspect documents distributed to all or a majority of the legislative body. This rule is designed to provide public access to items submitted to the legislative body after the agenda is posted (i.e., those distributed less than 72 hours prior to a regular meeting).

School boards must allow members of the public to place matters directly related to school district business on the agenda. The school district can reasonably control when and how the item is placed on the agenda. The district need not allow public comment on whether and how to place an item on the agenda.

Exceptions to Agenda Requirements

Generally, the legislative body may not discuss or take action on any item unless it appears on the agenda. Exceptions include:

- Emergency Situations: see "emergency meeting" above.
- "Subsequent Need" Items: A finding that there is a need for immediate action that came to the attention of the local agency after the agenda was posted. The legislative body must make that finding by a 2/3 vote or by unanimous vote if less than 2/3 are present.
- Held-Over Items: Items held over from a previous meeting; restrictions apply.
- Response to Public Comments / Announcements: The legislative body or staff may briefly respond to statements made or questions posed by members of the public. Members of the legislative body or its staff may make a brief announcement or report, refer items to staff, request staff to report back at a subsequent meeting concerning any matter, or direct staff to place a matter of business on a future agenda.

Members of the public can comment on agenda items and on items within the agency's jurisdiction

Public Comment

Each regular meeting agenda must provide an opportunity for public comment on any agenda item, before or during the legislative body's consideration of the item, and on any item of interest to the public within the subject matter jurisdiction of the legislative body. This includes a right to comment on closed session agenda items prior to closed session.

For special meetings, the agenda must provide an opportunity for members of the public directly to address the legislative body concerning any item on the agenda; comments on items not on the agenda need not be allowed.

Reasonable time limitations on public comment are permissible, such as time limits per agenda item and per speaker.

The Brown Act allows photographs, audio recording, and video recording meetings unless it would be an actual and persistent disruption of the meeting.

Members of the legislative body may only briefly respond to public comments or questions during the general public comment period regarding any item not on the agenda. The brief response may include referencing the matter to staff and asking a clarifying question.

Records distributed to the governing body must be open for inspection at the meeting

Inspection of Documents and Records

Writings distributed to all or to a majority of the legislative body by any person for consideration at a public meeting are public records. These documents must be made available for inspection and copying without delay. The terms "writing" and "document" include electronic records such as e-mail.

If documents are distributed to all of or a majority of the legislative body less than 72 hours prior to the meeting, these documents must be made available to the public. In addition, every agenda must state the location of an office at the agency where members of the public may inspect these documents.

Documents distributed to the board must be available for public inspection at the meeting if prepared by the local agency, or after the meeting if prepared by some other person. Writings distributed for closed session are exempt from public disclosure if exempt under the Public Records Act or other applicable law.

The Brown Act can be enforced by civil lawsuits or criminal prosecution

Penalties and Enforcement

A member who attends a meeting where action is taken in violation of the Brown Act, and where the member intends to deprive the public of information which the member knows or has reason to know the public is entitled, is guilty of a misdemeanor.

Most violations of the Brown Act can be remedied by correction of the violation. If there is a violation of the closed session requirements, a court can order the local agency to tape record its closed sessions. The cure and correction remedy is not available for violations of the 24-hour employee notice requirement. Actions taken in violation of the 24-hour notice requirement are null and void, which means that employees

terminated after violating this provision may be entitled to damages for wrongful termination.

A prevailing plaintiff is entitled to costs and attorneys' fees unless special circumstances justify denial of such an award. A prevailing defendant (public agency) may be awarded costs and fees only if the court finds the action was frivolous and totally lacking in merit.

WCCUSD Community Budget Advisory Committee

Resolution

Concerning:	2014-2015 Parcel Tax Expenditures and Scope of Measure G
Adopted:	Meeting of the WCCUSD Community Budget Advisory Committee (CBAC) April 30, 2015

Background

In November of 2012 voters approved the continuance of the School District's parcel tax levy. Starting in the 2014-15 fiscal year, Measure G (Election of 2012) has provided parcel tax revenues for West Contra Costa Unified School District schools. The Measure G parcel tax levy began as of July 1, 2014 and will continue through June 30, 2019. The text of the measure is available on the District's website located at: www.wccusd.net.

According to Measure G: "Parcel Tax funds shall also be subject to an annual independent financial audit which shall be made public, including oversight by the Community Budget Advisory Committee and posting on the District's website."

As part the Committee's oversight, we reviewed the Measure G Parcel Tax Report (see attached) for parcel tax expenditures and found the reports to be aligned with the stated purposes of the parcel tax measure.

The purpose of the special tax is to improve the quality of education in the District by supporting the following programs:

- Protecting core academic subjects including reading, writing, mathematics and science,
- Attracting and retaining quality teachers,
- Preparing students for college and the workforce,
- Providing smaller class sizes for the youngest children,
- Providing classroom computers and technology,
- Improving safety on and around our campuses,
- Supporting after-school programs to keep kids away from gangs and drugs,
- Supporting science laboratories, materials and activities,
- Supporting libraries.

Finding

The Committee finds that the expenditures budgeted for FY 14-15 are within the stated purposes for Measure G funds.

WHEREAS, the Board of Education of the District (the "Board") believes that in order to continue meeting the educational needs of all of the District's students it is necessary to extend for five years beginning July 1, 2014 the period of time during which the District is authorized to collect said qualified special tax; and

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

Section 1. Resolution Constitutes Order of Election. That this resolution shall constitute an order of election pursuant to Education Code Section 5320 *et seq.*

Section 2. Date and Purpose of Measure. Pursuant to Section 4 of Article XIII A of the California Constitution and Government Code Section 50077, an election shall be held within the boundaries of the District on Tuesday, November 6, 2012 for the purpose of voting on a proposition, a copy of which is attached hereto and marked Exhibit A, containing the question of whether the District shall extend the parcel tax as described and for the purposes stated therein. In addition, the full text of the ballot proposition (the "Full Ballot Text") attached hereto and marked Exhibit B shall appear in the ballot pamphlet. The parcel tax shall be maintained at an amount equal to 7.2 cents per square foot of total building area on each parcel of taxable property within the District or a tax of \$7.20 per unimproved parcel of taxable real property. The District shall provide the Contra Costa County Treasurer-Tax Collector a report indicating the parcel number and amount of tax for each parcel of taxable real property. The number of square feet of total building area on improved real property shall be obtained from the Contra Costa County Tax Assessor. If that information is missing from the tax assessor's records, the number of square feet of total building area shall be based upon the records of the building department for the applicable jurisdiction. The parcel tax shall be collected by the Contra Costa County Treasurer-Tax Collector at the same time, in the same manner, and subject to the same penalties as *ad valorem* property taxes collected by the Treasurer-Tax Collector. Unpaid taxes shall bear interest at the same rate as the rate for unpaid *ad valorem* property taxes until paid. The collection of the parcel tax shall not decrease the funds available from other sources of the District in any period from the effective date hereof.

The District's Superintendent, or designee, is hereby authorized and directed to make any changes to the text of the measure, or to the abbreviated form of the measure, as may be convenient or necessary to comply with the intent of this Resolution, the requirements of election officials, and requirements of law.

"Parcel of taxable real property" shall be defined as any unit of real property in the District that receives a separate tax bill for *ad valorem* property taxes from the Contra Costa County Treasurer-Tax Collector's Office. All property that is otherwise exempt from or on which are levied no *ad valorem* property taxes in any year shall also be exempt from the parcel tax in such year. Parcels owned and occupied by eligible persons 65 years of age or older or who receive Supplemental Security Income ("SSI") for a disability, regardless of age, who apply to the District pursuant to an administrative review process are exempt from the parcel tax.

The District shall annually provide a list of parcels that the District has approved for a Senior Citizen Exemption or the SSI Exemption from the parcel tax as described above to the Contra Costa County tax collection officials. The Contra Costa County Tax Assessor's determination of exemption or relief of any parcel from taxation for any reason other than the Senior Citizen Exemption or SSI Exemption shall be final and binding for the purposes of the parcel tax. Taxpayers wishing to challenge the County Assessor's determination must do so under the procedures for correcting a misclassification of property pursuant to Section 4876.5 of the California Revenue and Taxation Code or other applicable procedures. Taxpayers seeking a refund of parcel taxes paid shall follow the procedures applicable to property tax refunds pursuant to the California Revenue and Taxation Code.

Section 3. Authority for Ordering Election. That the authority for ordering the election is contained in Section 50075 *et seq.* of the Government Code and Section 4 of Article XIII A of the California Constitution.

Section 4. Authority for Specifications. That the authority for the specification of this election order is contained in Section 5322 of the Education Code.

Section 5. Resolution to County Registrar and Clerk and County Superintendent of Schools. That the Clerk of the Board is hereby directed to cause certified copies of this Resolution and Order to be delivered not later than August 10, 2012, to the Contra Costa County Superintendent of Schools and not later than August 10, 2012, to the Contra Costa County Registrar of Voters (the "County Registrar"), as the officer conducting the election, and to the Contra Costa County Clerk of the Board of Supervisors (the "County Clerk").

Section 6. Formal Notice. That the Contra Costa County Superintendent of Schools is hereby requested to prepare and execute a Formal Notice of Parcel Tax Election and consolidation order in substantially the form attached hereto as Exhibit C (the "Formal Notice"), and to call the election by causing the Formal Notice to be posted pursuant to Section 5362 of the Education Code by August 10, 2012, or to otherwise cause the notice to be published as permitted by law. The Clerk of the Board, on behalf of and as may be requested by the County Superintendent of Schools, is authorized to cause all notices required by law in connection herewith to be published and posted, as the case may be.

Section 7. Full Ballot Text. That the Board hereby determines to include within the ballot pamphlet the Full Ballot Text attached hereto as Exhibit B, which is hereby approved and adopted by the Board.

Section 8. Conduct of Election. (a) *Request to Registrar of Voters.* Pursuant to Section 5303 of the Education Code, the Registrar of Voters is requested to take all steps to hold the election in accordance with law and these specifications.

(b) *Voter Pamphlet.* That the Registrar of Voters is hereby requested to reprint the Abbreviated Text of the Measure (Exhibit A) and the Full Ballot Text of the Measure (Exhibit B) in their entirety in the voter information pamphlet to be distributed to voters pursuant to Section 13307 of the Elections Code.

(c) *Consolidation.* That the County Registrar and the Contra Costa County Board of Supervisors are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on November 6, 2012, within the District.

(d) *Canvass of Results.* That the Board of Supervisors of the County is authorized to canvass the returns of the election pursuant to Section 10411 of the Elections Code.

Section 9. Appropriations Limit. That the Board of Education shall provide in each year (pursuant to Section 7902.1 of the Government Code or any successor provision of law) for any increase in the District's appropriations limit as shall be necessary to ensure that proceeds of the parcel tax may be spent for the authorized purposes.

Section 10. Notice and Hearing. Subject to two-thirds voter approval and prior to adoption of a resolution levying the qualified special tax in any given year, this Board shall have conducted a public hearing on the matter. Notice of the time, date, and place of hearing shall have been published pursuant to California Government Code Section 54954.6. Following said hearing this Board may adopt a resolution fixing the amount of tax to be raised and the rates for each type of property. Any tax levied shall become a lien upon the properties against which taxes are assessed and collectible.

Section 11. Ballot Arguments. That the President of this Board and/or his designees are hereby authorized to prepare and file with the Registrar of Voters a ballot argument in favor of the proposition contained in Exhibit A hereto, or act as an author of any ballot argument prepared in connection with the election, including a rebuttal argument, each within the time established by the Registrar of Voters, which shall be considered the official ballot arguments of this Board as sponsor of the proposition.

Section 12. Official Actions. That the Superintendent, President of the Board, or their designees are hereby authorized to execute any other document and to perform all acts necessary to amend the tax measure on the ballot including making alterations in the ballot language stated in Exhibits A and B hereto to comply with requirements of law and election officials.

Section 13. Payment of Costs. Pursuant to Section 5303 of the Education Code and Section 10002 of the Elections Code, the Board of Supervisors of Contra Costa County is requested to permit the Registrar of Voters to render all services specified by Section 10418 of the Elections Code relating to the election, for which services the District agrees to reimburse Contra Costa County, such services to include the publication of a Formal Notice of Election and the mailing of the sample ballot pursuant to the terms of Section 5363 of the Education Code and Section 12112 of the Elections Code.

Section 14. Effective Date. That this resolution shall take effect from and after its adoption.

EXHIBIT B

FULL BALLOT TEXT

The following is the full ballot text of the proposition to be presented to the voters by the West Contra Costa Unified School District in the ballot pamphlet:

To maintain quality education with local funding the State cannot take away, including:

- protecting core academics -- reading, writing, math, science,
- attracting and retaining quality teachers,
- providing smaller class sizes for the youngest children,
- preparing students for college and the workforce,
- improving safety on and around school campuses,

shall West Contra Costa Unified School District renew its existing parcel tax for five years, with no funds for administrator salaries, exempting seniors and requiring citizen oversight?

The purpose of the special tax is to improve the quality of education in the District by supporting the following programs:

- protecting core academics -- reading, writing, math and science,
- attracting and retaining qualified teachers,
- preparing students for college and the workforce,
- providing smaller class sizes for the youngest children,
- providing classroom computers and technology,
- improving safety on and around our campuses,
- supporting after-school programs to keep kids away from gangs and drugs,
- supporting science laboratories, materials and activities,
- supporting libraries.

An exemption shall be granted annually on any single family residential parcel or multi-family dwelling unit owned by one or more persons 65 years of age or older or persons who receive Supplemental Security Income (SSI) for a disability, regardless of age, who occupies said parcel or unit as a principal residence, upon annual application to the District for exemption.

Pursuant to California Constitution Article XIII B and applicable laws, the appropriations limit for the District will be adjusted periodically by the aggregate sum collected by levy of this special tax.

Accountability

The proceeds of the special tax shall be applied only for the specific purposes identified above. The proceeds of the special tax shall be deposited into an account, which shall be kept separate and apart from other accounts of the District. No later than January 1 of each year while the tax is in effect, commencing January 1, 2014, the chief fiscal officer of the District shall prepare and file with the Board of Education a report detailing the amount of funds collected and expended during the prior fiscal year, and the status of any project or description of any programs authorized to be funded by this measure. Parcel Tax funds shall also be subject to an annual independent financial audit which shall be made public, including oversight by the Community Budget Advisory Committee and posting on the District's website.

Basis of Tax

The current parcel tax shall be maintained at an annual tax of 7.2 cents per square foot of total building area on each parcel of taxable real property within the District or a tax of \$7.20 per unimproved parcel of taxable real property. The District shall provide the Contra Costa County Treasurer-Tax Collector a report indicating the parcel number and amount of tax for each parcel of taxable real property. The number of square feet of total building area on improved real property shall be obtained from the Contra Costa County Tax Assessor. If that information is missing from the tax assessor's records, the number of square feet of total building area shall be based upon the records of the building department for the applicable jurisdiction.

Definition of Parcel of Taxable Real Property

"Parcel of taxable real property" shall be defined as any unit of real property in the District that receives a separate tax bill for *ad valorem* property taxes from the Contra Costa County Treasurer-Tax Collector's Office. All property that is otherwise exempt from or on which are levied no *ad valorem* property taxes in any year shall also be exempt from the parcel tax in such year. Parcels owned and occupied by persons 65 years of age or older or persons receiving Supplemental Security Income for a disability regardless of age, may be exempt from the parcel tax, subject to annual application, as described above.

For purposes of this special tax, any such "Parcels" which are (i) contiguous, (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership may, by annually submitting an application of the owners thereof by July 1 of any year to the Board of Education be treated as a single "parcel" for purposes of the levy of this education parcel tax.

Severability

The Board of Education hereby declares, and the voters by approving this measure concur, that every section and part of this measure has independent value, and the Board of Education and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this measure by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law.

EXHIBIT C

CHARTER

West Contra Costa Unified School District Community Budget Advisory Committee

Background

The West Contra Costa Unified School District (WCCUSD) Community Budget Advisory Committee (the Committee) is a School Board appointed community-based advisory group which discusses budgetary issues. The Committee consists of eleven (11) members.

Committee Purpose

- To understand the budget process for WCCUSD and public education as a whole
- To communicate information to the community about the budget process in a clear and transparent way including but not limited to informal dialogues
- To advise and make recommendations to the WCCUSD School Board on budgetary issues including overall priorities and revenue requirements based on its understanding of the budget process, and community feedback
- To provide oversight over the parcel tax renewal, which was approved by voters in 2012, and which expires in 2019, over the Measure D parcel tax passed in 2008 as required by the text of the measure

Membership

Composition

The Committee will be comprised of voting and non-voting members. There will be seven (7) voting members including one (1) teacher employed by WCCUSD, one (1) classified employee of WCCUSD, one (1) site principal, at least one (1) business leader, and at least one (1) parent of a child enrolled in the district. The additional two (2) voting members shall be a parent, business leader or community member. The non-voting members of the Committee will consist of two (2) members of the WCCUSD Board of Trustees appointed by the President of the Board of Trustees and two (2) staff members appointed by the Superintendent. A meeting quorum will consist of four (4) out of the seven (7) voting members. All voting positions may have designated alternates who may vote in the absence of a committee member.

Selection

Members of the Committee will be selected by the Committee based on Self-Nomination Forms approved by the Committee. The Self-Nomination Forms will be submitted to the Committee in October and April or when vacancies occur. The Committee will select new Committee members, including alternate members, in November and May. The selections will then be subject to ratification by the School Board.

Persistent Vacancies

If, after 6 months, no candidates apply who fulfill the requirement described in the Composition section above, then the Committee may choose any candidate to fulfill the unfilled slot.

Terms

The term for voting members will be two (2) years. The term will start on January 1st for three (3) members and July 1st for four (4) members. To stagger the terms properly, two (2) of the four (4) community members ratified for terms starting July 1, 2009 shall have special one-year terms.

Meetings

Meetings will be held monthly excluding December, February and June. The standard meeting time will be from 6:30 p.m. to 8:30 p.m. on the fourth (4th) Thursday of the month. The standard meeting place will be the Adult Education Alvarado Campus. Meeting dates, locations, and agendas will be posted on the WCCUSD website at least 72 hours prior to the scheduled meeting.

Officers

The Committee will elect its own officers. The elected officers will be a chairperson and a vice chairperson. The positions will be elected each year in January. The term of office for both positions will be one (1) year.

Chairperson

The duties of the chairperson (the "Chair") will be

- Preparing for the meetings (including preparing agendas)
- Facilitating the meetings by ensuring that each member has the ability to contribute to the discussion
- Ensuring a fair hearing for community participants
- Making a presentation to the School Board every 3 months

Vice Chairperson

The duties of the vice chairperson will be

- Assisting the Chair in facilitating meetings
- Filling in for the Chair when necessary

Staff Support

WCCUSD staff will provide necessary clerical and technical support to the Committee.

Parcel Tax Oversight

The new Measure D-G parcel tax that begins began on July 1, 2009-2014 and will continue through June 30, 2019. Measure G parcel tax funds are subject to an annual independent

West Contra Costa USD Community Budget Advisory Committee Charter

financial audit which is made public, and requires "oversight by the Community Budget Advisory Committee." The Committee already has a broad advisory role over all operating budget issues including parcel tax expenditures. This required oversight role does not limit the existing scope of the Committee.

Parcel tax oversight will be exercised through (1) reviewing the expenditures of Measure D-G funds for compliance and (2) educating the public in how the parcel tax operates. For review, each year the Committee will receive, either at the same time or separately, a list of proposed Measure D-G parcel tax expenditures for the next fiscal year and a list of the actual parcel tax expenditure for the current year and previous years. Each year, the Committee will formally communicate to the School Board whether the Committee believes the current-year and planned uses of parcel tax funds can each be reasonably associated with a designated purpose set forth in Measure D-G. The Committee will also generally review the implementation of all aspects of the parcel tax. For education, the Committee will schedule one or more presentations each year to discuss the parcel tax including actual expenditures and the details of the parcel tax.
